Welcome and Format

Board President Tracy-Proulx welcomed those in attendance and explained the format used for this Regular Meeting of the Board of Education.

Agenda Changes, Additions, or Deletions

Superintendent Munro shared that there were two expulsions discussed in closed session and two agenda items have been added to vote for the expulsions. Agenda item 8.4.1.1 has been added to vote for Expulsion 04-22-23 and agenda item 8.4.1.2 has been added to vote for Expulsion 05-22-23.

PUBLIC COMMENTS

Union representatives Casey Carlson and Jeanie Brown shared a union survey with all staff to provide feedback about recent safety events. Casey Carlson and Jeanie Brown expressed gratitude and appreciation for Deb Tracy-Proulx, Jeremy Shonick, and Cindy Ranii for their many years of service on the Santa Cruz City Schools Board of Trustees.

SUPERINTENDENT'S REPORT

Superintendent's Report

Superintendent Munro provided an update on district activities addressing District Goals since the last Board meeting. Goals #1 and #3 have been met through Elementary Conferences, Cabrillo College & Career Family Night, and activities for College & Career Awareness Month. Data conversations with Principals have been ongoing, and there was a Special Education collaboration on math intervention curriculum that occurred in the last two weeks. In terms of Goal #2, Santa Cruz City Schools partnered with the Education Foundation to provide bully prevention programs. Staff members from the Costanoa team visited Mount Toro Model Continuation High School and the Wellness Center at Everett Alvarez High School to look at different ways to offer continuation high school education and resources. CCS playoffs at High Schools, Halloween, and Dia De Los Muertos were celebrated. Superintendent Munro shared that Goal #4 has been addressed with both ongoing trainings including the Incident Command Academy provided by the County Office of and Catapult EMS Training. Further, Assistant Superintendent Molly Parks and Human Resource Manager Desiree Dominguez attended the American Association of Employment in Education Conference for the first time and returned with fresh ideas to share with the team. Goal #5 was met through SECA Operations Council and the preparation for the First Interim report. The finance team also met with principals at all sites to provide an overview of their 2022-23 budget. Goal #6 community partnerships included the Rotary's 100 year anniversary celebration, monthly meetings with our union partners, and the Harvest Festival field trip to UCSC for high school students.

Superintendent Munro shared gratitude and appreciation for law enforcement partners and their quick response to the recent threat in the District. In terms of COVID response, cases have been up and the district offered a booster clinic for the elementary sites. Superintendent Munro took a moment to provide a school safety update and remind everyone that there is a countywide threat assessment protocol and annually, there are threat assessment trainings and code red trainings for staff. In addition to the annual trainings, the Santa Cruz City Schools leadership team meets monthly to discuss safety for the sites and central office.

Student Trustees' Report

Student Board Representative Eva Diop was pleased to report that Santa Cruz High School sports teams have excelled this season, and the girls' varsity volleyball team became league champions. Ms. Diop shared that the black student union partnered with Mission Street BBQ

for a school fundraiser. On a more serious note, Ms. Diop mentioned that Santa Cruz High School has experienced several traumatic events and has reached out to students in person and on social media to get a collective idea of what type of support students are looking for in the future. Many students would like more frequent and clearer communication from school sites and the District Office. Ms. Diop has received strong feedback that students would like additional counseling resources and small group assemblies to inform students about what is happening and next steps following any incidents or events involving student safety.

Student Board Representative Nevaeh Karraker expressed gratitude that no students or staff were harmed at Harbor High or any other schools in the recent events. Ms. Karraker found there was some miscommunication at Harbor High that resulted in some students feeling lost, confused, and exposed. Ms. Karraker shared various classes handled safety precautions differently and due to some students having access to their cell phones and others not, unconfirmed rumors about the incidents cause panic and worry among students. However, the announcement that there was no danger helped relieve students of their concern. Ms. Karraker mentioned that communication could be improved in the future. She was pleased to announce that over 40 students were able to attend the Cabrillo College Fair, and resources were provided to students unable to attend. Ms. Karraker found that the resources shared were very helpful for conducting research about different colleges Ms. Karraker expressed gratitude for the buses provided to students to attend the Cabrillo College Fair. Harbor High School supported this event by offering a college and career spirit week, to involve all students. During spirit week, candy grams were sold on campus to support future school programming.

Student Board Representative Lynda Otero began her report by sharing gratitude for student safety in the recent events. Ms. Otero recognized the effort of first responders, teachers, and the community at large for the quick response in the recent events. Ms. Otero shared that students feel that classes should have been canceled on November 1 and 2. She is pleased to report that students celebrated Dia De Los Muertos through several activities and celebrations Ms. Otero shared that a California State University representative will be on campus at Soquel High to help students with their college applications. Finally, Ms. Otero shared that she is excited to share that Soquel High will be welcoming Jimmy Panetta on campus as a guest speaker and students have been preparing questions for the visit.

ITEMS TO BE TRANSACTED AND/OR DISCUSSED

8.5.1.1 Staff Report: Transitional Kindergarten Update

Assistant Superintendent Coito introduced Elementary Learning and Achievement Director Shannon Calden to present the Transitional Kindergarten Update. California Education Code (EC) Section 8281.5 requires the implementation of Universal Prekindergarten for all four-year-olds beginning in the 2022-23 school year and continuing for the next four years. The legislation requires that nine hours of programming (combining instructional time and after-school enrichment time) be offered to students turning five. The State requires that districts consider five areas when developing the expanded Transitional Kindergarten program, and Santa Cruz City Schools has chosen to focus on vision and coherence, community engagement and partnerships, workforce recruitment and professional learning, curriculum, intervention and assessment, and facilities, services, and operations. This report was informational in nature and no actions were taken by the Board of Education regarding this matter.

8.5.1.2 Staff Report: California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress Assessment is given to students in grades 3 through 8 and grade 11 to gauge performance in English Language Arts, Literacy, Mathematics and Social Sciences, including the ability to write clearly, think clearly and solve problems. CAASPP scores are part of the California student assessment system, and scores are posted on the California Dashboard annually to determine both current ability and growth over time. Student performance data from 2016 through 2019 was provided, as well as preliminary data for 2022-23. Leadership and staff will study students' results to set program and plan goals based on areas of growth, and to celebrate areas of strength and build upon them. This report was informational in nature and no actions were taken by the Board of Education regarding this matter.

8.5.1.3 New Business: Expanded Learning Opportunities Program Grant (ELOP)

The Expanded Learning Opportunities (ELO) Grant provides districts the opportunity to provide supplemental instruction and support to students ranging from transitional kindergarten to sixth grade. "Expanded learning" means before school, after school, summer, or intersession learning programs that focus on developing academic, social, emotional, and physical needs and interests of students through hands-on engaging learning experiences. The Elementary District qualifies for \$1,300,000 in Expanded Learning Opportunities Funds. The State has not been clear about plan submission requirements; however, staff have prepared a plan for the ELO Grant and recommended Board approval. Trustees asked questions and had discussion.

MSP (Vestal / Coonerty) 6-0-1, the Board of Education approved the Expanded Learning Opportunities Program Grant; Trustee Ranii abstained

8.5.2.1 Staff Report: Food Service Update

Assistant Superintendent Monreal introduced Director of Food Service Amy Hedrick-Farr. Amy presented a report on the 2022-23 Food Service Program, including program achievements, participation, budget and 2022-23 goals. It is noteworthy that with new legislation allowing all students to eat for free that there was no need for a contribution to the food service budget in the 2021-22 school year. This report was informational in nature and no action was taken.

8.5.2.2 Staff Report: Bond Projects Update:

Assistant Superintendent Monreal introduced Ralph le Roux of 19six Architects, formerly MADI Architecture. Ralph le Roux presented an update on Measures A and B bond projects at Bay View Elementary, DeLaveaga Elementary, Branciforte Small Schools and Soquel High School. This report was informational in nature and no action was taken.

8.5.2.2 Discussion: Possible Items for Future Meeting Agendas

None.

PUBLIC COMMENTS

Union representatives Casey Carlson, Matt Bruner, and Jeanie Brown thanked our new Trustees for stepping into their new roles on the Board.

A group of teachers from Santa Cruz City Schools share their concerns about the lack of SCIA's available this fall. The

group expressed that the demands of the job and the extra work has had a negative impact on students and teachers alike. Teachers are advocating for the addition of in-house SCIA positions to help support the Special Education Department. Alyson Diebert, Jen Simington, Sara Hapner, and Ellen Semeniuk from Westlake Elementary and Jessica Hoffschneider, a Special Education Teacher from Soquel High School, spoke on behalf of their fellow teachers.

Allison Guevara, a parent and co-founder of Cradle to Career Santa Cruz County, shared gratitude and excitement for the new partnership with the district.

Martha Ceja from Cradle to Career will be the Community Organizer for the District and is looking forward to the work ahead.

SUPERINTENDENT'S REPORT

Superintendent's Report

Superintendent Munro started the report by thanking those who shared public comment. The current challenges that the teachers face have been communicated to the trustees, and the District is working towards a solution. The district is looking forward to starting the new partnership with Cradle to Career. Mrs. Munro took a moment to thank Jeanie Brown for her many years of service and dedication to the district serving as the SCCCE Union President and wishes her a wonderful retirement.

Superintendent Munro is excited to celebrate the new computer science grant with UCSC, elementary history and social science pilot kick-off, computer science week, and California Colleges Guidance Initiatives. New encompass clinicians are working with Medi-Cal students at six of our school sites, and all schools are following up with the students who were identified as high risk on the social emotional health survey. The district conducted a CatapultEMS drill at Santa Cruz High, meetings were held for the secondary counselors meeting, family engagement collaborative, and bi-monthly positive parenting groups. Incident command academy training is continuing with the County, 6 of the 7 trustees attended the California School Board Association Conference, and Culture of Service Trainings continue to be held at all sites. Soquel High School admin team planned a retreat. Measures K & L passed, and the District held Parcel Tax Oversight Committee and Budget Advisory Committee Meetings. There have been a lot of community partner meetings taking place. Santa Cruz Education Foundation Night at the Warriors was a successful fundraising event; we hosted our first prospective parent webinars and held the district English language advisory council meeting. Mrs. Munro had a meeting with new GOAL director Linda Bernabe, attended the Delta Board Meeting and hosted parent leader dinners. Several school sites participated in the Santa Cruz Holiday Parade. Superintendent Munro shared that COVID numbers are slightly rising and encourages everyone to stay healthy and well this evening.

Student's Report

Student Board Representative Eva Diop shared that Santa Cruz High School's basketball team played against Oakland. Students are preparing for finals and getting ready to apply for colleges. Winter Formal is being organized and will be held at Roaring Camp. The California School Board Association conference was a great experience and learning opportunity.

Student Board Representative Lynda Otero was out of town.

Student Board Representative Nevaeh Karraker thanked the board and district for the opportunity to attend the California School Board Association conference. Students are preparing for finals and feeling supported with the end of the semester. There is stress and anxiety from exam preparation. Harbor Boys Soccer Team remains undefeated. Students are eager to begin winter break and celebrate the holidays. Candy grams were available for purchase.

BOARD MEMBERS' REPORTS

Board Members' Reports

Trustee Meeker expressed deep appreciation for everyone in the meeting, the students, and the public. Trustee Meeker is looking forward to the opportunity to serve Santa Cruz City Schools.

Trustee Threet welcomed all new trustees and thanked everyone for stepping up. Trustee Threet attended Sam Rock Farms Farm-to-Table dinner and it was a wonderful event. Trustee Threet attended the California School Board Association conference and found it very insightful.

Trustee Grossman shared gratitude for starting a new term with Santa Cruz City Schools. Trustee Grossman found the California School Board Association conference informative and enjoyed the time to get to know the Board Members better.

Trustee Vestal appreciated the opportunity to attend the California School Board Association conference. Trustee Vestal attended the Delta Board Meeting and shared that it was a successful board meeting and that everyone is looking forward to the winter break. Trustee Vestal visited DeLaveaga Elementary School and received a tour from the principal.

Trustee Coonerty has been under the weather and has not had a chance to do much in the community. Trustee Coonerty shared the excitement for the public comment and appreciates the care and support the community shows for Santa Cruz City Schools.

Trustee Kelley thanked everyone for their warm welcome and expressed gratitude for the opportunity to attend the California School Board Association conference and found the offerings at the conference insightful and helpful.

Board President's Report

Board Vice President John Owen shared gratitude for the CTE committee and is pleased with the progress being made. Trustee Owen enjoyed attending the California School Board Association conference and getting to know the new Trustees better. SANTA CRUZ CITY SCHOOL DISTRICT

AGENDA ITEM: 2nd Quarter Williams Report

MEETING DATE: January 11, 2023

FROM: Dorothy Coito, Assistant Superintendent of Educational Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve the Williams Complaint 2nd Quarter Report for 2022-23.

BACKGROUND:

According to Education Code and the District's Administrative Regulation on the Williams Uniform Complaint Policy, school districts must submit quarterly reports to the County Office of Education of all complaints filed in the areas of insufficient instructional materials, teacher vacancy or misassignment, and inadequate facilities.

Upon contacting each school site, it has been verified that there have been no complaints for the third quarter of the school year, which ended December 31, 2022. The accompanying report has been created to show that the district did not receive any complaints this quarter.

FISCAL IMPACT:

None

This work is done in support of the following district goals and their corresponding metrics:

Goal #1: All SCCS students will be prepared to successfully access post-secondary college and career opportunities.

Goal #5: SCCS will maintain a balanced budget and efficient and effective management.

SANTA CRUZ CITY SCHOOL DISTRICT

AGENDA ITEM: Overnight Field Trip Request: Soquel High School

MEETING DATE: January 11, 2022

FROM: Dorothy Coito, Assistant Superintendent of Educational Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve the overnight field trip request for students members of the Soquel High School Model United Nations Team to travel to the University of California, Santa Barbara to compete in their High School Gaucho Model United Nations conference from February 4, 2023, to February 5, 2023.

BACKGROUND:

While at the convention, students will participate with other high school students for two days of political debate and discussion over global politics and other relevant world issues. Panels at the convention are moderated by members of the University of California, Santa Barbara Model United Nations team.

The trip will be attended by ten students, two chaperones, and one staff member. Students will leave after classes on Friday February 3rd, travel to Santa Barbara by van, and return to Santa Cruz on Sunday February 5th. They will stay at the Town & Country Inn in Santa Barbara, California for the night of February 3rd, and the night of February 4th.

The Soquel High School Model United Nations is a club that is open to all students. Model United Nations is a simulation of the United Nations General Assembly and its other multilateral bodies where students perform an ambassador role while debating topics such as gender equality, climate action, global health, and more. Model UN simulations follow five key stages:

- Research: Students research assigned topics, countries, and committees
- Debate: Students make speeches to explain their country's policy on the topic
- Negotiate: Students meet with one another to form small groups and work together
- Resolutions: Students write out the problems they want to solve and their proposed solutions
- Action: Students vote on their resolutions

By participating in Model United Nations, students involved themselves in learning about:

- What are the biggest challenges facing the world today
- How to be more self-confident, especially with public speaking
- How to interact with other people who come from different backgrounds and perspectives

AGENDA ITEM: 8.1.1.2

- How to work as a team to achieve shared goals
- How to take action to solve problems, on a local, national, and global scale

Trip Itinerary:

Friday March 6:

Students will meet in the front parking lot of Soquel High School at 3:30 pm

3:30 pm- Meet with drivers and begin caravan to Santa Barbara, California

7:30/8:00 pm - Check-in at Town and Country Inn in Santa Barbara. Students will be assigned into respective rooms and will remain at the hotel for the night

Saturday March 7:

8:00 am - Wake up and breakfast at hotel

8:30 am - Call time for central meeting at hotel lobby, head over to Conference

9:30 am to 9:50 am - Opening Ceremonies

10:00 am to 1:00 pm - Conference morning sessions

1:00 to 2:30 pm - Lunch

2:30 pm to 5:30 pm - Afternoon sessions

5:30 to 8:00 pm - Dinner

8:00 - 10:00 pm - Optional University of California, Santa Barbara sponsored evening mixer.

Students will need to RSVP with chaperones PRIOR to Dinner to schedule evening pickups.

If not attending evening mixer

8:15 pm - Meet in front of Conference HQ and take transit back to hotel.

9:00 pm - Night Check in with Chaperones at hotel lobby

If attending evening mixer

10:15 pm (if attending mixer) - Meet in front of Conference HQ and take transit back to hotel.

10:30 pm - Night Check in with Chaperones at hotel lobby

Sunday March 8:

8:00 am - Wake up and breakfast at hotel

8:30 am - Call time for central meeting at hotel lobby, check-out of Town and Country Inn, head over to Conference

9:00 am to 9:50 am - University of Santa Barbara Campus Tour - led by members of the University of Santa Barbara Model United Nations Team

10:00 am to 1:00 pm - Conference morning sessions

1:00 to 2:30 pm - Lunch

2:30 pm to 5:30 pm - Afternoon sessions

FISCAL IMPACT:

\$1,916 Soquel Associated Student Body funds (Restricted)

This work is in direct support of the following District goals and their corresponding metrics:

Goal #1: All Santa Cruz City Schools students will be prepared to successfully access post-secondary college and career opportunities.

Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social emotional well-being of all students.

Goal #3: We will eliminate the achievement gaps that currently exist between demographic groups within the SCCS student community.

Goal #6: SCCS will maintain strong communication and partnership with its diverse community.

SANTA CRUZ CITY SCHOOL DISTRICT

AGENDA ITEM: Purchase Orders, Bids, and Quotes

MEETING DATE: January 11, 2023

FROM: Jim Monreal, Assistant Superintendent, Business Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve the purchase orders, quotes, bids, and proposals from December 1, 2022 through December 19, 2022.

BACKGROUND:

A detailed report is attached, listing purchase orders, quotes and bids that require Board approval prior to release to vendors or ratification within 60 days as allowed by Education Code 17605.

The following definitions are provided to clarify the differences between purchase orders, quotes, and bids:

Purchase Orders:

All purchases shall be made by formal contract or purchase order or shall be accompanied by a receipt. The Superintendent or designee may create a "blanket" or "open" purchase order system for the purchase of minor items as needed from a vendor.

Quotes:

For the purchase of materials and supplies between \$15,000 and \$60,000 more than one quote is required and may be verbal or written. When purchases will be \$15,000 to \$99,100 for contracted work other than Public Works Projects and \$60,000 to \$99,100 for materials and supplies, several vendors are contacted for written quotes/proposals. This process, though not as rigorous as a bid, ensures that the District has involved more than one vendor and will secure a competitive price.

Bids/RFP:

A formal process including advertising to notify prospective bidders, distribution of written specification regarding the work or materials, and compliance with legal guidelines for bidding, must be followed for contracted work other than CUPCAA Public Works Projects projected to cost \$109,300 and over, or for materials and supplies in the sum of \$109,300 or over unless a Cooperative Purchasing Agreement is being utilized under PCC 20118. Under CUPCAA contracts may be awarded up to \$60,000 without additional quotes. Informal bidding procedures are followed for Public Works projects from \$60,000 to \$200,000 and a formal bid process occurs for Public Works projects over \$200,000 (PCC 20117(B), 20651(B)). Bids are

AGENDA ITEM: 8.1.2.1

solicited from a wide pool of prospective vendors, thus assuring that when the award is made to the lowest responsible bidder and that the District receives the best price available.

This work is in direct support of the following District goal and its corresponding metrics:

Goal #5: SCCS will maintain a balanced budget and efficient and effective management.

AGENDA ITEM: Bond Project Notice of Completion
MEETING DATE: January 11, 2023
FROM: Jim Monreal, Assistant Superintendent, Business Services
THROUGH: Kris Munro, Superintendent

RECOMMENDATION:
Accept one Bond project notice of completion.

BACKGROUND:
This work has been inspected and complies with the plans and specifications of the vendor contracts. The District has determined that this project is complete. The Board is asked to accept the completion of this project by approving the attached Notice of Completion, which will be duly filed with the County. In order to comply with Public Contract Code, this Notice of Completion must be made official so that we can pay the contractor by the required timelines and not incur financial penalties.

AGENDA ITEM: Revision to SpeechRighter contract

MEETING DATE: January 11th, 2023

FROM: Dorothy Coito, Assistant Superintendent of Educational Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve the revision of the attached Nonpublic Agency Master Contract to include new and continuing services for students with Individualized Education Plans through the 2022-2023 school year. *Due to the confidentiality regulations that protect the identity of students with disabilities, the student names have been omitted.*

BACKGROUND:

In June 2022, a contract with SpeechRighter was approved to provide Speech and Language Therapy and Occupational Therapy to sixty-four students in Special Education during the Extended School Year (ESY) time period.

On August 31, 2022 a contract with SpeechRighter was approved to provide Occupational Therapy to thirty-seven students whose Occupational Therapist was out on medical leave. These services are mandated by each of the students' Individual Education Plan (IEP).

On October 19th, 2022 a revision to the August 31, SpeechRighter contract was board approved to add speech services for 11 private school students as per their Individualized Service Plans (ISPs).

Revision January 11, 2023 : This revision adds required Speech and Language and Occupational Therapy services for ninety-seven additional students in the same time period (2022-2023 school year). These students are being provided by an Occupational Therapist and Speech Pathologist who are both going out on maternity leave after winter break. These positions were flown for internal and external candidates and were not filled; therefore we must contract for these services.

FISCAL IMPACT:

Revised: Total cost increased by \$94,416.67 now not to exceed \$170,338.71.
Special Education (Restricted)

AGENDA ITEM: Career Technical Education Computer Lab Replacement

MEETING DATE: January 11, 2023

FROM: Dorothy Coito, Assistant Superintendent of Educational Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve the annual CTE Computer Lab Replacement.

BACKGROUND:

Santa Cruz City Schools has 4 Career Technical Education computer labs. These labs are used for Arts, Media, and Entertainment computer-based Career and Technical Education courses. The labs are used all day, every day by 100 - 150 students per year, depending on the high school. Because of this heavy use and the inevitable slow down and issues that arise over the years, these computer labs are on a rotating schedule for replacement, one gets replaced each year. The funds used to replace these labs come from the Career Technical Education Incentive Grant (CTEIG). The current lab up for replacement is the Soquel High Multimedia Lab.

One computer lab consists of the following items:

- 31 Apple desktop computers
- 31 wireless mice
- 31 keyboards
- 4 year Apple Care
- 3 year Apple management license (for district oversight, updates, etc.)

FISCAL IMPACT:

72,200.78 Career Technical Education Incentive Grant (Restricted)

This work is in direct support of the following District goals and their corresponding metrics:

Goal #1: All Santa Cruz City Schools students will be prepared to successfully access post-secondary college and career opportunities.

Goal #3: We will eliminate the achievement gaps that currently exist between demographic groups within the SCCS student community.

Goal #4: We will develop a highly collaborative, professional culture focused on supporting effective teaching.

Project: Solar Photovoltaic Systems Project at Various Schools
Santa Crus City Schools
Santa Cruz, CA 95060

Subject: Proposal for Construction Inspection and Materials Testing Services

Dear Mr. Garcia:

We appreciate the opportunity to submit this proposal for special inspection and material testing services for the Solar Photovoltaic System Projects located at various schools in, Santa Cruz, California. This proposal presents our understanding and a brief description of the project, our scope of services, our estimated fees, scheduling details, our assumptions, exclusions, and closing statements.

Moore Twining Associates, Inc. (Moore Twining), established in 1898, has provided engineering and testing services for more than 120 years. Moore Twining is a multi-disciplined engineering and testing firm providing geotechnical, environmental, construction inspection, materials testing, analytical chemistry, and drilling services. Moore Twining is certified as a Disabled Veterans Business Enterprise (DVBE) by the Office of Small Business & Disabled Veteran Business Enterprise Services (OSDS). Our DVBE certification number is 16472. Our firm is certified by the State of California Division of State Architect (DSA), Laboratory Evaluation and Acceptance Program (LEA #065 Fresno, #200 Sand City, #201 Sacramento and #278 Riverside). Our firm is also approved as an inspection agency by the American Association of State Highway Transportation Officials (AASHTO), the State of California Department of Transportation (CALTRANS), the Cement and Concrete Reference Laboratory (CCRL) and the City of Los Angeles. Moore Twining also participates in various professional organizations.

Moore Twining has the qualifications and the experience that are required to provide the materials testing and special inspections services for this project.

PROJECT DESCRIPTION

The proposed project will consist the construction of a solar photovoltaic roof mount and carport system at various schools throughout the Sant Cruz City School District.

SCOPE OF SERVICES

The scope of testing and inspection services for the project were based upon the requirements of the project plans. It should be noted that a construction schedule was not provided at the time this proposal and fee estimate were prepared.

Based on our review of the project documents, our services will consist of the observation and testing of earthwork, structural concrete, post-installed anchors, and structural steel. A detailed description of the testing and inspection services that are anticipated for this project is provided below.

Earthwork

Based on the project documents provided to our firm, the earthwork for this project consists of observation of drilled piers for the column footing for the carport system. It is being assumed that trenching is being performed for utilities; therefore, our scope of work will include trench backfill testing

During earthwork construction, our scope of services will include observation and testing of the drilled piers and during backfill of utility trenches as well as subgrade and aggregate base preparation. In addition, in-place moisture and density tests will be performed in accordance with ASTM D6938 to determine if subgrade and fill materials have been prepared, placed and compacted in conformance with the project documents. Samples of the subgrade soils and aggregate base material will be tested to determine the maximum dry density and optimum moisture content in accordance with ASTM D1557 test procedures.

Note that it has been assumed that our firm would not be required to assume the role of geotechnical engineer of record. If these services are required, an additional fee estimate/proposal for geotechnical engineering investigation will be required to be prepared.

The tasks related to earthwork observation and testing, and their estimated durations are presented in Table 1 for each project.

Cast-In-Place Concrete

The cast-in-place concrete for this project consists of reinforced concrete columns for the carport canopy system as well as concrete for the equipment pads.

Our scope of services will include continuous observations during the placement of structural concrete and sampling and testing of concrete. It is assumed one set of four (5) 4-inch by 8-inch concrete cylinders will be cast for each 150 cubic yards or fraction thereof, for each day that the concrete is placed. The cylinders will be transported to our laboratory and tested for compressive strength. One cylinder will be tested at 7 days, three cylinders will be tested at 28 days, and one cylinder will be held and tested at 56 days if the required compressive strength is not met at 28 days. Slump and temperature will be performed at the truck at the time the compressive strength samples are taken.

It should be noted that DSA IR 17-10 has modified how the material ID, sampling and tagging of the reinforcing steel is to be performed. Based upon the changes noted in this document, the number of trips required to perform the material ID and sampling has doubled, as the DSA IR 17-10 now requires the reinforcing steel to be tested in the laboratory and found to be meeting the project requirements prior to the second trip to tag the reinforcement for shipment to the job site.

It should also be noted that concrete batch plant inspections are exempted from DSA-103's for each project.

The tasks related to the cast-in-place concrete observation and testing and their estimated durations are presented in Table 1 for each project.

Post-Installed Anchors

Post installed mechanical concrete anchor and drilled and epoxied dowel are anticipated for this project.

Our scope of services will include observation for the type and size of the anchors, as well as the diameter, depth, and cleanout of the drilled holes for post-installed anchor bolts.

The tasks related to the post-installed anchors and anchor bolts observation and testing, and their estimated durations are presented in Table 1 for each project.

Structural Steel, High-Strength Bolts, and Welding

The structural steel for this project consists of the columns and beams being fabricated at a welding shop and erected on site. It should be noted that shop welding will be done at M Bar C Construction in San Marcos, CA

It should be noted that no shop welding construction schedule was available at the time this proposal was provided.

Our scope of services includes observation and inspection of the erection of structural steel and welding inspections at the job and at the fabrication shop for the proposed project. The following have been assumed for the shop fabricating steel.

- The shop will operate Monday to Friday from 7:00 AM to 3:30 PM;
- The shop will be fully staffed to perform the work for the project; and
- The shop will not have a second shift during fabrication.

Our scope of services includes the periodic inspection of high strength bolts will be tested and inspected to be snug tight on site.

The tasks related to the structural steel observation and testing, and their estimated durations are presented on table 1 for each project.

PROJECT COORDINATION, REVIEW, ENGINEERING SUPPORT, AND REPORTING

In addition to the testing services described above, our firm will also provide engineering support. This support would include reviewing material submittals or certificates of compliance when requested, reviewing inspection reports, reviewing laboratory testing reports, and preparing a final report indicating if the work and materials used to construct the project, that were included in our scope of services, are in conformity with the requirements of the project documents.

A Project Manager will be assigned to the project for the services provided by Moore Twining. The Moore Twining Project Manager is solely for managing the services provided by Moore Twining and is not related to any aspect of the actual construction which is the responsibility of the General Contractor. To the extent possible, Moore Twining will have one primary inspector, who is qualified to perform the required testing, assigned to the project to provide continuity and quality assurance for the project. Our Project Manager will work closely with the District to dispatch the inspectors to the job site when they are needed, verify that the dispatched inspectors are certified to perform the required testing, verify that the required testing is being performed, and verify that deviations are being recorded and tracked until resolved.

A critical part of any inspection for projects is the ability to track and verify correction of structural discrepancies. A “Log of Discrepancies” will be maintained. This log is used to track discrepancies and verify these discrepancies are addressed during construction. If a discrepancy requires an RFI or design change, the discrepancy may need to be tracked for some time.

The tasks related to the project coordination, review, engineering support, and reporting and their estimated durations are presented on table 1 for each project.

ESTIMATED FEES

Our estimated fee to provide the testing and inspection services described in this proposal are presented in the following table.

Our understanding of the De Laveaga Elementary School project is based on a review of the plans and documents listed below:

It should be noted that a construction schedule was not provided at the time this proposal and fee estimate were prepared. It should also be noted that the total fee for our services is directly influenced by the construction schedule, weather conditions, scheduling by the Client, efficiency of the contractor and subcontractors performing the work and other factors outside our control; thus, our fees could be more or less than estimated. Since these items are beyond our control, our services will be provided on a time and materials basis and the estimated fee presented in this proposal should serve as a budget estimate for these services. Moore Twining will only charge for those services performed and billed in accordance with the

fees and invoicing section of this proposal. Our firm will notify you of any scope changes that occur during the course of the project if these scope changes increase our fees.

Please note that it has been assumed that there would be no over-time or weekend work for this project and therefore over-time and weekend work have been excluded from our fee estimate.

FEES AND INVOICING

It is our understanding that **this project is subject to State of California prevailing wage** requirements for work performed on-site and off-site. Our fees are based on two-hour minimum billing and two-hour increments thereafter for inspectors, field technicians and engineers portal-to-portal. The rates presented in Table 1 are based on 8-hour workdays, Monday through Friday. Overtime (beyond eight hours per day or after forty hours in five days per week) or premium (including Saturdays) is billed at 150% of our stated hourly rates. Double-time (beyond 12 hours per day) and Sundays or holidays will be billed at 200% of our stated hourly rates. If additional testing is required beyond the scope of this proposal, those services would be billed in accordance with our current 2022 Prevailing Wage Fee Schedule.

An itemized listing of the tests and inspections performed will be provided on each invoice. Payment is due on the 10th of the next succeeding month following the date of invoice and is considered past due thereafter. A finance charge of 1.5% per month service charge (18% per annum) may be assessed on past due accounts.

DELIVERABLES

Moore Twining will provide a daily field report for each day that an inspection is performed at off-site fabrication shops and on the project site. These reports will be followed by reports signed by the project manager and/or project engineer. Laboratory reports will be provided for the materials tested in the laboratory. These reports will be signed by the Laboratory Manager.

Moore Twining will provide a daily field report for each day that an inspection is performed on the project site. These reports will be followed by reports signed by a registered engineer. In addition, DSA forms, such as DSA Form 291 and 293, will be issued as required for the project upon notice by the Project Inspector.

Copies of reports will be sent to the Santa Cruz City School District and others as directed by Santa Cruz City School District and uploaded to the DSA BOX for this project.

PRECONSTRUCTION MEETING

It is recommended that a preconstruction meeting be held with the client, the architect, the structural engineer, the general contractor, and the testing laboratory to discuss the details of scheduling, reporting, invoicing, and other issues affecting the project.

SCHEDULING

It is our understanding that a representative of Santa Cruz City Schools District or the Contractor will be responsible for scheduling the testing and inspection services for the project. Moore Twining can only be responsible for those inspections and tests our firm is notified of either by facsimile or electronic mail. To provide for your schedule, our firm should be notified at least one week prior to the start of construction and a 48-hour notice before each testing and/or inspection event is requested. Inspection services can be scheduled by contacting our Central Coast California office at (831) 392-1056.

NOTIFICATIONS AND EXCLUSIONS

The following items were excluded from our scope of services and our fee estimate:

- Retests, re-inspections, standby time, and cancellations without proper notice;
- Modifications or changes to the project and/or construction schedule after the date of our proposal;
- Inspections and testing of precast concrete;
- Asphaltic concrete inspections and testing;
- Testing of unidentified materials;
- Installation Inspections or Testing of Underground Utilities;
- SWPPP Inspections and monitoring;
- Inspection of landscaping and irrigation systems;
- Inspection and testing of mechanical systems;
- Inspection and testing of electrical systems;
- Testing of Concrete Trial Batches;
- Inspection and Testing of On-Site PCC Pavements;
- Floor Flatness and Levelness Testing;
- Slip Resistance testing;
- Providing access to all construction elements requiring inspection; and
- Any items not so indicated in this proposal.

If any of these items are required during the course of the project, upon request, we can provide the aforementioned services and provide associated fees. Moore Twining is a full-service testing and inspection firm capable of meeting your needs on this project. Our estimated fee assumes the contractor will provide access to all construction elements requiring inspection at the time requested by our firm. The contractor is solely responsible for job site safety including excavation safety, support, etc.

CLOSING REMARKS

We encourage you to consider our firm's full-service capabilities and relevant project experience as you proceed with your selection process. It is understood that if this proposal is found to be acceptable, Motive Energy Inc. will provide a Professional Service Agreement for our services and return it to our firm to execute. Should you have any questions or comments, or if we may be of any service to you, please contact us at (831) 392-1056.

We sincerely appreciate the opportunity to provide this proposal and look forward to working with Santa Cruz City Schools District on this project. Should you have any questions, Mr. Hugo Rodriguez can be reached by email at Hugor@mooretwining.com or by cell phone at (831)-750-4241.

AGENDA ITEM: Premier Inspection Services Proposal for Solar Photovoltaic System Inspections

MEETING DATE: January 11, 2023

FROM: Jim Monreal, Assistant Superintendent, Business Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve Premier Inspection Services proposal for Inspector or Record Services for solar photovoltaic system.

BACKGROUND:

This proposal consists of onsite inspections of the solar photovoltaic systems at Gault Elementary, DeLaveaga Elementary, Bayview Elementary, and Branciforte Middle School as required by the Division of the State Architect as part of the energy services agreement with Climatec that was approved in October 2022. This is an hourly estimate based on an estimated project timeline.

Energy Services Agreement	\$6,586,457 (approved & budgeted BofA loan)
Solar Panel Design	\$254,931 (approved & budgeted CalCSHAPE)
Testing & Inspections	\$54,986.50 (agenda item 8.2.1)
DSA Inspector	\$118,405 (this agenda item)
Estimated Total	\$7,014,779.50

FISCAL IMPACT:

\$118,405.00 Total Elementary & Secondary Redevelopment Agency Fund (Restricted)

Cost Breakdown by Site:

\$14,595.75 DeLaveaga Elementary School

\$12,998.25 Branciforte Middle School

\$13,305.50 Bay View Elementary School

This work is in direct support of the following District goals and their corresponding metrics:

AGENDA ITEM: 8.2.2.

Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social-emotional well-being of all students.
Goal #5: SCCS will maintain a balanced budget and efficient and effective management.
Goal #6: SCCS will maintain strong communication and partnership with its diverse community.

RE: Solar Projects (A#01-120347, 01-120348, 01-120426, and 01-120427)

We submit this proposal for your consideration for DSA Class 2 Inspection Services for the solar projects at 4 different sites (A#01-01-120347, 01-120348, 01-120426, and 01-120427).

Billed time not to exceed an estimated maximum of **1,030 hours (\$118,450)**.

These are estimated fees, based off of 8 months of construction, with 6 hour work days for our IOR. Estimated construction duration at the time of this proposal is February through September of 2023.

Fees will be billed hourly at:
\$115.00/hr Monday through Friday
\$172.50/hr (time and a half), Saturdays
\$230.00/hr (double time), Sundays and Holidays

I will be your primary contact person for this submittal. If you have any questions, please do not hesitate to contact me directly at my cell (818) 279-1492, by email at shelby@preminspect.com.

AGENDA ITEM: Best Contracting Services, Inc. Change Order #1 for Harbor High School Gym Reroof

MEETING DATE: January 11, 2023

FROM: Jim Monreal, Assistant Superintendent, Business Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve Best Contracting Services, Inc. change order #1 for Harbor High School gym reroof.

BACKGROUND:

This change order consists of labor and materials to raise the elevation at the edge of the roof and adjust existing drains for better drainage on the gym roof. After the old roofing was stripped, it was determined that additional elevation was needed to ensure adequate slope to support swift drainage around the HVAC systems. The change order also includes a 10-day extension changing the completion date from February 26, 2023, to March 8, 2023. The previously approved contract amount was \$311,533.00 and the new total contract, including this change order, will be \$394,681.00.

FISCAL IMPACT:

Change Order #1 \$83,148.00 (26.68% increase to the contract), Measure A Funds (Restricted)

This work is in direct support of the following District goals and their corresponding metrics:

Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social-emotional well-being of all students.

Goal #5: SCCS will maintain a balanced budget and efficient and effective management.

Goal #6: SCCS will maintain strong communication and partnership with its diverse community.

AGENDA ITEM: Staff Report: Local Control and Accountability Plan Update:
English Learner Master Plan Implementation

MEETING DATE: January 11, 2023

FROM: Dorothy Coito, Assistant Superintendent of Educational Services

THROUGH: Kris Munro, Superintendent

BACKGROUND:

The English Learner (EL) Master Plan was developed over the course of the 2021-22 school year with input from parents, teachers, administrators and students. The purpose of the EL Master plan is to act as a reference guide. It outlines the District's methods for adherence to Federal and State requirements, as well as explains systems of support for English Learners. Additionally, the EL Master plan codifies the district commitment to support for Multilingual students. The current EL Master Plan was board adopted in June 2022 and runs through 2027.

Here is a link to the complete [EL Master Plan](#).

There are four areas of importance in the plan:

1. Identification, placement and reclassification of students
2. English Learner instructional program
3. Family and Community engagement
4. Monitoring, Evaluation and Accountability.

For the 2022-23 school year, there were specific actions identified as next steps for improving services for our English Learners.

Identification, Placement and Reclassification:

GOAL: Students will complete the Road to Reclassification activity two times per year

In 2021-22, Branciforte Middle School students piloted a goal-setting process that was called the Road to Reclassification. They learned the reclassification criteria, their own assessment results, and set goals for moving towards reclassification. The response from students was overwhelmingly positive.

Update:

- All middle school students are now doing this goal setting process
- 4th and 5th grade students will complete their first round of goal setting in the Spring.
- In future years, 3rd grade and high school students will also complete the activity.

AGENDA ITEM: 8.5.1.1

GOAL: Refine the intake process to better support student placement

Evaluation of programs showed that there are issues with students transitioning from feeder districts to SCCS High Schools and Middle Schools. There was no process in place to ensure that English Learner data was shared prior to the students enrolling in school. Fixing this issue is key to supporting English Learners.

Update:

- Learning and Achievement directors are meeting with feeder districts to understand their processes, and to ensure that there is a process of transferring data prior to the start of school.
- Community Coordinators will reach out to English Learner Advisory Councils (ELAC) at each school to provide transition information.

Instructional Programs

GOAL: Professional development in Designated and Integrated English Language Development (D-ELD and I-ELD) instruction

The evaluation process identified that teachers needed more training on how to integrate English language Development (IELD) into all content areas, and how to provide Designated English Language Development (DELD) as required by law.

Update:

- All teachers had professional development on best practices in teaching English learners at the August, October, and January professional development days.
- Middle School sites continue their work with WestEd to improve their instruction for English Learners.
- The English Language Development Teacher on Special Assignment (ELD TOSA) is providing continuing support to elementary sites.

GOAL: Refine Designated English language Development model at elementary sites

Designated English Language Development means that English Learners are instructed in the English Language Development standards daily. Evaluation indicated that this was not always occurring regularly in elementary classrooms.

Update:

- The English Language Development Teacher on Special Assignment (ELD TOSA) is working with elementary teachers on how to ensure there is designated ELD instruction.
- All elementary sites have Designated ELD on weekly schedules for students.
- Administrators are monitoring to ensure teachers are following schedules.
- Lexia English was purchased to support Designated ELD instruction. The program gives students individual practice on their own needs, and groups students and provides lessons for teachers to deliver in Designated ELD instruction.

Family and Community Engagement:

GOAL: Parent Education on reclassification requirements and course pathways

EL parent input indicated that they did not feel they really understood what the requirements were for their students to reclassify and what their options were for classes in high school.

Update:

- District English Learner Advisory Committee (DELAC) meetings are being used to train parents as “experts” on different subjects, such as reclassification. They participate in learning about a topic, and then take that learning back to their site English Learner Advisory Committee (ELAC) meetings.
- Parents have identified topics they would like more information about, and sites are using ELAC meetings to address these topics.

GOAL: Regular instruction for EL parents on accessing school information

Parents indicated that they had a difficult time accessing school information and resources.

Update:

- Held parent breakfasts in August where parents could get a Chromebook for their student if they learned how to use it to access school information.
- Held registration fairs to support parents in accessing information and updating registration data.
- ELAC meetings also include instruction on accessing and understanding school data.

GOAL: Multilingual (MLL) Parent Leadership Team

Parent input suggested that EL parents who are familiar with school processes and policies are the best persons to help their neighbors learn. There was a desire to create a MLL Parent Leadership Team.

Update:

- As the Cradle 2 Career project kicks off, it will be a part of creating this leadership team.

Monitoring and Evaluation

Goal: Implement the Multilingual Learner evaluation tool

Part of the EL Master Plan is an evaluation tool to monitor implementation of the plan. The tool is new to the district and needed to be introduced.

Update:

- All Santa Cruz Instructional Leaders (SCIL) teams evaluated their site based on the evaluation tool.
- All sites identified areas of improvement, and set goals for professional development and follow-up at their sites

- Principals are revisiting the tool three times per year with staff to ensure progress monitoring.

GOAL: Refine the Language Review Team (LRT) practices

In developing the EL Master Plan, it became apparent that there were some differences in how sites were monitoring their EL student progress. Forms and processes were standardized across the district.

Update:

- Response to Intervention (RtI) coordinators (elementary) and Assistant principals were trained in the Language Review Team (LRT) process and new forms.
- Sites are monitoring Reclassified English Learners (RFEP) as well as English Learners, to ensure that reclassified students are continuing to make progress.
- Student achievement is being monitored in all areas, not just English Language Arts, to make sure students are being successful.

FISCAL IMPACT:

\$85,000 Title III (restricted)	ELD Teacher On Special Assignment
\$47,000 ESSER2 (restricted)	Professional Development
\$10,000 LCFF Base (unrestricted)	DELAC/ELAC Meeting Supplies

This work is in direct support of the following District goals and their corresponding metrics:

Goal #1: All Santa Cruz City Schools students will be prepared to successfully access post-secondary college and career opportunities.

Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social emotional well-being of all students.

Goal #3: We will eliminate the achievement gaps that currently exist between demographic groups within the SCCS student community.

Goal #4: We will develop a highly collaborative, professional culture focused on supporting effective teaching.

Goal #6: SCCS will maintain strong communication and partnership with its diverse community.

English Learner Master Plan Update

Introduction

Statement from Superintendent

It is my honor to serve a school district with a student body that is rich in its diversity. Our first district goal is to ensure all students are college and career ready. Readiness for college and career means mastering a rigorous course of study, building both skills and knowledge. For our English Language Learners, we expect mastery of that rigorous course of study in addition to mastering a new language.

Almost a third of our students come into our classrooms speaking a language other than English. Just like every other parent, our immigrant parents send their children to kindergarten with many assets, including their home language and cultures, and with dreams for their children's future. Our English Learner parents put their faith in our educational team to ensure their children's success.

In SCCS, we believe that all students can learn at high levels, no matter their language proficiency, and it is our commitment to engage every child, every day in that endeavor. Our dedicated teachers, classified staff, supportive community, and hard working parents make SCCS a community that can ensure every student succeeds.

The English Learner Master Plan sets the course for creating a system to meet our goals. The plan is designed to support our efforts by providing our team the training, curriculum, and resources needed to meet the varied needs of our diverse language learners, including students with strong educational backgrounds in their first language, refugees fleeing violence in their homelands, and unaccompanied minors with interrupted formal schooling.

The English Learner Master Plan represents our unwavering commitment to support every English Language Learner to develop the language skills, academic competencies, and habits of mind to achieve their dreams. We are on the cusp of new opportunities to dramatically improve the experience and outcomes of all English Language Learners. I am excited to partner with the community in this effort.

~ Kris Munro, Superintendent Santa Cruz City Schools

Rationale for the English Learner Master Plan

Multilingual Learners, or students who are developing proficiency in multiple languages, are an important part of Santa Cruz City Schools. Historically, the labels referring to students who speak a language other than English upon entering US schools have been deficit-based. For instance, “Limited English Proficient” is the federal designation, but it ignores students’ rich, native language backgrounds. “English Learner” is used by the state of California to refer to students entering California schools speaking a language other than English, and also comes from a deficit model. It focuses on what students are lacking and what they need; they need to learn English. The term Multilingual Learner is asset based, as the term recognizes that the students know more than one language. This asset-based language is supported by the California Department of Education English Learner Roadmap as well as the most recent publications on best practices for supporting Multilingual Learners.

Multilingual Learners are any students within our system who are learning two languages. The English Learner Master Plan is designed to support students who have not yet reclassified as English proficient. These students are termed English Learners (ELs) by the state and are a specific subset of our Multilingual Learner student group. The intent of the English Learner Master Plan is to 1) serve as a quick reference guide to help the community and staff find information on District practices to support MLLs, 2) codify our commitment to ELs and 3) provide the system and requirements for supporting ELs in making adequate annual progress.

This plan also outlines the district’s adherence to all federal and state legal requirements as they relate to serving Multilingual Learners who have not yet reclassified (ELs).

Mission and Vision for English Learners

Multilingual Learners who have not yet reclassified as English proficient (ELs) comprise 20% of Santa Cruz City Schools’ elementary student population and 8% of Santa Cruz City Schools’ secondary student population. While many of our ELs are thriving in our school system, district-wide data indicates ELs are consistently one of the lowest performing student groups on nearly all academic performance indicators. The EL Master Plan is the district action plan for addressing these inequities and ensuring we are meeting our EL students’ needs and ultimately improving the education of our Multilingual Learners. This plan builds upon our district vision, core values, and strategic goals to chart a course specific to the needs of our MLLs within our district’s mission: to create a learning environment that challenges and enables students to achieve their highest potentials. Santa Cruz City Schools, with our committed staff, supportive community, and engaged families, is well poised to join districts that are changing the narrative for ELs.

- We believe it is our responsibility to provide each child what she or he needs to reach her or his highest potential and to address the implicit bias in our schools.
- We believe English Learners, given the right support, can achieve at high levels and graduate college, career, and community ready.
- We believe students’ home language and culture are assets that we must leverage for their own learning and that of their community.
- We believe all educators in our system are responsible for our English Language Learners.

Multilingual Learners language group definitions

English Learners (EL): Students in transitional kindergarten through grade 12 with a primary language other than English, whose English proficiency upon enrolling in school dictates a need for support to access instruction in English and develop English proficiency.

Subcategories of ELs are:

- **Newcomer:** An EL who was not born in the U.S and has been in U.S. schools for 3 years or less. Newcomers should receive the most intensive support in years 1 and 2, but should be monitored for up to four years.
- **Long-term English Learner (LTEL):** A student who has been classified as an EL for more than 6 years.
- **EL at risk of becoming an LTEL:** An EL who has been enrolled in US schools more than 3 years but not more than 6 years, that is not demonstrating adequate progress.

Initially Fluent English proficient (IFEP): TK-12 students with a primary language other than English who demonstrate proficiency in English upon enrolling in school.

Reclassified Fluent English proficient (RFEP): TK-12 students who were initially identified as English learners upon enrolling in school, but have since achieved English proficiency.

Who are our Multilingual Learners?

Santa Cruz City School District is comprised of the Santa Cruz High School District and Santa Cruz Elementary District. Both districts are served by the same Board of Trustees. We have 5 elementary schools that serve TK-5, 2 middle schools that serve 6th -8th grade, 3 comprehensive high schools, 2 alternative high schools and a homeschool program.

MLLs comprise about 30% of our total student population. There are 22 languages other than English spoken in the district. Spanish is the most common and is spoken by 94% of our MLLs. The remaining languages are a variety of European and Asian languages.

Table 1 details the enrollment for MLLs at each of our district schools. There is a wide range in the number of MLLs at any given site, which requires sites to respond in different ways to meet the needs of their English Learners.

Process and Participants

This plan is based on input from teachers, district and site administrators, parents of Multilingual and English Learners, as well as from our Multilingual and English Learner students themselves. This plan is also grounded in the most up to date information and research on educating Multilingual and English Learners including:

- *California English Learner Roadmap: Strengthening Comprehensive Educational Policies, Programs, and Practices for English Learners*, a California Department of Education publication, 2017
- *Improving the Education of Multilingual & English Learner Students: from Research to Practice*, a California Department of Education publication, 2020
- *The English Learner Master Plan Playbook*, from the University of Loyola Marymount University Center for Equity for English Learners, 2021

District Goals for Multilingual Learners and EL programs

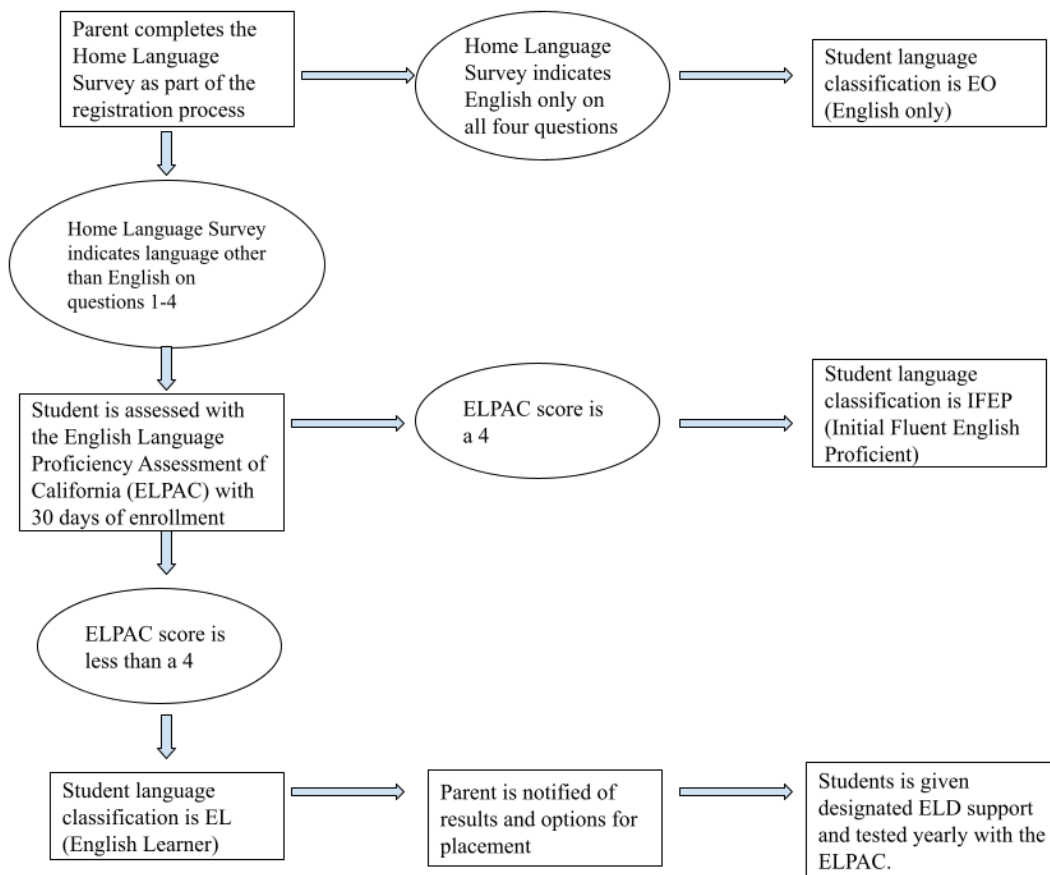

Goal Area	Goal
Goal #1: Implementation	EL programs are fully implemented as described in the EL Master Plan.
Goal #2 English Proficiency	MLLs will make steady progress in developing academic English and attain academic language proficiency as efficiently and effectively as possible, or in less than 7 years.
Goal #3 Academic progress	MLLs will make steady progress in core academic subjects. MLLs in our district seven years or longer will meet grade-level standards in core academic subjects.
Goal #4 Decrease Risk of Failure	Rates of ELs and RFEPs in categories indicating risk for school failure are no greater than those for English Only students.
Goal #5: Parent Engagement	Parents of ELs and RFEPs participate meaningfully in their children's education.

1: Multilingual Learner identification, program placement, and reclassification

Initial Identification

Students entering kindergarten or entering U.S. schools for the first time are given the California home language survey as part of their registration process. If any language other than English (LOTE) is indicated on the survey, the student is noted as To Be Determined (TBD) and must be assessed with the English Language Proficiency Assessment for California (ELPAC). Students who score a “4” or above on their initial assessment are designated as Initial Fluent English Proficient (IFEP). Students who score below a “4” are classified as an English Learner.

Students who enroll in the district but have already been classified as English Learners are identified by their cumulative record and their CALPADS record. Student transcripts and records are reviewed to determine students' most current ELPAC scores and previous ELD class placement, and students are placed appropriately based on that review. 2nd- 8th grade students are also given the iReady assessment in math and reading to help determine any additional support that may be needed.

Parental rights notification

Parents are given an annual notification of parent rights and program options. The annual letter can be found [here](#). In addition, parents of Long Term English Learners (LTELs) and students at risk of being LTELs (ARLTEL) must be notified of this status, and given information on what programs and assistance is available to help their student reach English proficiency. Parents are notified of their rights, the program options that are available to Multilingual Learners.

Parents are notified of the following rights:

Parents or guardians may choose a language acquisition program that best suits their child (EC Section 310). Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible. They provide instruction to English learners based on the state-adopted academic content standards, including English language development (ELD) standards (20 U.S.C. Section 6312[e][3][A][iii],[v]); EC Section 306[c]).

Schools in which the parents or guardians of 30 students or more per school or the parents or guardians of 20 students or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible (20 U.S.C. Section 6312[e][3][A][viii][III]); EC Section 310[a]).

Parents or guardians may provide input regarding language acquisition programs during the development of the Local Control and Accountability Plan (EC Section 52062). If interested in a different program from those provided by the District, please contact the Director of Elementary (Transitional Kindergarten - 5th grade) Curriculum and Assessment at (831) 429-3410 ext. 243 or Director of Secondary (grades 6-12) Curriculum and Assessment at (831) 429-3410 ext. 242 to ask about the process.

Although schools have an obligation to serve all EL students, parents or guardians of English learners have a right to decline or opt their children out of a school's EL program or out of particular EL services within an EL program. If parents or guardians opt their children out of a school's EL program or specific EL services, the children retain their status as English learners. The school remains obligated to take the affirmative steps required by Title VI of the Civil Rights Act of 1964 and the appropriate actions required by the Equal Education Opportunity Act of 1974 to provide EL students access to its educational programs (20 U.S.C. sections 1703[f], 6312[e][3][A][viii]).

Reclassification Criteria and Processes

The diagram below details the criteria for reclassification for Multilingual Learners in Santa Cruz City Schools. When school officials determine that a student may be eligible for reclassification, they call a Language Review Team (LRT) meeting to look at the student records. If the LRT determines that the student is eligible, paperwork is sent to the Curriculum and Assessment office for authorization. Then the parents are invited in for a meeting to determine agreement with reclassification. If all are in agreement, then the student will be reclassified as RFEP.

ELIGIBILITY FOR RECLASSIFICATION

Exceptions to reclassification guidelines

All English Learners are evaluated for reclassification based on the agreed upon state and district reclassification criteria. However, in order to ensure that students are served on an individual basis addressing their particular educational plan, an exception to local reclassification criteria may be considered **for students who have been in U.S. schools 6 or more years**. The LRT must carefully follow the *Provision for Exception to Reclassification Guidelines*. Decisions for reclassification under the exception provisions will:

- Apply only to students who have been in U.S. schools for 6 or more years
- Be made on a student-by-student basis and be noted on the RFEP form, *e.g. Student Reclassified under Exception Provision.*
- Be supported by clear documentation, as specified in the [Provision for Exception to Reclassification Guidelines](#).
- Require involvement and agreement of the site administrator, Language Review Team, teachers, parents, and the Directors of Curriculum.

Reclassification of Special Education Students

The Office of Curriculum and Assessment and the Office of Special Education have collaborated to ensure that Special Education students are included in the reclassification process. The reclassification process used for general education students is also used for students with IEPs who are being instructed using the general education curriculum with or without modifications. The student's case manager is included as a reclassification team member. If a student in this situation fails to meet the reclassification criteria within the expected time frame, an IEP team will determine whether the student's failure to meet the criteria is primarily due to the student's disabling condition and not due to lack of proficiency in English. Prior to making this determination, a thorough review of the most recent Triennial Evaluation will be conducted. The IEP will provide evidence that the student's primary educational needs are other than the development of proficiency in English and this is documented in the student's IEP.

Progress Monitoring for students who are reclassified (RFEP)

Students who achieve reclassification status are monitored for 5 years to ensure that they are continuing to make high academic progress in all areas. At Language Review Team (LRT) meetings, teachers and administrators consider grade data, assessment data, CAASPP data to determine if students are making satisfactory progress and meeting growth targets. They also consider attendance and discipline referrals. If a student is not making progress, then interventions are planned and assigned at that time.

Seal of Biliteracy

The Seal of Biliteracy is an award given by the Santa Cruz City Schools in recognition of students who have studied and attained proficiency in two or more languages by high school graduation. Appearing on the transcript of the graduating senior, the Seal of Biliteracy is a statement of accomplishment for gaining competency in two or more languages, and is viewed as an asset when applying for college admission.

GOALS

In awarding the Seal of Biliteracy to graduating seniors who met the requirements, the Santa Cruz City Schools seeks to

- Encourage students to develop and maintain biliteracy and multilingual skills
- Promote world language instruction in our schools
- Promote the developments of language and cultural appreciation and cross-cultural understanding
- Encourage the development of dual language immersion programs, and foreign, native, and heritage language programs in schools
- Provide employers with a method of identifying people with language and biliteracy skills.

ELIGIBILITY

The Seal will be awarded to graduating seniors in Santa Cruz City Schools who have mastered standard academic English and any other language.

Students wishing to receive the Seal of Biliteracy must be verified by their home district and complete all four verified parts:

1. Complete all high school graduation requirements with a minimum 2.0 GPA.

2. Score of “met” (3) or “exceeds” (4) on SBAC ELA in 11th grade.
3. Successful completion of 40 credits in English with a GPA of 2.0 or higher and score of “4” overall on ELPAC.
4. Provide evidence of one completed target language proficiency:
 - a. Passing AP World Language Exam with a score of 3 or higher OR
 - b. Passing the International Baccalaureate/Foreign Language Exam with a proficient + score OR
 - c. Passing the 4th year of World Language Course of Study with an overall World Language GPA of 3.0 or higher.
5. Complete 20 hours of community service on culturally and/or linguistically related activities.
6. Pass an oral interview.

PATHWAY AWARDS

While the Seal of Biliteracy is awarded to seniors upon graduation, Santa Cruz City Schools honors eligible students with a Biliteracy Pathway Award at the end of fifth grade and again at the end of eighth grade. Additionally, we participate in our Santa Cruz County Language Ambassadors program that honors biliteracy beginning as early as transitional kindergarten. All these programs recognize and support the study of languages at Santa Cruz City Schools.

2: Instructional programs for Multilingual Learners

Elementary Programs

Designated and Integrated ELD in Elementary

The purpose of English Language Development (ELD) instruction is to target the specific needs of English Learners in language development. Teachers use the California ELD standards to identify language goals for students and are notified of their EL and RFEP students at the beginning of each year. ELD is accomplished through Designated and Integrated ELD in the classroom. There are three basic parts to ELD:

1. Developing proficiency and mastery of English
2. Providing language support for active, equal participation in learning and life in the classroom
3. Developing comprehension of the content standards and curriculum.

Designated ELD is protected time for specialized instruction for English learners with a focus on language development. All Elementary ELs must receive 20 minutes per day of Designated ELD instruction or 30 minutes four days per week. Schools may choose the method of scheduling this instruction that best fits their particular context, and should use district approved ELD materials in addition to supplementary curriculum. Designated ELD instruction should not exist in isolation but should build into and from content area instruction such as ELA or science.

Integrated ELD is planned using the ELD standards in tandem with the content standards to ensure that students develop the language necessary to support successful academic learning.

The strategies listed below can be used with Designated ELD and/or Integrated ELD:

- High Impact strategies from the District High Impact strategy toolkit.
- Specially Designed Academic Instruction in English (SDAIE) and Guided Language Acquisition (GLAD), and other strategies for making content instruction understandable.
- Scaffolding to provide high support and challenge to all students in the class.
- Partner and group work to foster content and language learning, as well as social competencies.
- Use of both core and supplemental curriculum.
- Routines that are clear, predictable and supportive of Common Core-aligned rigor and high student engagement.

The sections below describe the program options, staffing, and special support options for elementary EL students. There are two options for English Learners in Santa Cruz City Schools. The first is a Structured English Immersion program, where instruction is almost entirely in English and allows for full immersion in the English language. The second option is a Spanish/English Dual Language Immersion program.

Structured English Immersion Program

A language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for students who are learning English. At minimum, students are offered Designated ELD and provided access to grade level academic subject matter content with Integrated ELD, with primary language support as necessary from the teacher or paraeducator. The goal is high academic achievement, immersion in English for rapid acquisition of English proficiency, and cross-cultural understanding

Program Components

- Daily Designated English Language Development (D-ELD) for ELs at the assessed stage of language acquisition.
- Differentiated instruction in reading writing, math, science and social science, delivered through Integrated ELD strategies, using state-approved, District-adopted, standards-based materials.

Staffing requirements

Credentials:

- Multiple subject credential
- CLAD/BCLAD or equivalent authorization

Primary language support provided by certified teacher or bilingual paraeducator

Special Support Options

- Primary language instruction/support
- Tutoring
- Specialized instruction by Response to Intervention (RtI) specialists
- Participation in interventions
- After school support programs
- Summer school
- Other appropriate services

Dual Language Immersion Program

A language acquisition program also referred to as Two-Way Immersion that provides language learning and academic instruction for native speakers of English and native speakers of another language with the goals of high academic achievement, first and second language proficiency, and cross-cultural understanding. This program begins in Transitional Kindergarten/Kindergarten (TK/K) and continues to 5th grade at DeLaveaga Elementary School. The goal is acquisition of academic proficiency in two languages: English and Spanish, together with mastery of academic core content and multicultural proficiency. Instruction is in Spanish and English. This program uses a 90/10 model, where students are taught 90% of the time in Spanish in Kinder and 1st grade, gradually increasing to 50/50 in 4th and 5th grade.

Program Components

- Separation of instruction in both languages
- Daily Designated English Language Development (D-ELD) for ELs at the assessed stage of language acquisition.
- Daily Spanish Language development for all EO students
- Full Spanish language arts component for all students, comparable to English language arts.
- English literacy component for all students, phased in over time.
- Differentiated instruction in reading writing, math, science and social science, delivered through Integrated ELD strategies, using state-approved, District-adopted, standards-based materials.

Staffing requirements

- Multiple subject credential
- BCLAD or equivalent authorization

Primary language support provided by certified teacher or paraeducator

Special Support Options

- Primary language instruction/support
- Tutoring
- Specialized instruction by Response to Intervention (RtI) specialists
- Participation in interventions
- After school support programs
- Summer school
- Other appropriate services

Newcomer Students

Students who have been in U.S. school fewer than three years receive additional newcomer support:

- Primary language support in the classroom from the teacher and/or a bilingual paraeducator.
- Instructional materials specially designed to promote understanding and initial vocabulary development, including online programs, realia, and visuals.
- Pull out groups specifically geared to newcomer students to accelerate functional and social English skills.

Secondary Programs

Designated and Integrated ELD in Secondary

The purpose of English Language Development (ELD) instruction is to target the specific needs of English Learners in language development. Teachers use the California ELD standards to identify language goals for students and are notified of their EL and RFEP students at the beginning of each year. ELD is accomplished through Designated and Integrated ELD in the classroom. There are three basic parts to ELD:

1. Developing proficiency and mastery of English
2. Providing language support for active, equal participation in learning and life in the classroom
3. Developing comprehension of the content and curriculum.

Integrated ELD is planned using the ELD standards in tandem with the content standards to ensure that students develop the language necessary to support successful academic learning.

The strategies listed below can be used Designated ELD and/or Integrated ELD:

- High Impact strategies from the District High Impact strategy toolkit
- Specially Designed academic Instruction in English (SDAIE) and Guided Language Acquisition (GLAD), and other strategies for making content instruction understandable
- Scaffolding to provide high support and challenge to all students in the class
- Partner and group work to foster content and language learning, as well as social competencies.
- Use of both core and supplemental curriculum
- Routines that are clear, predictable and supportive of Common Core-aligned rigor and high student engagement

Designated ELD is protected time for specialized instruction for English learners with a focus on language development. The following are descriptions of Designated ELD opportunities at middle and high school.

Middle School Programs

General Middle School Designated ELD Information:

- Middle School ELD students take a Designated ELD course in addition to their grade level English Language Arts or Core course (Core is a double block period of English Language Arts and History).
- Through the LRT process, students' progress is monitored, and when meeting all redesignation criteria, students are able to move from their designated ELD course to an elective.
- Students wishing to have an elective can choose to take a zero period PE class so they have scheduled space for Designated ELD and an elective.

Middle School Designated ELD Course Descriptions

Newcomer ELD

- 6th-8th Grade
- ELPAC Level 1
- First or Second Year in US

The primary focus in Newcomer ELD is:

- 1) Newcomer ELD is aligned to *Part I: Interacting in Meaningful Ways*, *Part II: Learning about How English Works*, and *Part III: Using Foundation Literacy Skills* of the CA ELD standards at the Emerging Level.

- 2) Vocabulary development starting with learning the alphabet, and commonly used words and phrases related to specific topics and settings taught through a thematic approach. Common academic vocabulary is also taught and reinforced in each content area by content area teachers using Integrated ELD vocabulary instructional supports.
- 3) Communicating basic information and needs, as well as asking and answering questions using simple sentences or phrases both orally and in writing.
- 4) Reading sentences that build upon the vocabulary being studied.

A student new to the U.S. (Newcomer) goes through an intake process when they enter one of the district's schools. This process includes administration of the Initial ELPAC as well as taking the iReady Diagnostic Reading and Math assessments. Additionally, transcripts from the students' previous school of attendance are requested and reviewed. This information along with consulting with the students' parents helps to determine the correct placement and class schedule for the Newcomer student. If the student is at the emerging level on the initial ELPAC and has limited to no English language acquisition, the Newcomer is placed in the Newcomer ELD course. Students are expected to progress to ELPAC Level 2 and the appropriate grade-level ELD course after one year of enrollment. If the expected growth target is not met, student data will be carefully reviewed by the Language Review Teams to determine the most appropriate placement and plan to accelerate language development. This determination is made by the LRT. Emphasis is also placed on orienting students with the skills they need to function in American society and the U.S. school system. Additionally, a student's primary language is seen as an asset and is used to support their learning of English whenever possible. CPM math textbooks are available in Spanish and similarly, SEPUP, the middle school science curriculum, is available in Spanish in the online student portal. These are used with Newcomers to support student content area learning.

6th Grade Designated ELD

- 6th Grade
- ELPAC Levels 2-4

6th Grade Designated ELD is a year-long course that focuses on building students' English literacy skills in the area of reading, writing, speaking, and listening. The course is aligned to the California ELD Standards *Part I: Interacting in Meaningful Ways* and *Part II: Learning about How English Works*, at the Expanding and Bridging Levels. This course also uses grade level English Language Arts curriculum. An emphasis is placed on learning academic vocabulary, engaging in academic discussions, reading sentences, sections, and excerpts from core academic texts to develop a deeper understanding of the functions of language, and expanding writing to move from using basic sentences to more descriptive, complex sentences for a variety of purposes. Emphasis is also placed on orienting students to middle school and developing the academic soft skills needed to successfully navigate middle and high school.

7th Grade Designated ELD

- 7th Grade
- ELPAC Levels 2-4

7th Grade Designated ELD is a year-long course that focuses on building students' English literacy skills in the area of reading, writing, speaking, and listening. The course is aligned to the CA ELD Standards *Part I: Interacting in Meaningful Ways* and *Part II: Learning about How English Works*, at the Expanding and Bridging Levels. This course also uses grade level English Language Arts curriculum. An emphasis is placed on learning academic vocabulary, engaging in academic discussions, reading sentences, sections,

and excerpts from core academic texts to develop a deeper understanding of the functions of language, and expanding writing to move from using basic sentences to more descriptive, complex sentences for a variety of purposes. Emphasis continues to be placed on supporting students to develop the academic soft skills needed to successfully navigate middle and high school.

8th Grade Designated ELD

- 8th Grade
- ELPAC Levels 2-4

8th Grade Designated ELD is a year-long course that focuses on building students' English literacy skills in the area of reading, writing, speaking, and listening. The course is aligned to the CA ELD Standards *Part I: Interacting in Meaningful Ways* and *Part II: Learning about How English Works*, at the Expanding and Bridging Levels. This course also uses grade level English Language Arts curriculum. An emphasis is placed on learning academic vocabulary, engaging in academic discussions, reading sentences, sections, and excerpts from core academic texts to develop a deeper understanding of the functions of language, and expanding writing to move from using basic sentences to more descriptive, complex sentences for a variety of purposes. Emphasis is also placed on preparing students for high school and ELD teachers continue to support students in developing the academic soft skills needed to successfully navigate middle, high school, postsecondary and the workforce.

Spanish Language Arts Program

The middle school continuation of the learning that students bring with them from the elementary Two-Way Immersion program that provides language learning and academic instruction in Spanish with the goals of high academic achievement and cross-cultural understanding. This program begins in grade 6 and continues through 8th grade at Branciforte Middle School. The goal is acquisition and refinement of academic proficiency in Spanish, together with multicultural proficiency. Instruction is predominantly in Spanish.

Program Components

- Full Spanish language arts component for all students, comparable to English language arts.
- Cultural appreciation component and field trips

Staffing requirements

- Single subject credential in Spanish
- BCLAD or equivalent authorization

Primary language support provided by certified teacher or paraeducator

Special Support Options

- Primary language instruction/support
- Tutoring
- Specialized instruction by Response to Intervention (RtI) specialists
- Participation in interventions

High School Programs

General High School Designated ELD Information:

- Upon entering high school, all high students meet with their counselor to create a 4-year high school plan. All core academic SCCS high school courses are A-G California State University and University of California approved coursework, and students are automatically scheduled into an A-G trajectory. As part of this planning, counselors work with students and their families to determine the best schedule and course sequence. College and career planning is also part of this meeting.
- High School ELD courses count towards fulfilling the English graduation requirement. All English Learners are also required to take the grade level English course.
- Through the LRT process, students with qualifying ELPAC and CAASPP scores may be moved up a level at the semester.
- On the rare occasion a student does not make 1 years' growth, the Language Review Team can consider keeping a student in the same ELD course for an additional school year. If this is decided, a student will continue to earn credit for the ELD course even though they are repeating the course and repeated courses typically do not receive credit. If the student repeats the same ELD course, the student must receive a passing grade of a D- or higher in the class to continue to earn credit. Additionally, the LRT should consider if additional support is needed to ensure the student makes progress.
- Students who have not completed at least three years of high school in an English-speaking country who are applying to a 4-year college must take an assessment called TOEFL (Test of English as a Foreign Language). It is used to determine the English proficiency of students whose native language is not English. Students should talk to their counselor for more information.

Harbor is the Newcomer High School site and Newcomers should be highly encouraged to attend Harbor. Any High School student designated as an English Learner and in the Soquel or Santa Cruz High attendance areas, if needing more Designated English Language Development support can attend Harbor to receive these supports. The home school should facilitate the Intradistrict transfer and enrollment process for the family.

High School Designated ELD Course Descriptions

Newcomer ELD 9th – 12th

- Meets A - G: No
- Credits: 10 credits per semester (due to double blocked periods), English
- Recommended Preparation: The student is in their first year in US schools and scores at beginning levels on the ELPAC.

The primary focus in Newcomer ELD is:

- 1) Newcomer ELD is aligned to *Part I: Interacting in Meaningful Ways*, *Part II: Learning about How English Works*, and *Part III: Using Foundation Literacy Skills* of the CA ELD standards at the Emerging Level.
- 2) Vocabulary development starting with learning the alphabet, and commonly used words and phrases related to specific topics and settings taught through a thematic approach. A student new to the U.S. (Newcomer) goes through an intake process when they enter one of the district's schools. This process includes administration of the Initial ELPAC as well as taking the iReady Diagnostic Reading and Math assessments. Additionally, transcripts from the students' previous school of attendance are requested and reviewed. This information along with consulting with the students' parents helps to determine the correct placement and class schedule for the Newcomer student. If the student is at the emerging level on the initial ELPAC and has limited to no English language acquisition, the Newcomer is placed in the Newcomer ELD course. Students are expected to progress to ELPAC Level 2 and the appropriate grade-level ELD course after one year of enrollment. If the expected growth target is not met, student data will be carefully reviewed by the Language Review Teams to determine the most appropriate placement and plan to accelerate language development. This determination is made by the LRT.

Emphasis is also placed on orienting students with the skills they need to function in American society and the US school system. Additionally, a student's primary language is seen as an asset and is used to support their learning of English whenever possible.

ELD 1

9th - 12th

- Meets A- G: No
- Credits: 10 credits per year , English
- Recommended Preparation: Overall ELPAC Score 1-2

The course is aligned to the CA ELD Standards *Part I: Interacting in Meaningful Ways* and *Part II: Learning about How English Works*, at the Expanding and Bridging Levels. Emphasis continues to be on developing vocabulary and pronunciation, initiating simple dialogues and responding to questions that relate to everyday life and personal interests. Intensive instruction of sentence writing and grammar is also a focus with emphasis on present vs. past tense. Students begin to read short articles, stories, and other texts in English with the emphasis being on literal comprehension.

ELD 2

9th - 12th

- Meets A- G: No
- Credits: 10 credits per year, English

- Recommended Preparation: Overall ELPAC Score 1-3, completed ELD 1 (if at high school in the previous year)

Emphasis is on speaking, listening, reading, and writing skills geared toward assisting students with being successful in both academic and social settings. Students use more complex vocabulary and sentences to communicate and express ideas in a wider variety of social and academic situations. Students read short articles, stories, and other texts in English and write paragraphs. Intensive instruction of sentence writing and grammar is also a focus with emphasis on expanding use and understanding of verb tenses.

ELD 3

9th - 12th

- Meets A- G: No
- Credits: 10 credits per year, English
- Recommended Preparation: Overall ELPAC Score 2-3, completed ELD 2 (if at high school in the previous year)

Students are introduced to writing five-paragraph expository and persuasive essays as well as narratives while learning about the writing process. Developing academic language is a focus. Emphasis is also placed on reading strategies necessary to understand a text, the features of different types of writing, and literary devices. Intensive instruction of grammar continues to be a focus.

Transitional English Class

9th - 12th

- Meets A- G: Yes
- Credits: 10 credits per year, English
- Recommended Preparation: ELPAC Level 3 or 4, completion of ELD 3 (if at high school in the previous year)

This is an advanced course for English Learners and acts as a “bridge” between the ELD program and mainstream English classes. Reading and writing activities focus on a variety of literary works specifically designed to reinforce those skills that are most challenging to English Learners. Areas of emphasis include the following:

- Introduction to and reinforcement of key academic vocabulary that students are required to learn in English 1.
- Reading comprehension of core texts read in English 1 (including both literal and interpretive skills).
- Development of writing skills through support with essays, narratives and other portfolio pieces that are assigned in English 1
- Support with other major assignments, projects and tests from the English 1 curriculum
- Reinforcement of organization and time management skills

English 1, English 2, English 3, English 4

- Meets A- G: Yes
- Credits: 5 credits per semester, English
- Recommended Preparation: ELPAC Level 3 or 4, completion of ELD 3 (if at high school in the previous year)

In this grade level English course, students analyze literature and write full-length essays regularly. Curriculum is aligned with the Common Core State Standard for English Language Arts as well as the California English Language Development standards. Literature study covers short stories, novels, essays, poetry and drama. Although there is some creative writing, the main focus is on the writing skills needed for college, with emphasis on interpretive (Response to Literature) essays. Language study covers punctuation, spelling, vocabulary, and usage. All of our high school English classes include regular, protected Designated ELD instruction in order to meet the needs of our English Learners.

Spanish for Native Speakers Program

The high school continuation of the learning that students bring with them from the elementary Two-Way Immersion program and the middle school Spanish language arts program that provides language learning and academic instruction in Spanish with the goals of high academic achievement and cross-cultural understanding. This program is a two-year program available at all three of our district's high schools. The goal of these courses is further acquisition and refinement of academic proficiency in Spanish, together with multicultural proficiency. Instruction is in Spanish.

Program Components

- Full Spanish language arts component for all students, comparable to English language arts.
- Cultural appreciation component and field trips

Staffing requirements

- Single subject credential in Spanish
- BCLAD or equivalent authorization

Primary language support provided by certified teacher or paraeducator

Special Support Options

- Primary language instruction/support
- Tutoring
- Specialized instruction by Response to Intervention (RtI) specialists
- Participation in interventions

Other appropriate services

Access to Core Curriculum

All English Learners are guaranteed access to the Core Curriculum, with support from teachers with integrated ELD. English Learners are encouraged to participate in Advanced Placement courses where appropriate. Teachers, counselors and other school staff should encourage EL students to enroll in advanced placement or IB courses as appropriate. Care is taken when developing Master Schedules to create scenarios that allow for enrollment in ELD courses as well as AP and IB.

Minimum Progress Expectations

Clear minimum progress expectations allow all individuals, sites and other stakeholders in the system to hold themselves accountable for the quality of instruction for ELs. Failure to meet minimum progress expectations indicates the need for interventions. The table below outlines the minimum expectations:

1. No matter the English proficiency of a student when they enroll in a particular program, reclassification is expected to occur by the time they reach the far right column on the table.
2. All the English proficiency and academic achievement indicators are “end of year expectations”.
3. The assumption is that a student begins the year about “one year’s growth” behind the end-of-year target.
4. The student’s first year in an instructional language program can happen at any grade level or at any English proficiency level, depending on the student's history.

Instructional program minimum progress expectations for ELs

MTSS Interventions and support for MLLs not meeting minimum progress expectations

All students in SCCS have access to intervention through our Response to Intervention system.

Tier 1: Should meet the needs of 80% of our ELs

- Integrated and Designated ELD
- Small group work and differentiation
- Social-emotional learning
- Newcomer support
- *Lexia English* (elementary)

Tier 2: ELs are assessed regularly with our core district assessments (iReady, F&P, MAP etc). Student Learning Teams (SLTs) meet at regular intervals to determine students who are in need of more intensive interventions. Students who are determined to need more support can be offered any of the following for short periods of time with clear exit criteria:

- Additional small group support sessions with specialized materials, such as *Benchmark Phonics Intervention* or *Achieve 3000*.
- Additional lessons related to levels in *Lexia English*.
- Additional Designated ELD support for students who do not make minimum progress on the ELPAC.

Tier 3: ELs not meeting the exit criteria for Tier 2 interventions can be assigned to Tier 3 interventions by the SLTs.

- More intensive interventions including 1:1 intervention.
- Potential referral for special education to determine if learning disabilities are preventing the student from making progress.

Professional Learning to ensure high levels of academic language development

In alignment with the California ELA/ELD framework, the professional development provided to teachers of MLLs supports instruction that fully engages students in the complexity and challenges of the Common Core Standards and ELD standards, and accelerates language development.

Since every teacher in SCCS will have MLL students in their classroom at some point, all teachers will participate in professional learning on ELD instruction. The strategies to support MLLs will benefit all students regardless of their language ability. In addition, administrators, support staff, counselors and paraeducators need to be included in professional development to ensure that all educators who support our MLLs have proper training. Each year, the curriculum department will conduct a needs assessment to determine needs for the following year, and to determine what differentiation needs to be made to support the different knowledge levels of the district staff.

All teachers will participate in professional development on the following topics over the next five years:

- Best practices for using Integrated ELD in all content areas
 - Using the ELD standards to develop instructional models to support EL students in the content areas.
 - Assets-based pedagogy in EL instruction.
- Designated ELD strategies for elementary teachers
 - Using the ELD standards to develop language targets and lesson to support students.
 - Formative and summative assessment in ELD
- Lesson study on incorporating integrated ELD strategies with content standards in a variety of content areas.
- Support for RFEP students
- Understanding ELPAC scores
- Fostering culturally responsive and linguistically sustaining classrooms
- Partnering with families to support student learning

All principals, assistant principals, support staff, academic counselors, and social emotional counselors will participate in professional development on the following topics over the next three years:

- Fostering a culturally responsive and linguistically sustaining school climate.
- Best practices in supporting MLL students outside the classroom.
- Working to include MLL families in all aspects of the school.
- Counseling EL students to reach full potential.

3: Family and Community Engagement

Our schools and classroom are most effective when family and community stakeholders actively influence and contribute to the District mission of college and career readiness. In the case of MLL families, this involvement is of particular importance because it helps immigrant and MLL families develop understanding and ownership of a potentially unfamiliar educational system.

To support MLL families our schools should:

- Be welcoming and culturally and linguistically responsive.
- Have activities and practices clearly defined and well-advertised.
- Encourage MLL family participation in governing structures such as School Site Council (SCC) and English Learner Advisory Council (ELAC).
- Have clear communication with parents.
- Be supported by dedicated family liaisons who know the primary language.

Bilingual School Community Coordinators

SCCS employs Spanish speaking School Community Coordinators at each school with a high number of Spanish speaking families. The School Community Coordinators are instrumental in supporting our Spanish speaking families. Their job description includes:

- Act as a liaison between our Spanish speaking families and all parts of the district.
- Assist with registration, required forms, and connecting families with community and social service resources.
- Connect MLL families with family engagement opportunities and community events.
- Coordinate, recruit and actively participate in MLL parent advisory programs.
- Assist in scheduling parent meetings, and coordinate childcare, translation services for those meetings.
- Translate documents to ensure families have access to resources and school communication.
- Make calls to parents and community members in English and Spanish and coordinate volunteer outreach.

MLL Parent Advisory Committees

The Multilingual Parent committees are designed to ensure that the voices of MLL families are heard in the development of site and district plans. There are two committees specifically for MLL families, though families are also encouraged to be a part of the School Site Council (SSC) and Parent Teacher Organizations (PTO).

English Learner Advisory Committee (ELAC)

California Education Code requires that sites with 21 or more MLL students have a committee to provide parents/guardians of MLLs the opportunity to:

- Participate in the school's needs assessments of students, parents and teachers.
- Advise the principal and school staff on the school's program for English Learners.
- Provide input on the most effective ways to ensure regular school attendance.
- Advise the School Site Council on the development of the Single Plan for Student

Achievement.

The percentage of parents on the ELAC must be equal to or more than the percentage of MLLs in the school. The committee should also include other site staff members, including the principal. Each site's English Learner Advisory Committee (ELAC) must have parent members elected by parents or guardians of English Learners. Each site also needs to elect a District English Learner Advisory Committee (DELAC) representative.

The ELAC shall be responsible for :

- Assisting in the development of the schoolwide needs assessment and ways to make parents aware of the importance of regular school attendance.
- Advising the principal and staff in the development of a site plan for ELs and submitting the plan to the school site council for consideration of inclusion in the Single Plan for Student Achievement (SPSA).
- Electing a representative to the District English Learner Advisory Committee (DELAC).
- Sending and receiving information to/from DELAC and School Site Council.

District English Learner Advisory Committee (DELAC)

The purpose of the DELAC is to provide guidance and advice to the Board of Education and the District staff on the needs and services for English learners. Each California public school district, grades kindergarten through 12, with 51 or more English learners must form a District-level English Learner Advisory Committee (DELAC).

Parents or guardians of English learners not employed by the district must constitute a majority of membership (51 percent or more) of the committee. Other school and district staff can be a part of the committee as well.

The committee advises the Board of Education on the following:

- Development of a district master plan including policies guiding consistent implementation of English Learner educational programs and services that takes into consideration the School Plan for Student Achievement (SPSA).
- District-wide needs assessment on a school-by-school basis.
- Establishment of district program, goals, and objectives for programs and services for English Learners.
- Development of a plan to ensure compliance with any applicable teacher and instructional aide requirements.
- Review and comment on the local educational agency's (LEA's) reclassification procedures.
- Review and comment on the written notifications required to be sent to parents and guardians.
- Provide input for the LCAP and the EL Master Plan

Communication with Families

Clear, two-way communication is the basis of all effective and sustained action. SCCS strives to ensure effective communication with MLL families. Families are encouraged to communicate their concerns and questions directly to the principal and office staff. All principals are encouraged to hold informal opportunities for parents to meet and provide input to the principal directly.

Under federal law a school must ensure that all parents receive meaningful access to important information. Important written information such as IEPs must be translated. When families are not literate in their native language, oral communication must be provided.

In addition, under California state law, when fifteen percent or more of the students in the District or site speak a language other than English, translation and interpretation services must be provided. At SCCS, Spanish is the language most commonly spoken other than English. All communication is provided in Spanish and English. Translation services are provided for conferences, IEPs, and all school meetings.

The District and school sites must provide interpretation at the following meetings:

- Family-teacher conferences
- Communications concerning student discipline, including suspension and expulsion, and disciplinary hearings

4: Monitoring, Evaluation and Accountability

Assessment

All ELs will be given the same content assessments as English only students. In addition, they will be monitored with the English Language Proficiency Assessment of California (ELPAC) one time per year.

Elementary Assessment

Elementary EL students are assessed regularly to determine progress in reading, writing, math and language skills using the following assessments:

- ELPAC (yearly)
- iReady Reading (3 times per year)
- iReady math (3 times per year)
- Fountas and Pinnel reading (3 times per year– grades K-3)
- Local writing assessments (3 times per year)
- Curriculum based formative assessments for language development (regularly as a part of instruction)
- CAASPP (yearly grades 3-5)

iReady reading and math can both be given to students in their primary language as needed to assess content knowledge outside of English.

Middle School Assessment

Middle School EL students are assessed regularly to determine progress in reading, writing, math and language skills using the following assessments:

- ELPAC (yearly)
- iReady Reading (3 times per year)
- iReady math (3 times per year)
- Local writing assessments (3 times per year)
- Curriculum based formative assessments for language development (regularly as a part of instruction)
- CAASPP (yearly)

iReady reading and math can both be given to students in their primary language as needed to assess content knowledge outside of English.

High School Assessment:

High School EL students are assessed regularly to determine progress in reading, writing, math and language skills using the following assessments:

- ELPAC (yearly)
- Local writing assessments (3 times per year)
- Curriculum based formative assessments (regularly as a part of instruction)
- Measures of Academic Progress (MAP) in reading
- Measures of Academic Progress (MAP) in math
- CAASPP (11th grade)

MAP reading and math can both be given to students in their primary language as needed to assess content knowledge outside of English.

Multilingual Learner Program Evaluation

The Multilingual Learner program and implementation of this plan will be monitored by asking the following questions of the District and each site on the timeline noted below. The answers will be used to assess next steps for sites as well as indicate where support needs to be given if needs are not being met.

<u>Implementation:</u> EL programs are fully implemented as described in the EL Master Plan			
Questions to Ask	Who	Data Source	When
Are ELs placed appropriately and in a timely manner?	Site admin and ELD teachers	Student schedule	Sept and December
Do you have a master schedule that allows for protected Designated ELD instruction?	Site admin	Master Schedule	July and December
Are all teachers appropriately credentialed to teach ELs?	Human Resources	EL authorization list	3 times yearly
Are all teachers providing integrated ELD in their content instruction?	Site Admin	Walkthrough data	Ongoing
Are all teachers giving input on the ELPP twice annually?	LRT	Cumulative Record	2 times per year
Are LRTs monitoring progress for RFEP students?	LRT	Cumulative Record	2 times per year
<u>English Proficiency:</u> MLLs will make steady progress in developing academic English and attain academic language proficiency as efficiently and effectively as possible, or in less than 7 years			
Questions to Ask	Who	Data Source	When
Are all EL subgroups, including ELs with IEPs meeting Minimum Progress Expectations and reclassification targets?	Language Review Teams (LRT)	-Reclassification Rates -ELPP -ELPAC growth -iReady Reading -MAP	Twice yearly (Fall and Winter)
Do all teachers understand the ELD standards and how they apply to their teaching?	Teachers/Admin	Lesson plans	Ongoing
Do all teachers use the ELD standards in their planning for daily instruction?	Teachers/Admin	Lesson plans	Ongoing
<u>Academic progress:</u> MLLs will make steady progress in core academic subjects. MLLs in our district seven years or longer will meet grade-level standards in core academic subjects			
Questions to Ask	Who	Data Source	When

Are ELs making progress in core academic subjects? Newcomer, LTEL, RFEP	Language Review Teams (LRT)	Report cards Content-area assessments	Twice yearly (Fall and Winter)
Are RFEPs achieving at grade level in core academic subjects?	Language Review Teams (LRT)	Report cards Content-area assessments	Twice yearly (Fall and Winter)
Are MLLs in advanced placement courses as appropriate to their skill level?	Site admin, counselors	Transcripts and schedule	Yearly
Are Newcomer students graduating HS at the same rate as the site average graduation rate? Are LTELs graduating HS at the same rate as the site average graduation rate? Are ELs graduating HS at the same rate as the site average graduation rate? Are RFEPs graduating HS at the same rate as the site average graduation rate?	Site admin Counselors teachers		Yearly

Decrease Risk of Failure: Rates of MLLs in categories indicating risk for school failure are no greater than those for all students

Questions to Ask	Who	Data Source	When
Are MLL students being suspended at a higher rate than English only students?	Site Admin	Suspension Rates	Principal data conversation
Are ELs receiving interventions and support as needed beyond designated ELD class?	Language Review Teams (LRT)/ Rtl coordinators	Progress monitoring reports and data	Twice Yearly

SANTA CRUZ CITY SCHOOL DISTRICT

AGENDA ITEM: New Business: Transitional Kindergarten Window Recommendation

MEETING DATE: January 11, 2023

FROM: Dorothy Coito, Assistant Superintendent of Educational Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve the recommendation to set the Transitional Kindergarten Enrollment cut off at May 25, 2024 and May 29, 2025.

BACKGROUND:

California Education Code (EC) Section 8281.5 required the implementation of Universal Prekindergarten for all four-year-olds beginning in the 2022-23 school year. The legislation requires that nine hours of programming (combining instructional time and after school enrichment time) be offered to students turning five on the timeline listed below:

Universal Pre Kindergarten implementation timeline:

2022-23	2023-24	2024-25	2025-26
Age 5 between September 2 and February 2	Age 5 between September 2 and April 2	Age 5 between September 2 and June 2	Students who turn 4 by September 1

Implementation also had the following requirements:

1. Instructional days and minutes:
 - a. Transitional Kinder has the same length of day as Kindergarten
 - b. 36,000 instructional minutes- 180 Instructional Days
2. Class size no larger than 23, ratio of 12:1
 - a. The current Governor's budget includes funding to decrease the ratio to 10:1.
3. Credentials: To teach Transitional Kindergarten, teachers must have:
 - a. A Multiple Subject credential and 24 units of Early Childhood Education (ECE) by 2023 -or-
 - b. 24 units ECE equivalent professional experience -or-
 - c. Taught TK prior to 2015. Teachers who meet this requirement can be grandfathered in as qualified.
4. Facilities:
 - a. New buildings must be 1350 sq ft.

AGENDA ITEM: 8.5.1.2

- b. Must have bathroom or bathroom in the kinder complex

Over the past few months, SCCS staff have investigated whether or not to follow the timeline that the ed code suggests for TK expansion, or to increase the window to the maximum point next year. There is Ed Code that states that students cannot be enrolled in school if they do not turn five prior to the last day of school. This would preclude the window expanding to September 1st. This Ed Code will be nullified in 2025-26, and will be replaced with the new language in Universal Pre-K legislation.

So the question to consider is **should the TK window cutoff be April 2 (as required by the State) or expanded to the maximum allowed (last day of school)?**

When considering this, four questions were considered:

1. Does the district have the facilities to support more students?
2. Does the district have the staffing to support more students?
3. Does the district have the resources and materials to support more students?
4. What are the benefits and challenges of expanding the window?

Does the district have the facilities to support more students?

Yes, the district has the facilities to support more students in TK. There are some facilities and classroom changes that will need to be made to accommodate more classrooms at each school, but facilities can have those changes in place prior to the start of school next year. These adjustments will need to be made regardless of the date for TK eligibility, as each school will need to have two TK classrooms next year, regardless of the date.

Does the district have the staffing to support more students?

Yes, the district has the staffing to support more students. There are currently 8 teachers in the district who are qualified to teach TK. An item on the consent agenda sets a criteria of one year of teaching TK equals 12 ECE units. If this item were to pass, then there is more flexibility for honoring the teaching experience of teachers and having them meet TK qualifications.

Does the district have the resources and materials to support more students?

Yes. The Transitional Kindergarten implementation grant has money set aside to purchase materials, supplies and curriculum for any new classroom expansion. This room expansion was planned for in the original TK implementation plan.

What are the benefits and challenges of expanding the window?

Benefits:

1. More students have access to affordable, high quality, early childhood education: All research points to preschool as being a key factor in the future success of students. So many families cannot afford a private preschool, and subsidized spaces are limited.
2. Earlier intervention for special education, health and social emotional needs: TK students can be given intervention earlier which will better support their learning down the road. Families can also be given support with housing, food instability, and other family issues.
3. Families join the community: Families will connect with their community at a younger

age, helping to keep our families in our schools.

Challenges:

1. Expanding the numbers could mean combination classes: Currently the TK classes are all straight TK classes. Depending on how many students register, there could potentially be TK/K combination classes necessary. This is an issue at all grade levels, however, and could be an issue whether the cutoff date is April 2 or the end of school.
2. The range in age from almost five to barely is substantial: Teachers are concerned about the range of readiness within the classroom. To mitigate this, classes will need to be rostered as “young four” and “older four” classes, with the first half of the window being together, and the second half as a class. If there are combination classes, older TK students will need to be placed with the kinders, not the youngest students in the range.
3. Toileting continues to be a concern: There is no requirement that a student be toilet trained prior to enrollment, only that they meet the age range. Education to registered parents about what it means to be TK ready will be an important part of our procedures moving forward.

Recommendation:

The recommendation is to set the TK window with a cutoff of the last day of school (May 25, 2024 and May 29, 2025). In the 2025-26 school year, the age will go to September 1.

The district has the facilities, staffing and resources to make this expansion, and the benefits for the students far outweigh any of the challenges.

FISCAL IMPACT:

\$60,000 UPK Planning Grant Revenue (Restricted) Supplies for classrooms
Additional teacher and support staff costs to be determined

This work is in direct support of the following District goals and their corresponding metrics:

Goal #1: All Santa Cruz City Schools students will be prepared to successfully access post-secondary college and career opportunities.

Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social emotional well-being of all students.

Goal #3: We will eliminate the achievement gaps that currently exist between demographic groups within the SCCS student community.

Goal #4: We will develop a highly collaborative, professional culture focused on supporting effective teaching.

Transitional Kindergarten Window Recommendation

January 11, 2023

Implementation and Requirements

2022-23 Age 5 between Sept 2 and Feb 2	2023-24 Age 5 between Sept 2 and April 2	2024-25 Age 5 between Sept 2 and June 2	2025-26 Students who turn 4 by Sept 1
--	--	---	---

→ **Instructional days and minutes: Transitional Kindergarten (TK) follows Kindergarten (K)--**
36,000 instructional minutes- 180 Instructional Days

→ **Class size** no larger than 23, **ratio** of 12:1 (slated to go to 10:1 next year)

→ **Credentials:**

- ◆ Multiple Subjects and 24 units of Early Childhood Education (ECE) by 2023 **-or-**
- ◆ 24 units ECE equivalent professional experience **-or-**
- ◆ Taught TK prior to 2015 can be grandfathered

→ **Facilities:**

- ◆ New buildings must be 1350 sq ft.
- ◆ Must have bathroom or bathroom in the kinder complex

Question to consider

Can we expand the window to Sept 1? NO

- Ed Code: no student can be enrolled if they do not turn 5 by the last day of school
- Cannot expand to Sept 1 until 2025-26

Should we follow the State timeline and allow TK entry until April 2 next year, or extend the window to the last day of school?

1. Do we have the facilities?
2. Do we have the staffing?
3. Do we have the resources and materials?
4. What are the benefits and challenges?

Do we have the facilities to support more students?

YES

- ◆ Some teachers will need to be move classrooms
- ◆ Short term facility changes needed to support expanded classes and expanded childcare
- ◆ Changes can be completed prior to the start of school
- ◆ Current after school care programs can expand to accommodate more TK students

Do we have the staffing to support more students?

YES

- ◆ Currently have 8 teachers in the district who are qualified
- ◆ New policy of 12 units of ECE for each year of teaching TK
- ◆ Current teachers may have to change grade levels or school sites

**Do we have the
resources and
materials to
support more
students?**

YES

- ◆ Transitional Kindergarten
Implementation grant funding

What are the benefits and challenges of expanding the window?

Benefits

- ◆ More access to high quality, affordable education and full day care
- ◆ More access to early intervention
- ◆ More prepared for kinder and beyond
- ◆ Families become a part of the school community

Challenges

- ◆ Expanded numbers could mean combo classes
- ◆ Barely 4 to almost 5 is a substantial age range
- ◆ Toileting
- ◆ No additional revenue for TK students

Recommendation

Expand the Transitional Kindergarten eligibility window to the last day of school

May 25 in 23-24

May 29 in 24-25

- ◆ Facilities, staffing and funding are in order
- ◆ Benefits outweigh the challenges
- ◆ Last day of school as the cutoff
- ◆ 2025-26 expand to Sept 1

SANTA CRUZ CITY SCHOOL DISTRICT

AGENDA ITEM: Staff Report Workforce Housing Update

MEETING DATE: January 11, 2023

FROM: Jim Monreal, Assistant Superintendent, Business Services

THROUGH: Kris Munro, Superintendent

BACKGROUND:

For several years, the District has been exploring the feasibility of developing workforce housing to support employee recruitment and retention in the challenging Santa Cruz housing market. On December 18, 2019, the Board approved an agreement with the selected bridging architect for the project. On January 15, 2020, the Board received financial projections based on current construction cost estimates and preliminarily discussed financing options. It was clear that the District would need Bond funding for a portion of the project. In 2022, the Board passed a resolution to put Measures K & L on the ballot, in part, to provide initial funding for workforce housing.

With the community's support of Measures K and L in November 2022, the Board approved a contract at the December 14, 2022 meeting to extend the work of the bridging architect to move the project forward. Staff and our architect partners at 19Six will present an update on the project outlining next steps and providing a projected timeline for completion.

FISCAL IMPACT:

\$210,270.00 Redevelopment Agency Funds (Restricted)

This work is in direct support of the following District goals and their corresponding metrics:

Goal #4: We will develop a highly collaborative, professional culture focused on supporting effective teaching.

Goal #5: SCCS will maintain a balanced budget and efficient and effective management.

Goal #6: SCCS will maintain strong communication and partnership with its diverse community.

Report on the Audit of the Financial Statements***Opinions***

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Santa Cruz City Schools, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise Santa Cruz City Schools' basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of Santa Cruz City Schools, as of June 30, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards (Government Auditing Standards)*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Santa Cruz City Schools, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Santa Cruz City Schools' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Santa Cruz City Schools' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Santa Cruz City Schools' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 4 to 9 and the General Fund Budgetary Comparison Schedule, the Schedule of Changes in the District's Total Other Postemployment Benefits (OPEB) Liability, the Schedule of the District's Proportionate Share of the Net Pension Liability, and the Schedule of the District's Contributions on pages 49 to 54 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Santa Cruz City Schools' basic financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and other supplementary information listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and, except for that portion marked "unaudited," was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, that information is fairly stated in all material respects in relation to the basic financial statements as a whole. The information marked "unaudited" has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 14, 2022 on our consideration of Santa Cruz City Schools' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Santa Cruz City Schools' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Santa Cruz City Schools' internal control over financial reporting and compliance.

Management's Discussion and Analysis
June 30, 2022

This section of Santa Cruz City Schools' annual financial report presents our discussion and analysis of the District's financial performance during the fiscal year that ended on June 30, 2022. Please read it in conjunction with the District's financial statements, which immediately follow this section.

OVERVIEW OF THE FINANCIAL STATEMENTS

The Financial Statements

The financial statements presented herein include all of the activities of the District and its component units using the integrated approach as prescribed by Governmental Accounting Standards Board (GASB) Statement No. 34.

The *Government-Wide Financial Statements* present the financial picture of the District from the economic resources measurement focus using the accrual basis of accounting. These statements include all assets of the District (including capital assets), as well as all liabilities (including long-term obligations). Additionally, certain eliminations have occurred as prescribed by GASB Statement No. 34 with regard to interfund activity, payables and receivables.

The *Fund Financial Statements* include statements for each of the two categories of activities: governmental and fiduciary.

The *Governmental Activities* are prepared using the current financial resources measurement focus and modified accrual basis of accounting.

The *Fiduciary Activities* report a balance sheet, a statement of change in fiduciary net position for the scholarship fund, which does not have a measurement focus.

Reconciliation of the Fund Financial Statements to the Government -Wide Financial Statements is provided to explain the differences created by the integrated approach.

The Primary unit of the government is the Santa Cruz City Schools.

REPORTING THE DISTRICT AS A WHOLE

The Statement of Net Position and the Statement of Activities

The *Statement of Net Position* and the *Statement of Activities* report information about the District as a whole and about its activities. These statements include all assets, deferred outflows of resources, liabilities and deferred inflows of resources of the District using the accrual basis of accounting which is similar to the accounting used by most private -sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the District's net position and changes in them. Net position is the difference between assets, deferred outflows of resources, liabilities and deferred inflows of resources, which is one way to measure the District's financial health, or financial position. Over time, increases or decreases in the District's net position are one indicator of whether its *financial health* is improving or deteriorating. Other factors to consider are changes in the District's property tax base and the condition of the District's facilities.

Santa Cruz City Schools

Management's Discussion and Analysis
June 30, 2022

The relationship between revenues and expenses is the District's *net income*. Since the governing board's responsibility is to provide services to our students and not to generate profit as commercial entities do, one must consider other factors when evaluating the overall health of the District. The quality of the education and the safety of our schools will likely be important components in this evaluation.

In the *Statement of Net Position* and the *Statement of Activities*, the District activities are reported as follows:

Governmental Activities – The District reports all of its services in this category. This includes the education of students, the operation of child development activities, and the on-going effort to improve and maintain buildings and sites. Property taxes, State income taxes, user fees, interest income, Federal, State, and local grants, as well as general obligation bonds, finance these activities.

REPORTING THE DISTRICT'S MOST SIGNIFICANT FUNDS

Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds – not the District as a whole. Some funds are required to be established by State law and by bond covenants. However, management establishes many other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants, and other money that it receives from the U.S. Department of Education.

Governmental Funds – Most of the District's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year -end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short -term view of the District's general government operations and the basic service it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the District's programs. We describe the relationship (or differences) between governmental activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds in a reconciliation following each governmental fund financial statement.

THE DISTRICT AS A TRUSTEE

Reporting the District's Fiduciary Responsibilities

The District is the trustee, or *fiduciary*, for funds held on behalf of others, such as our funds for scholarships. The District's fiduciary activities are reported in the separate *Statement of Fiduciary Net Position* and *Statement of Change in Fiduciary Net Position*. We exclude these activities from the District's other financial statements because the District cannot use these assets to finance its operations. The District is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

Management's Discussion and Analysis
June 30, 2022

FINANCIAL HIGHLIGHTS

- The District's total net position increased from \$7,266,150 to \$19,637,141.
- On the Statement of Activities, total revenues were more than total expenditures by \$12,370,991.
- Capital assets, net of depreciation, increased \$8,682,730. This increase was primarily driven by expenditures associated with Bond Measures A and B.
- Total long-term liabilities increased \$19,332,205. This is the net effect of a decrease in the proportionate share of the District's net pension liability, increases associated from the issuance of Series C General Obligation Bonds, and decreases from repayment of General Obligation Bonds (See Notes 5, 7, and 8).
- The District maintains sufficient reserves for a district its size. It meets the State required minimum reserve for economic uncertainty of 3% of general fund expenditures, transfers out, and other uses (total outgo). During fiscal year 2021-22, total General Fund expenditures and other financing uses totaled \$99,400,946 At June 30, 2022, the District's available reserves of \$12,932,146 in the General Fund equate to a 13.01% reserve.

GENERAL FUND BUDGETARY HIGHLIGHTS

The District's budget is prepared in accordance with California law and is based on the modified accrual basis of accounting. Over the course of the year, the District revises its budget based on updated financial information. The original budget, approved at the end of June for July 1, is based on May Revise figures and updated 45 days after the State approves its final budget. In addition, the District revises its budget at First and Second Interim.

In 2021-22, Santa Cruz City Schools (SCCS) focused on a restorative restart for students and staff. Learning loss mitigation was at the forefront of education as students returned to onsite learning in larger numbers since the onset of the Coronavirus pandemic (COVID-19).

As students and staff returned, SCCS continued to meet the challenges of creating a positive learning environment while navigating exposures to the virus that affected attendance and learning. In spite of the challenges, SCCS staffed all certificated positions and continued to recruit and meet the classified staffing levels that were tied to the one-time State and Federal learning loss dollar. A key focus of the leadership team was attempting to minimize the staff turnover percentages that have increased since the onset of the pandemic.

To maximize COVID relief resources, staff have used student assessment data and sought stakeholder input to make a plan to utilize learning loss dollars to meet students' academic and social emotional needs. In addition, staff have monitored the impact of newly implemented programs to help inform future budgeting while tracking the expenses as required for all reporting. In the case of SCCS, an additional 80 reports have been filed in 2021-22 showing the utilization of these funds and how they have been expended.

Over the course of the year, the district expanded support and services to families. Using the Emergency Connectivity Fund, Santa Cruz City Schools provided students with Chromebooks for expanded home learning. In addition, SCCS continued to increase the number of meals served to our students. SCCS also expanded our farm to table offerings with local food vendors and suppliers. To support student, family and staff health and well-being, Santa Cruz City Schools continued our partnership with Inspire Labs and the County Office of Education to offer vaccinations and testing to our entire community. Santa Cruz City Schools is proud of the restorative restart we created for our students, families, and staff during the 2021-22 school year.

ECONOMIC FACTORS BEARING ON THE DISTRICT'S FUTURE

With the Local Control Funding Formula (LCFF), calculating entitlements is now becoming routine; however each district addresses its risk factors when developing budget priorities and building multiyear projections. We have developed a Local Control Accountability Plan (LCAP) that is tied directly to our budget and the Eight State priorities that involves our stakeholders in this process. High populations of English Learners, Foster Youth and low-income students are primary factors in the computation of any additional funding for public schools in the state of California. The calculation involving the groups adds a level of complexity to revenue forecasting that began with the advent of the LCFF.

The future will continue to require that the SCCS administration plans carefully and prudently to provide the resources to meet our students' needs while accounting for the uncertainty from the State. Santa Cruz City Schools has an excellent track record in meeting this challenge in what has proven to be a cycle of lean years.

GOVERNMENT FUNDS

At June 30, 2022 the District's combined governmental funds reported an ending fund balance of \$128,650,038, an increase of \$59,898,231 in comparison to the prior fiscal year.

RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TO THE STATEMENT OF NET POSITION
June 30, 2022

Total fund balances - Governmental Funds \$ 128,650,038

Amounts reported for governmental activities in the statement of position are different because:

Capital assets used for governmental activities are not financial resources and, therefore, are not reported as assets in governmental funds. The cost of the assets is \$339,856,765 and the accumulated depreciation is \$123,029,254 (Note 4). 216,827,511

Long-term liabilities are not due and payable in the current period and, therefore, are not reported as liabilities in the governmental funds. Long-term liabilities at June 30, 2022 consisted of (Note 5):

General Obligation Bonds	\$ (216,334,643)	
Accreted interest	(2,962,402)	
Unamortized premiums	(14,381,018)	
Certificates of Participation	(720,000)	
Lease liabilities	(6,685,628)	
Total OPEB liability (Note 9)	(20,439,490)	
Net pension liability (Notes 7 and 8)	(42,810,000)	
Compensated absences	<u>(85,674)</u>	
		(304,418,855)

In governmental funds, advanced debt refundings, the difference between the reacquisition price and the net carrying amount of the old debt is recognized in the period they are incurred. In the government-wide statements, the amount is deferred and amortized. 309,842

In governmental funds, deferred outflows and inflows of resources relating to pensions and OPEB are not reported because they are applicable to future periods. In the statement of net position, deferred outflows and inflows of resources relating to pensions and OPEB are reported (Notes 7 and 8).

Deferred outflows of resources relating to pensions	\$ 15,759,841	
Deferred inflows of resources relating to pensions	(37,926,000)	
Deferred outflows of resources relating to OPEB	3,329,097	
Deferred inflows of resources relating to OPEB	<u>(239,096)</u>	
		(19,076,158)

Unmatured interest is not recognized until it is due and, therefore, is not accrued as a payable in governmental funds. (2,655,237)

Total net position - governmental activities \$ 19,637,141

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Santa Cruz City Schools accounts for its financial transactions in accordance with the policies and procedures of the California Department of Education's *California School Accounting Manual*. The accounting policies of the District conform to accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board. The following is a summary of the more significant policies:

Reporting Entity: Santa Cruz City Schools (the "District") is a consolidation of Santa Cruz City High School District and Santa Cruz City Elementary School District. The Districts have not unified but are consolidated due to the fact that the Districts share a common governing board. These two entities are referred to collectively as Santa Cruz City Schools, and for purposes of these financial statements, will be referred to collectively as the District.

The Board of Education is the level of government which has governance responsibilities over all activities related to public school education in Santa Cruz City Schools. The Board is not included in any other governmental "reporting entity" as defined by the Governmental Accounting Standards Board since Board members have decision-making authority, the power to designate management, the responsibility to significantly influence operations and primary accountability for fiscal matters.

The District's Board of Education formed a non-profit public benefit corporation known as the Santa Cruz City Schools Financing Authority ("Authority"). The District and the Authority have a financial and operational relationship which meet the reporting entity definition criteria of *Codification of Governmental Accounting and Financial Reporting Standards, Section 2100*, for inclusion of Corporation as a blended component unit of the District. Therefore, the financial activities of Authority have been included in the Debt Service Fund in the financial statements of the District as a blended component unit.

The following are those aspects of the relationship between the District and Authority which satisfy *Codification of Governmental Accounting and Financial Reporting Standards, Section 2100*, as amended by criteria:

A - Manifestations of Oversight

1. The Authority's Board of Directors were appointed by the District's Board of Education.
2. The Authority has no employees. The District's Superintendent functions as an agent of the Corporation. The individual did not receive additional compensation for work performed in this capacity.

B - Accounting for Fiscal Matters

1. All major financing arrangements, contracts, and other transactions of the Authority must have the consent of the District.
2. Any deficits incurred by the Authority will be reflected in the lease payments of the District. Any surpluses of the Authority revert to the District at the end of the lease period.
3. It is anticipated that the District's lease payments will be the sole revenue source of the Authority.
4. The District has assumed a "moral obligation," and potentially a legal obligation, for any debt incurred by the Authority.

(Continued)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C - Scope of Public Service and Financial Presentation

1. The Authority was created for the sole purpose of financially assisting the District.
2. The Authority's financial activity is presented in the financial statements in the Debt Service Fund. Certificates of Participation issued by the Authority are included in the government-wide financial statements.

Basis of Presentation - Financial Statements: The basic financial statements include a Management's Discussion and Analysis (MD & A) section providing an analysis of the District's overall financial position and results of operations; financial statements prepared using full accrual accounting for all of the District's activities, including infrastructure, and a focus on the major funds.

Basis of Presentation - Government-Wide Financial Statements: The Statement of Net Position and the Statement of Activities display information about the reporting government as a whole. Custodial funds are not included in the government-wide financial statements. Custodial funds are reported only in the Statement of Fiduciary Net Position and the Statement of Change in Fiduciary Net Position at the fund financial statement level.

The Statement of Net Position and the Statement of Activities are prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place. Revenues, expenses, gains, losses, assets and liabilities resulting from nonexchange transactions are recognized in accordance with the requirements of Governmental Accounting Standards Board Codification Section (GASB Cod. Sec.) N50.118-.121.

Program revenues: Program revenues included in the Statement of Activities derive directly from the program itself or from parties outside the District's taxpayers or citizenry, as a whole; program revenues reduce the cost of the function to be financed from the District's general revenues.

Allocation of indirect expenses: The District reports all direct expenses by function in the Statement of Activities. Direct expenses are those that are clearly identifiable with a function. Depreciation and interest on general long-term liabilities are considered an indirect expense and are reported separately on the Statement of Activities.

Basis of Presentation - Fund Accounting: The accounts of the District are organized on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriate. District resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

A - Major Funds

General Fund: The General Fund is the general operating fund of the District and accounts for all revenues and expenditures of the District not encompassed within other funds. All general tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund. General operating expenditures and the capital improvement costs that are not paid through other funds are paid from the General Fund. For financial reporting purposes, the current year activity and year-end balance of the Special Reserve for Postemployment Benefits Fund is combined with the General Fund.

(Continued)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Building Fund: The Building Fund is a capital projects fund used to account for resources used for the acquisition or construction of major capital facilities and equipment.

Bond Interest and Redemption Fund: The Bond Interest and Redemption Fund is a debt service fund used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest and related costs.

B - Other Funds:

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. This includes the Student Activity, Adult Education, Cafeteria and Deferred Maintenance Funds.

Capital Project Funds are used account for resources which are used for the acquisition or construction of major capital facilities and purchase of equipment by the District. This includes the Capital Facilities and Special Reserve for Capital Outlay Projects Funds.

The Debt Service Fund is used for the accumulation of resources for and the retirement of principal and interest on general long-term debt issued through the Authority.

The Scholarship Trust Fund is a Custodial Fund for which the District acts as a trustee. The Scholarship Trust includes all cash activity and assets of the District's scholarship activities, managed by others.

Basis of Accounting: Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

Accrual: Governmental activities in the government-wide financial statements and fiduciary fund financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

Modified Accrual: The governmental funds financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., both measurable and available. "Available" means collectible in the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term liabilities, if any, is recognized when due.

Budgets and Budgetary Accounting: By state law, the Board of Education must adopt a final budget by July 1. A public hearing is conducted to receive comments prior to adoption. The Board of Education complied with these requirements.

Receivables: Receivables are made up principally of amounts due from the State of California and categorical programs. The District has determined that no allowance for doubtful accounts was needed as of June 30, 2022.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Stores Inventory: Inventory in the General Fund and Cafeteria Fund are stated at cost (average cost) which does not exceed replacement cost. Inventory consists of expendable supplies held for future use in the following period by the District's operating units, transportation supplies, and food held for consumption. Maintenance and other supplies held for physical plant repair are not included in inventory; rather, these amounts are recorded as expenditures when purchased.

Capital Assets: Capital assets purchased or acquired, with an original cost of \$5,000 or more, are recorded at historical cost or estimated historical cost. Contributed assets are reported at acquisition value for the contributed asset. Additions, improvements and other capital outlay that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Capital assets are depreciated using the straight-line method over 5 - 30 years depending on asset types.

Deferred Outflows/Inflows of Resources: In addition to assets, the Statement of Net Position includes a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to future periods, and as such will not be recognized as an outflow of resources (expense/expenditures) until then. The District has recognized a deferred loss on refunding of long-term debt. A deferred loss on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter life of the refunded or refunding debt. Additionally, the District has recognized deferred outflows of resources related to the recognition of the net pension liability and total OPEB liability.

In addition to liabilities, the Statement of Net Position includes a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to future periods and as such, will not be recognized as an inflow of resources (revenue) until that time. The District has recognized deferred inflows of resources related to the recognition of the net pension liability and total OPEB liability.

Pensions: For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the State Teachers' Retirement Plan (STRP) and Public Employers Retirement Fund B (PERF B) and additions to/deductions from STRP's and PERF B's fiduciary net position have been determined on the same basis as they are reported by STRP and PERF B. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Certain investments are reported at fair value.

	<u>STRP</u>	<u>PERF B</u>	<u>Total</u>
Deferred outflows of resources	\$ 11,498,857	\$ 4,260,984	\$ 15,759,841
Deferred inflows of resources	<u>\$ 30,627,000</u>	<u>\$ 7,299,000</u>	<u>\$ 37,926,000</u>
Net pension liability	<u>\$ 25,219,000</u>	<u>\$ 17,591,000</u>	<u>\$ 42,810,000</u>
Pension expense	<u>\$ 3,127,100</u>	<u>\$ 1,793,236</u>	<u>\$ 4,920,336</u>

Leases: From time to time, the District may enter into agreements as a lessee for leases of buildings or equipment for District use. Upon entering into a lease agreement as lessee, the District recognizes a lease liability and an intangible right-to-use lease asset (lease asset) in the government-wide financial statements. The District recognizes lease liabilities with an initial, individual total liability of \$50,000 or more.

(Continued)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

At the commencement of a lease, the District initially measures the lease liability at the present value of payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of lease payments made. The lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs. Subsequently, the lease asset is amortized on a straight-line basis over its useful life. Lease assets are reported with other capital assets and the lease liability is reported with long-term liabilities, on the statement of net position.

Interfund Activity: Interfund activity is reported as either loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between governmental funds are netted as part of the reconciliation to the government-wide financial statements.

Compensated Absences: Compensated absences benefits totaling \$85,674 are recorded as a liability of the District.

Accumulated Sick Leave: Accumulated sick leave benefits are not recognized as liabilities of the District. The District's policy is to record sick leave as an operating expenditure in the period taken since such benefits do not vest nor is payment probable. However, unused sick leave is added to the creditable service period for calculation of retirement benefits for vested STRS and CalPERS employees, when the employee retires.

Unearned Revenue: Revenue from federal, state, and local special projects and programs is recognized when qualified expenditures have been incurred. Funds received but not earned are recorded as unearned revenue until earned.

Net Position: Net position is displayed in three components:

1 - *Net Investment in Capital Assets* - Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances (excluding unspent bond proceeds) of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

2 - *Restricted Net Position* - Restrictions of the ending net position indicate the portions of net position not appropriate for expenditure or amounts legally segregated for a specific future use. The restriction for legally restricted programs represents the portion of net position restricted to specific program expenditures. The restriction for capital projects represents the portion of net position restricted for capital projects. The restriction for debt service represents the portion of net position available for the retirement of debt. The restriction for scholarships represents the portion of net position restricted for scholarships. It is the District's policy to use restricted net position first when allowable expenditures are incurred.

3 - *Unrestricted Net Position* - All other net position that does not meet the definitions of "restricted" or "net investment in capital assets".

Fund Balance Classifications: Governmental Accounting Standards Board Codification Sections 1300 and 1800, *Fund Balance Reporting and Governmental Fund Type Definitions* (GASB Cod. Sec. 1300 and 1800) implements a five-tier fund balance classification hierarchy that depicts the extent to which a government is bound by spending constraints imposed on the use of its resources. The five classifications, discussed in more detail below, are nonspendable, restricted, committed, assigned and unassigned.

(Continued)

SANTA CRUZ CITY SCHOOLS
NOTES TO FINANCIAL STATEMENTS
June 30, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

A - Nonspendable Fund Balance: The nonspendable fund balance classification reflects amounts that are not in spendable form, such as revolving fund cash and stores inventory.

B - Restricted Fund Balance: The restricted fund balance classification reflects amounts subject to externally imposed and legally enforceable constraints. Such constraints may be imposed by creditors, grantors, contributors, or laws or regulations of other governments, or may be imposed by law through constitutional provisions or enabling legislation. These are the same restrictions used to determine restricted net position as reported in the government-wide and fiduciary trust fund statements.

C - Committed Fund Balance: The committed fund balance classification reflects amounts subject to internal constraints self-imposed by formal action of the Board of Education. The constraints giving rise to committed fund balance must be imposed no later than the end of the reporting period. The actual amounts may be determined subsequent to that date but prior to the issuance of the financial statements. Formal action by the Board of Education is required to remove any commitment from any fund balance. At June 30, 2022, the District had no committed fund balances.

D - Assigned Fund Balance: The assigned fund balance classification reflects amounts that the District's Board of Education has approved to be used for specific purposes, based on the District's intent related to those specific purposes. As of June 30, 2022, the Board of Education can designate personnel with the authority to assign fund balances. As of June 30, 2022 no such designation has occurred.

E - Unassigned Fund Balance: In the General Fund only, the unassigned fund balance classification reflects the residual balance that has not been assigned to other funds and that is not restricted, committed, or assigned to specific purposes.

In any fund other than the General Fund, a positive unassigned fund balance is never reported because amounts in any other fund are assumed to have been assigned, at least, to the purpose of that fund. However, deficits in any fund, including the General Fund that cannot be eliminated by reducing or eliminating amounts assigned to other purposes are reported as negative unassigned fund balance.

Fund Balance Policy: The District has an expenditure policy relating to fund balances. For purposes of fund balance classifications, expenditures are to be spent from restricted fund balances first, followed in order by committed fund balances (if any), assigned fund balances and lastly unassigned fund balances.

While GASB Cod. Sec. 1300 and 1800 do not require districts to establish a minimum fund balance policy or a stabilization arrangement, GASB Cod. Sec. 1300 and 1800 do require the disclosure of a minimum fund balance policy and stabilization arrangements, if they have been adopted by the Board of Education. At June 30, 2022, the District has not established a minimum fund balance policy nor has it established a stabilization arrangement.

Property Taxes: Secured property taxes are attached as an enforceable lien on property as of March 1. Taxes are due in two installments on or before December 10 and April 10. Unsecured property taxes are due in one installment on or before August 31. The County of Santa Cruz bills and collects taxes for the District. Tax revenues are recognized by the District when received.

Eliminations and Reclassifications: In the process of aggregating data for the Statement of Net Position and the Statement of Activities, some amounts reported as interfund activity and balances in the funds were eliminated or reclassified. Interfund receivables and payables were eliminated to minimize the "grossing up" effect on assets and liabilities within the governmental activities column.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Accordingly, actual results may differ from those estimates.

New Accounting Pronouncements: In June 2017, the GASB issued GASB Statement No. 87, *Leases*. GASB 87 requires the recognition of certain assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. Under this statement a lease is required to be recognized as a lease liability and an intangible right to use lease asset and the lessor is required to recognize a lease receivable and deferred inflow of resources. This statement was originally effective for fiscal years beginning after December 15, 2019, but due to the adoption of GASB 95, the implementation date was extended to reporting periods beginning after June 15, 2021. District management performed an analysis and determined that the implementation of GASB 87 did not have a material impact on the District's financial statements and there was no restatement to beginning net position.

NOTE 2 - CASH AND INVESTMENTS

Cash and investments at June 30, 2022 consisted of the following:

	<u>Governmental Activities</u>	<u>Fiduciary Fund</u>
Pooled Funds:		
Cash in County Treasury	\$ 131,581,273	\$ 1,496,523
Collections awaiting deposit	285,262	-
Deposits:		
Cash on hand and in banks	55,845	-
Revolving cash fund	40,000	-
Investments:		
Cash with fiscal agent	439,344	-
Investments	-	413,453
Total cash and cash equivalents	\$ 132,401,724	\$ 1,909,976

Pooled Funds: In accordance with Education Code Section 41001, the District maintains substantially all of its cash in the interest bearing Santa Cruz County Treasurer's Pooled Investment Fund. The District is considered to be an involuntary participant in an external investment pool. The fair value of the District's investment in the pool is reported in the financial statements at amounts based upon the District's pro-rata share of the fair value provided by the County Treasurer for the entire portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

Deposits - Custodial Credit Risk: The District limits custodial credit risk by ensuring uninsured balances are collateralized by the respective financial institution. Cash balances held in banks are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC) and are collateralized by the respective financial institution. At June 30, 2022, the carrying amount of the District's accounts were \$95,845 and the bank balances were \$119,358, all of which was insured.

NOTE 2 - CASH AND INVESTMENTS (Continued)

Cash with Fiscal Agent: Cash with Fiscal Agent represents funds held by Fiscal Agents restricted for capital projects in the Building Fund. The District holds their funds with the Santa Cruz County Treasurer. The balance available for withdrawal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

Investments: The District categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The District has the following recurring fair value measurements as of June 30, 2022:

1. Stocks of \$3,797 are valued using quoted market prices (Level 1 inputs).
2. Mutual funds of \$409,656 are valued using a matrix pricing model (Level 2 inputs).

Investment Interest Rate Risk: The District does not have a formal investment policy that limits cash and investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At June 30, 2022, the District had no significant interest rate risk related to cash and investments held.

Cash with Fiscal Agent: Cash with Fiscal Agent represents funds held by Fiscal Agents restricted for capital projects in the Building Fund. NOTE 7 - NET PENSION LIABILITY - STATE TEACHERS' RETIREMENT PLAN

General Information about the State Teachers' Retirement Plan

Plan Description: Teaching-certified employees of the District are provided with pensions through the State Teachers' Retirement Plan (STRP) - a cost-sharing multiple-employer defined benefit pension plan administered by the California State Teachers' Retirement System (CalSTRS). The Teachers' Retirement Law (California Education Code Section 22000 et seq.), as enacted and amended by the California Legislature, established this plan and CalSTRS as the administrator. The benefit terms of the plans may be amended through legislation. CalSTRS issues a publicly available financial report that can be obtained at <http://www.calstrs.com>.

Benefits Provided: The STRP Defined Benefit Program has two benefit formulas:

- CalSTRS 2% at 60: Members first hired on or before December 31, 2012, to perform service that could be creditable to CalSTRS.
- CalSTRS 2% at 62: Members first hired on or after January 1, 2013, to perform service that could be creditable to CalSTRS.

The Defined Benefit (DB) Program provides retirement benefits based on members' final compensation, age and years of service credit. In addition, the retirement program provides benefits to members upon disability and to survivors/beneficiaries upon the death of eligible members. There are several differences between the two benefit formulas which are noted below.

CalSTRS 2% at 60 - CalSTRS 2% at 60 members are eligible for normal retirement at age 60, with a minimum of five years of credited service. The normal retirement benefit is equal to 2.0 percent of final compensation for each year of credited service. Early retirement options are available at age 55 with five years of credited service or as early as age 50 with 30 years of credited service. The age factor for retirements after age 60 increases with each quarter year of age to 2.4 percent at age 63 or older. Members who have 30 years or more of credited service receive an additional increase of up to 0.2 percent to the age factor up to the 2.4 percent maximum.

CalSTRS calculates retirement benefits based on a one-year final compensation for members who retired on or after January 1, 2001, with 25 or more years of credited service, or for classroom teachers with less than 25 years of credited service if the employer elected to pay the additional benefit cost prior to January 1, 2014. One-year final compensation means a member's highest average annual compensation earnable for 12 consecutive months calculated by taking the creditable compensation that a member could earn in a school year while employed on a fulltime basis, for a position in which the person worked. For members with less than 25 years of credited service, final compensation is the highest average annual compensation earnable for any 36 consecutive months of credited service.

CalSTRS 2% at 62 - CalSTRS 2% at 62 members are eligible for normal retirement at age 62, with a minimum of five years of credited service. The normal retirement benefit is equal to 2.0 percent of final compensation for each year of credited service. An early retirement option is available at age 55. The age factor for retirement after age 62 increases with each quarter year of age to 2.4 percent at age 65 or older.

All CalSTRS 2% at 62 members have their final compensation based on their highest average annual compensation earnable for 36 consecutive months of credited service.

Contributions: Required member, employer and state contribution rates are set by the California Legislature and Governor and detailed in Teachers' Retirement Law. Current contribution rates were established by California Assembly Bill 1469 (CalSTRS Funding Plan), which was passed into law in June 2014, and various subsequent legislation.

The CalSTRS Funding Plan established a schedule of contribution rate increases shared among members, employers, and the State of California to bring CalSTRS toward full funding by fiscal year 2046. California Senate Bill 90 and California Assembly Bill 84 (collectively the "Special Legislation") were signed into law in June 2019 and June 2020, respectively, and provided supplemental contributions to the DB Program along with supplemental contribution rate relief to employers through fiscal year 2021–22.

A summary of statutory contribution rates and other sources of contributions to the DB Program pursuant to the CalSTRS Funding Plan and the Special Legislation, are as follows:

Members - Under CalSTRS 2% at 60, the member contribution rate was 10.250 percent of applicable member earnings for fiscal year 2021-22. Under CalSTRS 2% at 62, members contribute 50 percent of the normal cost of their retirement plan, which resulted in a contribution rate of 10.205 percent of applicable member earnings for fiscal year 2021-22.

According to current law, the contribution rate for CalSTRS 2% at 62 members is adjusted if the normal cost increases or decreases by more than 1 percent since the last time the member contribution rate was set. Based on the June 30, 2020 valuation adopted by the board in June 2021, the increase in normal cost was less than 1 percent. Therefore, the contribution rate for CalSTRS 2% at 62 members did not change effective July 1, 2021.

Employers – 16.920 percent of applicable member earnings. This rate reflects the original employer contribution rate of 19.10 percent resulting from the CalSTRS Funding Plan, and subsequently reduced for the 2.18 percent, to be paid on behalf of employers pursuant to the Special Legislation.

Beginning in fiscal year 2021–22, the CalSTRS Funding Plan authorizes the board to adjust the employer supplemental contribution rate up or down by a maximum of 1% for a total rate of no higher than 20.25% and no lower than 8.25%. In June 2021, the CalSTRS board voted to keep the employer supplemental contribution rate the same for fiscal year 2021–22; it remained at 10.85% effective July 1, 2021.

Through the Special Legislation approved in June 2019 and June 2020, the State made supplemental contributions of approximately \$2.2 billion to CalSTRS on behalf of employers to supplant the amounts submitted by employers for fiscal years 2019–20 through 2021–22. Specifically, employers will remit 1.03%, 2.95% and 2.18% less than is required by the CalSTRS Funding Plan for fiscal years 2019–20, 2020–21 and 2021–22, respectively.

NOTE 7 - NET PENSION LIABILITY - STATE TEACHERS' RETIREMENT PLAN (Continued)

The CalSTRS employer contribution rates effective for fiscal year 2021-2022 through fiscal year 2046-47 are summarized in the table below:

<u>Effective Date</u>	<u>Base Rate</u>	<u>Supplemental Rate Per CalSTRS Funding Plan</u>	<u>Rate Adjustment Per Special Legislation</u>	<u>Total</u>
July 1, 2021	8.250%	10.850%	(2.180%)	16.920%
July 1, 2022 to June 30, 2046	8.250%	(1)	N/A	(1)
July 1, 2046	8.250%	Increase from AB 1469 rate ends in 2046-47		

(1) The CalSTRS Funding Plan authorizes the board to adjust the employer contribution rate up or down by up to 1% each year, but no higher than 20.250% total and no lower than 8.250%.

The District contributed \$6,530,857 to the plan for the fiscal year ended June 30, 2022.

State – 10.828 percent of the members' calculated based on creditable compensation from two fiscal years prior.

The state is required to contribute a base contribution rate set in statute at 2.017%. Pursuant to the CalSTRS Funding Plan, the state also has a supplemental contribution rate, which the board can increase by up to 0.5% each fiscal year to help eliminate the state's share of the CalSTRS unfunded actuarial obligation by 2046. In June 2021, the board approved an increase of 0.5% for fiscal year 2021–22, which will increase the state supplemental contribution rate to 6.311% effective July 1, 2021.

Special legislation appropriated supplemental state contributions to reduce the state's portion of the unfunded actuarial obligation of the DB Program in fiscal years 2019-20 through 2022-23. These contributions are funded from future excess General Fund revenues, pursuant to the requirements of California Proposition 2, Rainy-Day Budget Stabilization Fund Act, which passed in 2014. Accordingly, the contribution amounts are subject to change each year based on the availability of funding. For fiscal year 2020–21, CalSTRS received \$297.0 million in supplemental state contributions from Proposition 2 funds. Of this total, approximately \$170.0 million is designated to cover forgone contributions due to the suspension of the 0.5% increase to the state supplemental contribution rate in fiscal year 2020–21. The remaining \$127.0 million is designated to reduce the state's share of CalSTRS' unfunded actuarial obligation.

The CalSTRS state contribution rates effective for fiscal year 2021-22 and beyond are summarized in the table below.

<u>Effective Date</u>	<u>Base Rate</u>	<u>Supplemental Rate Per CalSTRS Funding Plan</u>	<u>SBMA Funding⁽¹⁾</u>	<u>Total</u>
July 01, 2021	2.017%	6.311%	2.50%	10.828%
July 01, 2022 to June 30, 2046	2.017%	(2)	2.50%	(2)
July 01, 2046	2.017%	(3)	2.50%	(3)

- (1) The SBMA contribution rate excludes the \$72 million that is reduced from the required contribution in accordance with Education Code section 22954.
- (2) The board has limited authority to adjust the state contribution rate annually through June 2046 in order to eliminate the remaining unfunded actuarial obligation. The board cannot increase the supplemental rate by more than 0.5% in a fiscal year, and if there is no unfunded actuarial obligation, the supplemental contribution rate imposed would be reduced to 0%.
- (3) From July 1, 2046, and thereafter, the rates in effect prior to July 1, 2014, are reinstated, if necessary, to address any remaining unfunded actuarial obligation.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2022, the District reported a liability for its proportionate share of the net pension liability that reflected a reduction for State pension support provided to the District. The amount recognized by the District as its proportionate share of the net pension liability, the related State support, and the total portion of the net pension liability that was associated with the District were as follows:

District's proportionate share of the net pension liability	\$ 25,219,000
State's proportionate share of the net pension liability associated with the District	<u>15,005,000</u>
Total	<u><u>\$ 40,224,000</u></u>

The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2020. The District's proportion of the net pension liability was based on the District's share of contributions to the pension plan relative to the contributions of all participating school Districts and the State. At June 30, 2021, the District's proportion was 0.055 percent, which was a decrease of 0.009 from its proportion measured as of June 30, 2020.

Total	<u>\$ 11,498,857</u>	<u>\$ 30,627,000</u>

\$6,530,857 reported as deferred outflows of resources related to pensions resulting from contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2023.

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ending <u>June 30,</u>	
2023	\$ (4,680,533)
2024	\$ (4,439,533)

NOTE 7 - NET PENSION LIABILITY - STATE TEACHERS' RETIREMENT PLAN (Continued)

Actuarial Methods and Assumptions: The total pension liability for the STRP was determined by applying update procedures to a financial reporting actuarial valuation as of June 30, 2020 and rolling forward the total pension liability to June 30, 2021. The financial reporting actuarial valuation as of June 30, 2020, used the following actuarial methods and assumptions, applied to all prior periods included in the measurement:

Valuation Date	June 30, 2020
Experience Study	July 1, 2015 through June 30, 2018
Actuarial Cost Method	Entry age normal
Investment Rate of Return	7.10%
Consumer Price Inflation	2.75%
Wage Growth	3.50%
Post-retirement Benefit Increases	2.00% simple for DB, maintain 85% purchasing power level for DB, not applicable for DBS/CBB

Discount Rate: The discount rate used to measure the total pension liability was 7.10 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and employers will be made at statutory contribution rates in accordance with the rate increase per AB 1469. Projected inflows from investment earnings were calculated using the long-term assumed investment rate of return (7.10 percent) and assuming that contributions, benefit payments, and administrative expense occur midyear. Based on those assumptions, the STRP's fiduciary net position was projected to be available to make all projected future benefit payments to current plan members. Therefore, the long-term assumed investment rate of return was applied to all periods of projected benefit payments to determine the total pension liability.

Mortality: CalSTRS uses a generational mortality assumption, which involves the use of a base mortality table and projection scales to reflect expected annual reductions in mortality rates at each age, resulting in increases in life expectancies each year into the future. The base mortality tables are CalSTRS custom tables derived to best fit the patterns of mortality among its members. The projection scale was set equal to 110 percent of the ultimate improvement factor from the Mortality Improvement Scale (MP-2019) table, issued by the Society of Actuaries.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. The best estimate ranges were developed using capital market assumptions from CalSTRS investment staff and investment consultants as inputs to the process.

The actuarial investment rate of return assumption was adopted by the CalSTRS board in January 2020 in conjunction with the most recent experience study. For each current and future valuation, CalSTRS consulting actuary reviews the return assumption for reasonableness based on the most current capital market assumptions.

NOTE 8 - NET PENSION LIABILITY - PUBLIC EMPLOYER'S RETIREMENT FUND B

General Information about the Public Employer's Retirement Fund B

Plan Description: The schools cost-sharing multiple-employer defined benefit pension plan Public Employer's Retirement Fund B (PERF B) is administered by the California Public Employees' Retirement System (CalPERS). Plan membership consists of non-teaching and non-certified employees of public schools (K-12), community college districts, offices of education, charter and private schools (elective) in the State of California.

The Plan was established to provide retirement, death and disability benefits to non-teaching and noncertified employees in schools. The benefit provisions for Plan employees are established by statute. CalPERS issues a publicly available financial report that can be obtained at:

<https://www.calpers.ca.gov/docs/forms-publications/acfr-2021.pdf>.

Benefits Provided: The benefits for the defined benefit plans are based on members' years of service, age, final compensation, and benefit formula. Benefits are provided for disability, death, and survivors of eligible members or beneficiaries. Members become fully vested in their retirement benefits earned to date after five years (10 years for State Second Tier members) of credited service.

Contributions: The benefits for the defined benefit pension plans are funded by contributions from members and employers, and earnings from investments. Member and employer contributions are a percentage of applicable member compensation. Member contribution rates are defined by law and depend on the respective employer's benefit formulas. Employer contribution rates are determined by periodic actuarial valuations or by state statute. Actuarial valuations are based on the benefit formulas and employee groups of each employer. Employer contributions, including lump sum contributions made when agencies first join the PERF B, are credited with a market value adjustment in determining contribution rates.

The required contribution rates of most active plan members are based on a percentage of salary in excess of a base compensation amount ranging from zero dollars to \$863 monthly.

Required contribution rates for active plan members and employers as a percentage of payroll for the year ended June 30, 2022 were as follows:

Members - The member contribution rate was 7.0 percent of applicable member earnings for fiscal year 2021-22.

Employers - The employer contribution rate was 22.91 percent of applicable member earnings.

The District contributed \$3,210,984 to the plan for the fiscal year ended June 30, 2022.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2022, the District reported a liability of \$17,591,000 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2020. The District's proportion of the net pension liability was based on the District's share of contributions to the pension plan relative to the contributions of all participating school Districts. At June 30, 2021, the District's proportion was 0.087 percent, which was a decrease of 0.002 percent from its proportion measured as of June 30, 2020.

The mortality table used was developed based on CalPERS specific data. The table includes 15 years of mortality improvements using Society of Actuaries Scale BB. For more details on this table, please refer to the 2014 experience study report.

All other actuarial assumptions used in the June 30, 2020 valuation were based on the results of an actuarial experience study for the period from 1997 to 2011, including updates to salary increase, mortality and retirement rates. Further details of the Experience Study can be found at CalPERS' website.

The table below reflects long-term expected real rate of return by asset class. The rate of return was calculated using the capital market assumptions applied to determine the discount rate and asset allocation.

1) An expected inflation rate of 2.50% used for this period.

2) An expected inflation rate of 3.00% used for this period.

Discount Rate: The discount rate used to measure the total pension liability was 7.15 percent. A projection of the expected benefit payments and contributions was performed to determine if assets would run out. The test revealed the assets would not run out. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability for the Plan. The results of the crossover testing for the Plan are presented in a detailed report that can be obtained at CalPERS' website.

NOTE 8 - NET PENSION LIABILITY - PUBLIC EMPLOYER'S RETIREMENT FUND B (Continued)

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Using historical and forecasted information for all the funds' asset classes, expected compound (geometric) returns were calculated over the short term (first 10 years) and the long term (11+ years) using a building-block approach. Using the expected nominal returns for both short term and long term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the rounded single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equal to the single equivalent rate calculated above and adjusted to account for assumed administrative expenses.

Sensitivity of the District's Proportionate Share of Net Pension Liability to Changes in the Discount Rate: The following presents the District's proportionate share of the net pension liability calculated using the discount rate of 7.15 percent, as well as what the District's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.15 percent) or 1-percentage-point higher (8.15 percent) than the current rate:

NOTE 9 - OTHER POSTEMPLOYMENT BENEFITS (OPEB)

General Information about the Other Postemployment Benefits Plan (OPEB)

Plan Description: In addition to the pension benefits described in Notes 7 and 8, the District provides healthcare benefits to eligible employees who retire from the District, as part of a single-employer defined benefit postemployment health care plan (the "Plan"). The Plan is administered by the District and allows employees who retire after having achieved retirement eligibility requirements to continue receiving medical, dental, vision, or life insurance coverage. The District's Board of Education has the authority to establish or amend the benefit terms offered by the Plan. The District's Board of Education also retains the authority to establish the requirements for paying for the Plan's benefits as they come due. As of June 30, 2022, the District has not accumulated assets in a qualified trust for the purpose of paying the benefits related to the District's total OPEB liability.

Benefits Provided: In accordance with contracts between the District and the respective employee groups, eligible employees may be entitled to receive certain medical dental or vision benefits through the Plan. Eligibility requirements vary depending on employee group, age at retirement, and number of years of service to the District:

Certificated and Management Employees: Certificated and management employees are eligible for benefits if they retire from the District after having reached age 55 with at least 15 years of service. Benefits provided include medical, dental, vision and life insurance, including dependent coverage, up to the maximum District contribution in the year of retirement, which varies by insurance plan and tier. The maximum contribution after retirement is increased by the same percentage as increases in the District's contribution for active employees over the same period. Benefits continue for the lesser of five years or until the retiree reaches age 65.

Classified Employees: Classified employees are eligible if they retire from the District after having reached age 58 with at least 20 years of service. Benefits provided include medical insurance up to a maximum District contribution that varies by tier and is frozen in the year of retirement. Only employees who were hired prior to August 1, 1991 are eligible to receive District-paid benefits for dependents. Dental, vision, and life insurance are available, however, the premiums for these insurance plans require the employee to contribute 100% of the premium.

Employees Covered by Benefit Terms: The following is a table of plan participants at June 30, 2022.

	<u>Number of Participants</u>
Inactive Plan members, covered spouses, or beneficiaries currently receiving benefits	54
Active employees	<u>668</u>

Contributions: California Government Code specifies that the District's contribution requirements for covered employees are established and may be amended by the District's Board of Education. Amounts paid by the District as benefits came due were \$626,005 for the year ended June 30, 2022. Employees are not required to contribute to the OPEB plan.

Discount Rate: Given the District's decision not to fund the program, all future benefit payments were discounted using a high quality municipal bond rate of 1.92%. The municipal bond rate was based on the week closest but not later than the measurement date of the Municipal Bond 20-Year High Grade Rate Index as published by the Federal Reserve. To be eligible for the Municipal Bond 20-Year High Grade Rate Index the bonds must be rated at least Moody's Investors Service's Aa2, AA by Standard & Poor's Corp.'s, or AA by Fitch Ratings.

OPEB Expense, Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended June 30, 2022, the District recognized OPEB expense of \$2,435,177. At June 30, 2022 the District reported deferred outflows and deferred inflows of resources related to the OPEB from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$ 1,041,451	\$ -
Changes in assumptions	1,661,641	239,096

NOTE 10 - JOINT POWERS AGREEMENTS

The District has entered into agreements with Joint Powers Agreements (JPAs) for the purpose of obtaining certain services such as insurance and other utilities services. The District is a member of the Santa Cruz-San Benito County Schools Insurance Group (SC-SBSIG), Self-Insured Schools of California III (SISC III), Southern Peninsula Region Insurance Group (SPRIG), the School Project for Utility Rate Reduction (SPURR), the Protected Insurance Program for Schools (PIPS), and Nor-Cal Relief (NCR) public entity risk pools. The District pays an annual premium to each entity for its excess health, worker's compensation, and property liability coverage. The relationship between the District and the pools is such that they are not component units of the District for financial reporting purposes. There have been no significant reductions in insurance coverage from coverage provided in the prior year.

NOTE 11 - COMMITMENTS AND CONTINGENCIES

The District is subject to legal proceedings and claims which arise in the ordinary course of business. In the opinion of management, the amount of ultimate liability with respect to these actions will not materially affect the financial position or results of operations of the District. Also, the District has received federal and state funds for specific purposes that are subject to review or audit by the grantor agencies. Although such audits could generate expenditure disallowances under terms of the grants, it is believed that any required reimbursements will not be material.

The District had outstanding commitments for construction contracts totaling approximately \$16.2 million at June 30, 2022.

June 30, 2022

NOTE 1 - PURPOSE OF SCHEDULES

A - Budgetary Comparison Schedule: The District employs budget control by object codes and by individual appropriation accounts. Budgets are prepared on the modified accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board. The budgets are revised during the year by the Board of Education to provide for revised priorities. Expenditures cannot legally exceed appropriations by major object code. The originally adopted and final revised budgets for the General Fund is presented as Required Supplementary Information. The basis of budgeting is the same as GAAP.

B - Schedule of Changes in the District's Total Other Postemployment Benefits (OPEB) Liability: The Schedule of Changes in the District's Total OPEB Liability is presented to illustrate the elements of the District's total OPEB liability. There is a requirement to show information for 10 years. However, until a full 10-year trend is compiled, governments should present information for those years for which information is available. The District has not accumulated assets in a qualified trust for the purpose of paying the benefits related to the District's total OPEB liability.

C - Schedule of the District's Proportionate Share of the Net Pension Liability: The Schedule of the District's Proportionate Share of the Net Pension Liability is presented to illustrate the elements of the District's Net Pension Liability. There is a requirement to show information for 10 years. However, until a full 10-year trend is compiled, governments should present information for those years for which information is available.

D - Schedule of the District's Contributions: The Schedule of the District's Contributions is presented to illustrate the District's required contributions relating to the pensions. There is a requirement to show information for 10 years. However, until a full 10- year trend is compiled, governments should present information for those years for which information is available.

E - Changes of Benefit Terms: There are no changes in benefit terms reported in the Required Supplementary Information.

F - Changes of Assumptions: The discount rates used for the total OPEB liability were 3.62, 3.13, 2.45 and 1.92 percent as of the June 30, 2018, 2019, 2020 and 2021 measurement dates, respectively.

The discount rates used for the Public Employer's Retirement Fund B (PERF B) was 7.50, 7.65, 7.65, 7.15, 7.15, 7.15. 7.15 and 7.15 percent in the June 30, 2013, 2014, 2015, 2016, 2017, 2018 and 2019 actuarial reports, respectively. SANTA CRUZ CITY SCHOOLS
ORGANIZATION
June 30, 2022

Santa Cruz City Schools was established in 1857. The District is a political subdivision of the State of California. The territory covered by the District includes Santa Cruz City Elementary School District and Santa Cruz City High School District. There were no changes in District boundaries during the current year. Santa Cruz City Schools operates four elementary, two middle schools, three comprehensive high schools, one continuation high school, and three alternative schools.

The Board of Education of Santa Cruz City Schools is composed of seven members. Although all seven members are elected at large, the District is divided into seven geographical areas and the Board members representing an area must reside within its boundaries. The Board and the Cabinet manage and control the affairs of the District.

The fund balance of the General Fund has increased by \$18,357,148 over the past three years. The fiscal year 2022-2023 budget, as originally adopted, projects a decrease of \$3,401,479. For a district this size, the state recommends available reserves of at least three percent of total General Fund expenditures, transfers out, and other uses. The District has met this requirement at June 30, 2022.

The District has incurred operating surpluses in each of the past three years; however, anticipates an operating deficit for the 2022-2023 fiscal year.

Total long-term liabilities have increased by \$15,118,918 over the past two years.

Average daily attendance has decreased by 382 over the past two years. A decrease of 25 ADA is projected for the 2022-2023 fiscal year.

SANTA CRUZ CITY SCHOOLS
NOTES TO SUPPLEMENTARY INFORMATION
For the Year Ended June 30, 2022

NOTE 1 - PURPOSE OF SCHEDULES

Schedule of Average Daily Attendance: Average daily attendance is a measurement of the number of pupils attending classes of the District. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to school districts. This schedule provides information regarding the attendance of students at various grade levels and in different programs.

Schedule of Instructional Time: The District has received incentive funding for increasing instructional time as provided by the Incentives for Longer Instructional Day. This schedule presents information on the amount of instructional time offered by the District and whether the District complied with the provisions of Education Code Sections 46201 through 46206.

Schedule of Expenditure of Federal Awards: The Schedule of Expenditure of Federal Awards includes the federal award activity of Santa Cruz City Schools and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The District has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

Reconciliation of Unaudited Actual Financial Report with Audited Financial Statements: This schedule provides the information necessary to reconcile the Unaudited Actual Financial Report to the audited financial statements.

Schedule of Financial Trends and Analysis – Unaudited: This schedule provides trend information on District's financial condition over the past three years and its anticipated condition for the 2022-2023 fiscal year, as required by the State Controller's Office. The information in this schedule has been derived from audited information.

Schedule of Charter Schools: This schedule provides information for the California Department of Education to monitor financial reporting by Charter Schools.

NOTE 2 - EARLY RETIREMENT INCENTIVE PROGRAM

Education Code Section 14502 requires certain disclosure in the financial statements of districts which adopt Early Retirement Incentive Programs pursuant to Education Code Sections 22714 and 44929. For the year ended June 30, 2022, the District did not adopt this program.

In our opinion, except for the noncompliance described in the Basis of Qualified Opinion section of our report, the District complied, in all material respects, with the compliance requirements referred to above that are applicable to the state laws and regulations referred to above for the year ended June 30, 2022.

Basis for Qualified Opinion on Compliance with State Laws and Regulations

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of the *2021-22 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* (Audit Guide). Our responsibilities under those standards and the Audit Guide are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance with state laws and regulations. Our audit does not provide a legal determination of the District's compliance with the compliance requirements referred to above.

(Continued)

Matters Giving Rise to Qualified Opinion on State Laws and Regulations

As described in Finding 2022-002 in the accompanying Schedule of Audit Findings and Questioned Costs, Santa Cruz City Schools did not comply with the requirements regarding Attendance. Compliance with such requirements is necessary, in our opinion, for Santa Cruz City Schools to comply with the requirements applicable to the state laws and regulations referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the District's government programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Audit Guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the District's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Audit Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the District's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Audit Guide, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matter

Government Auditing Standards requires the auditor to perform limited procedures on the Santa Cruz City Schools' response to the finding identified in our audit and described in the accompanying Schedule of Audit Findings and Questioned Costs. Santa Cruz City Schools' response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response

Purpose of this Report

The purpose of this report on compliance is solely to describe the scope of our testing of compliance and the results of that testing based on the requirements of the *2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

Board of Education
Santa Cruz City Schools
Santa Cruz, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Santa Cruz City Schools as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise Santa Cruz City Schools' basic financial statements, and have issued our report thereon dated December 14, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Santa Cruz City Schools' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Santa Cruz City Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of Santa Cruz City Schools' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a deficiency in internal control described in the accompanying Schedule of Audit Findings and Questioned Costs as Finding 2022-001 that we considered to be a material weakness.

(Continued)

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Santa Cruz City Schools' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The District's Response to Finding

Santa Cruz City Schools' response to the finding identified in our audit is described in the accompanying Schedule of Audit Findings and Questioned Costs. The District's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND REPORT
ON INTERNAL CONTROL OVER COMPLIANCE
AS REQUIRED BY UNIFORM GUIDANCE

Board of Education
Santa Cruz City Schools
Santa Cruz, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Santa Cruz City Schools' compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Santa Cruz City Schools' major federal programs for the year ended June 30, 2022. Santa Cruz City Schools' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Santa Cruz City Schools complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Santa Cruz City Schools and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Santa Cruz City Schools' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Santa Cruz City Schools' federal programs.

(Continued)

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Santa Cruz City Schools' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Santa Cruz City Schools' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we,

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Santa Cruz City Schools' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of Santa Cruz City Schools' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Santa Cruz City Schools' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

(Continued)

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SECTION II - FINANCIAL STATEMENT FINDINGS

2022-001 – MATERIAL WEAKNESS – INTERNAL CONTROLS OVER FINANCIAL REPORTING (30000)

Criteria:

Financial statements prepared in accordance with GASB Statement No. 34 and No. 62 must include activities related to long-term liabilities. Reporting of long-term liabilities requires management to ensure that debt payment activities and new long-term debt are maintained and reconciled to ensure that outstanding balances relating to liabilities are reported accurately.

Condition:

The District did not record necessary journal entries to reflect the issuance of Election of 2016 Series 2016 C General Obligation bonds, for both Santa Cruz City Elementary School District and Santa Cruz City High School District. The aggregate amount of both omitted entries totaled \$62,400,000 in the District's Building Fund. The proceeds were deposited in the Santa Cruz County Treasury through the debt issuance, but the District's internal records were not updated to reflect the proceeds from issuance and corresponding Cash in County Treasury balance.

Effect:

The District's financial statements contained misstatements related to cash from the issuance of new debt as well as the related inflows of resources from the proceeds of the new bond issuance. An audit adjustment to the financial statements and disclosures was necessary to correctly present the District's financial statements in accordance with Generally Accepted Accounting Principles. The opinion units affected by these adjustments were Governmental Activities and the Building Fund.

Cause:

The District's internal controls over financial reporting did not function at a sufficient level of precision to identify the misstatement during the review process.

Recommendation:

The District should update their internal control procedures for reviewing Cash in County Treasury and other account reconciliations, as necessary, to ensure that accounting and financial reporting for the issuance of new debt is reported, and is complete, accurate and appropriate.

Views of Responsible Officials and Planned Corrective Action:

The District's Assistant Superintendent of Business, the Finance Director and Finance Supervisor will review current cash and balancing every 16th of the month along with the learning loss reports. The District will review that all governmental and other district funds are included and that any outstanding items are addressed. The District has developed a closing schedule which includes reconciling Cash in County Treasury as of the fiscal year-end.

2022-002 – STATE COMPLIANCE – ATTENDANCE (10000)

Criteria:

Attendance Accounting and Reporting in California Public Schools, Title 5, CCR, Section 401 and 421 (b) and Education Code Section 44809 - Each LEA must develop and maintain accurate and adequate records to support the attendance reported to the State.

Condition:

One student was improperly claimed for apportionment at DeLaveaga Elementary School for a total overstatement of 0.01 ADA.

Context:

We performed the audit procedures enumerated in the State of California 2021-22 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting and identified the finding described above.

Effect:

The effect of this finding is an overstatement of 0.01 ADA.

Cause:

The errors were the result of clerical errors in accounting for attendance.

Fiscal Impact:

The error is below 0.50 ADA, therefore there is no fiscal impact.

Recommendation:

The District should enforce established internal controls over attendance accounting and reporting, to ensure accurate accounting for attendance.

Views of Responsible Officials and Planned Corrective Actions:

The District has revised and resubmitted the Period Two Report of Attendance. The District will be meeting quarterly to provide ongoing training on attendance reporting to all clerical staff and administrators.

2021-001 STATE COMPLIANCE – CLASSROOM TEACHER SALARIES (61000)

Condition: The total current expense of education in the General Fund for the audit year was calculated to be \$81,220,115, and the classroom teacher salaries and related benefits totaled \$42,888,559. The ratio of classroom teacher salaries to the current expense of education was calculated to be 52.81%, which is deficient by 2.19% from the requirement of 55%.

For purposes of evaluating compliance with Classroom Teacher Salaries, the District is evaluated as a “Unified” school district, as it represents the combined financial and operational activity of Santa Cruz City High School District and Santa Cruz City Elementary School District, as further described in Note 1 to the basic financial statements.

Recommendation: The District’s management team should implement necessary internal controls to ensure that classroom teacher salaries meet or exceed the minimum required percentage of current expense of education, in the District’s General Fund.

Current Status: Implemented.

Report on the Audit of the Financial Statements***Opinion***

We have audited the financial statements of the Measure A General Obligation Bonds (the "Bonds") activity of Santa Cruz City Schools (the "District"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Measure A General Obligation Bonds activity, of Santa Cruz City Schools, as of June 30, 2022, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards (Government Auditing Standards)*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Santa Cruz City Schools, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the financial activity and balances of the Measure A General Obligation Bonds activity and do not purport to, and do not, present fairly the financial position of Santa Cruz City Schools, as of June 30, 2022 or the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

(Continued)

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Santa Cruz City Schools's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 14, 2022 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters for the Bonds activity. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance for the Bonds activity. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance for the Bonds activity.

NOTES TO FINANCIAL STATEMENTS
June 30, 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of Santa Cruz City Schools (the "District") conform to accounting principles generally accepted in the United States of America as applicable to governments and to general practices within California school districts. The District accounts for its financial transactions in accordance with policies and procedures of the Department of Education's *California School Accounting Manual*. The activities of the Measure A Bonds are recorded along with other activities in the District's Building Fund. The accounting policies of the District conform to accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB). The following is a summary of the more significant accounting policies:

Financial Reporting Entity: The financial statements include the activity and balances of the Measure A General Obligation Bonds, only. The activities of the Measure A General Obligation Bonds are recorded along with other activities in the District's Building Fund. These financial statements are not intended to present the financial position and results of operations of Santa Cruz City Schools as a whole.

Basis of Accounting: Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of measurement made, regardless of the measurement focus applied.

The basic financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term liabilities, if any, is recognized when due.

Budgets and Budgetary Accounting: By State law, the District's Board of Education must adopt a final budget by July 1. A public hearing must be conducted to receive comments prior to adoption. The Board of Education complied with these requirements.

Restricted Fund Balance: Restricted fund balance includes resources which are legally or contractually restricted by external third parties. Fund balance is restricted for capital projects in accordance with the Bond Project List for Measure A General Obligation Bonds.

Interfund Activity: Transactions between funds of the District are recorded as interfund transfers. The unpaid balances at year end, as a result of such transactions, are shown as due to and due from other funds.

Accounting Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Accordingly, actual results may differ from those estimates.

Encumbrances: Encumbrance accounting is used in all budgeted funds to reserve portions of applicable appropriations for which commitments have been made. Encumbrances are recorded for purchase orders, contracts, and other commitments when they are written. Encumbrances are liquidated when the commitments are paid. All encumbrances are liquidated as of June 30.

MEASURE A GENERAL OBLIGATION BONDS
NOTES TO FINANCIAL STATEMENTS
June 30, 2022

NOTE 2 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents at June 30, 2022 consisted of \$45,314,020 held in the County Treasury investment pool.

Cash in County Treasury: In accordance with Education Code Section 41001, the District maintains substantially all of its cash in the interest-bearing Santa Cruz County Treasurer's Pooled Investment Fund. The District is considered to be an involuntary participant in an external investment pool. The fair value of the District's investment in the pool is reported in the financial statements at amounts based upon the District's pro-rata share of the fair value provided by the County Treasurer for the entire portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

Interest Rate Risk: The District does not have a formal investment policy that limits cash and investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At June 30, 2022, the District had no significant interest rate risk related to cash and investments held.

Credit Risk: The District does not have a formal investment policy that limits its investment choices other than the limitations of State law.

Concentration of Credit Risk: The District does not place limits on the amount it may invest in any one issuer. At June 30, 2022, the District had no concentration of credit risk.

NOTE 3 – FUND BALANCE CLASSIFICATION

Governmental Accounting Standards Board Codification Sections 1300 and 1800, *Fund Balance Reporting and Governmental Fund Type Definitions* (GASB Cod. Sec. 1300 and 1800) implements a five-tier fund balance classification hierarchy that depicts the extent to which a government is bound by spending constraints imposed on the use of its resources. The five classifications are nonspendable, restricted, committed, assigned and unassigned. The fund balance of the Measure A General Obligation Bonds is restricted, as described below.

The restricted fund balance classification reflects amounts subject to externally imposed and legally enforceable constraints. Such constraints may be imposed by creditors, grantors, contributors, or laws or regulations of other governments, or may be imposed by law through constitutional provisions or enabling legislation.

NOTE 4 – PURPOSE OF BOND ISSUANCE

Bond Authorization: By approval of this proposition by at least 55% of the registered voters voting on the proposition, the Santa Cruz City Schools shall be authorized to issue and sell bonds of up to \$140,000,000 in aggregate principal amount.

Purpose of Bonds: The proceeds of the Bonds may be used:

"To upgrade local middle and high school classrooms, science labs, career training facilities, and technology infrastructure to support student achievement in math, science, engineering, English, social studies, visual/performing arts, technology, and skilled trades; acquire, renovate, construct/equip classrooms, sites/facilities; and improve school safety, security and disabled access"

As required by the California Constitution, the proceeds from the sale of bonds will be used only for the construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

NOTE 5 – GENERAL OBLIGATION BOND ISSUANCES

The bonds are general obligations of the District, and Santa Cruz County is obligated to levy ad valorem taxes for the payment of and interest on, the principal of the bonds. The Bond Interest and Redemption Fund is maintained by the County Treasurer and is used to account for both the accumulation of resources from ad valorem tax levies and the payment of interest and redemption of principal of the bonds issued by the District.

Measure A: In February 2017, the District issued General Obligation Bonds, Election 2016 Series A, in the amount of \$56,000,000. Repayment of the bonds is made from the ad valorem taxes to be levied annually upon all property subject to taxation by the District. The Bonds bear interest at rates ranging from 3.0% to 5.0% and are scheduled to mature through August 2042.

In July 2019, the District issued Election of 2016 Series B General Obligation Bonds (Series B High School GO Bonds), totaling \$42,000,000. The Series B High School GO Bonds were issued to finance the repair, upgrade, acquisition, construction and/or equipping of various District properties. The Series B High School GO Bonds bear interest at rates ranging from 3.0% to 5.00% and are scheduled to mature through August 1, 2045.

In November 2021, the District issued Election of 2016, Series C General Obligation Bonds (Series C High School GO Bonds) totaling \$42,000,000. The Series C High School GO Bonds were issued to finance the renovation, construction and improvement of school facilities. The Series B High School GO Bonds bear interest at rates ranging from 2.0% to 4.0% and are scheduled to mature through August 1, 2040.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Education
Santa Cruz City Schools
Santa Cruz, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Measure A General Obligation Bonds (the "Bonds") activity of Santa Cruz City Schools (the "District") as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the District's Measure A General Obligation Bonds activity financial statements, and have issued our report thereon dated December 14, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Santa Cruz City Schools's internal control over Measure A General Obligation Bonds activity financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Santa Cruz City Schools's internal control. Accordingly, we do not express an opinion on the effectiveness of Santa Cruz City Schools's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a deficiency in internal control described in the accompanying Schedule of Audit Findings and Questioned Costs as Finding 2022-001 that we considered to be a material weakness.

(Continued)

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Santa Cruz City Schools's Measure A General Obligation Bonds activity financial statements are free from material misstatement, we performed tests of the District's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The District's Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on Santa Cruz City Schools' response to the findings identified in our audit and described in the accompanying *Schedule of Audit Findings and Questioned Costs*. Santa Cruz City Schools' response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF AUDIT FINDINGS AND QUESTIONED COSTS
For the Year Ended June 30, 2022

2022-001 – MATERIAL WEAKNESS – INTERNAL CONTROLS OVER FINANCIAL REPORTING (30000)

Criteria:

Management is responsible for the preparation and fair presentation of their financial statements, as well as the design, implementation, and maintenance of relevant internal control to ensure their financial statements are free from material misstatement, whether due to fraud or error.

Condition:

The District did not record necessary journal entries to reflect the issuance of Election of 2016 Series 2016 C General Obligation bonds for Santa Cruz City High School District. The aggregate amount of the omitted entry totaled \$42,000,000. The proceeds were deposited in the Santa Cruz County Treasury through the debt issuance, but the District's internal records were not updated to reflect the proceeds from issuance and corresponding Cash in County Treasury balance.

Effect:

The Measure A General Obligation Bonds financial statements contained a misstatement related to cash from the issuance of new debt, as well as the related inflows of resources from the proceeds of the new bond issuance. An audit adjustment was necessary to correctly present the Measure A General Obligation Bonds financial statements in accordance with Generally Accepted Accounting Principles.

Cause:

The District's internal controls over financial reporting did not function at a sufficient level of precision to identify the misstatement during the review process.

Recommendation:

The District should update their internal control procedures for reviewing Cash in County Treasury and other account reconciliations, as necessary, to ensure that accounting and financial reporting of bond issuance is reported, and is complete, accurate and appropriate.

Views of Responsible Officials and Planned Corrective Action:

The District's Assistant Superintendent of Business, the Finance Director and Finance Supervisor will review current cash and balancing every 16th of the month along with the learning loss reports. The District will review that all governmental and other district funds are included and that any outstanding items are addressed. The District has developed a closing schedule which includes reconciling Cash in County Treasury as of the fiscal year-end.

INDEPENDENT AUDITOR'S REPORT

Board of Education
and Citizens' Bond Oversight Committee
Santa Cruz City Schools
Soquel, California

We have conducted a performance audit of the Santa Cruz City Schools (the "District") Measure A General Obligation Bond funds for the year ended June 30, 2022.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 3 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure A General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for Santa Cruz City Schools' compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of Santa Cruz City Schools to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal control.

The results of our procedures indicated that, in all significant respects, Santa Cruz City Schools expended Measure A General Obligation Bond funds for the year ended June 30, 2022 only for the specific projects developed by the District's Governing Board and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

SANTA CRUZ CITY SCHOOLS
MEASURE A GENERAL OBLIGATION BONDS
BACKGROUND INFORMATION

LEGISLATIVE HISTORY

On November 7, 2000, California voters approved Proposition 39, the Smaller Classes, Safer Schools and Financial Accountability Act. Proposition 39 amended portions of the California Constitution to provide for the issuance of general obligation bonds by school districts, "for the construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities", upon approval by 55% of the electorate.

Education Code Section 15278 provides additional accountability measures:

1. A requirement that the school district establish and appoint members to an independent citizens' oversight committee.
2. A requirement that the school district expend bond funds only for the purposes described in Section 1(b)(3) of Article XIII A of the California Constitution, and ensuring that no funds are used for any teacher or administrative salaries or other school operating expenses.
3. A requirement to conduct an annual independent performance audit required by Section 1(b)(3)C of Article XIII A of the California Constitution.
4. A requirement to conduct an annual independent financial audit required by Section 1(b)(3)D of Article XIII A of the California Constitution.

SANTA CRUZ CITY SCHOOLS MEASURE A GENERAL OBLIGATION BONDS

On November 8, 2016, the electorate of Santa Cruz City Schools' approved the \$140,000,000 Measure A General Obligation Bonds, with greater than 55% of the votes in favor. The summarized text of the ballot language was as follows:

"To upgrade local middle and high school classrooms, science labs, career training facilities, and technology infrastructure to support student achievement in math, science, engineering, English, social studies, visual/performing arts, technology, and skilled trades; acquire, renovate, construct/equip classrooms, sites/facilities; and improve school safety, security and disabled access"

All bond expenditures are subject to review by a Citizens' Oversight Committee which reports to the public, as provided in Education Code Section 15278 *et seq.*

The financial activity related to the Measure A General Obligation Bonds is recorded in the Fund 21 (Building Fund) in the District's audited financial statements.

In February 2017, the District issued General Obligation Bonds, Election 2016 Series A, in the amount of \$56,000,000. Repayment of the bonds is made from the ad valorem taxes to be levied annually upon all property subject to taxation by the District. The Bonds bear interest at rates ranging from 3.0% to 5.0% and are scheduled to mature through August 2042.

In July 2019, the District issued General Obligation Bonds, Election 2016 Series B, in the amount of \$42,000,000. Repayment of the bonds is made from the ad valorem taxes to be levied annually upon all property subject to taxation by the District. The Bonds bear interest at rates ranging from 3.0% to 5.0% and are scheduled to mature through August 2045.

In November 2021, the District issued Election of 2016, Series C General Obligation Bonds (Series C High School GO Bonds) totaling \$42,000,000. The Series C High School GO Bonds were issued to finance the renovation, construction and improvement of school facilities. The Series B High School GO Bonds bear interest at rates ranging from 2.0% to 4.0% and are scheduled to mature through August 1, 2040.

SANTA CRUZ CITY SCHOOLS
MEASURE A GENERAL OBLIGATION BONDS
OBJECTIVES, SCOPE, METHODOLOGY AND CONCLUSION
June 30, 2022

OBJECTIVES

The objective of our performance audit was to determine that the District expended Measure A General Obligation Bond funds for the year ended June 30, 2022 only for the purposes approved by the voters and only on the specific projects developed by the District's Board of Education, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution.

SCOPE

The District provided to us a list of all Measure A General Obligation Bond project expenditures for the year ended June 30, 2022 (the "List"). A total of \$9,496,944 in expenditures from July 1, 2021 through June 30, 2022 were identified.

METHODOLOGY

We performed the following procedures to the List of Measure A General Obligation Bond project expenditures for the year ended June 30, 2022:

- Verified the mathematical accuracy of the List.
- Vouched the List to total bond expenditures as reported by the District in the District's Measure A General Obligation Bond financial statements for the year ended June 30, 2022.
- Selected a sample of 26 expenditures totaling \$3,318,312. The sample was selected to provide a representation across specific construction projects, vendors and expenditure amounts. The sample represented approximately 35% of the total expenditure value. Verified that the funds were generally expended for the construction, renovation, furnishing, and equipping of school facilities constituting authorized bond projects. Verified that the funds which were used to pay for salaries of district employees were allowable per Opinion 04-110 issued on November 9, 2004 by the State of California Attorney General.

CONCLUSION

The results of our procedures indicated that, in all significant respects, Santa Cruz City Schools expended Measure A General Obligation Bond funds for the year ended June 30, 2022 only for the specific projects developed by the District's Board of Education and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

Report on the Audit of the Financial Statements***Opinion***

We have audited the financial statements of the Measure B General Obligation Bonds (the "Bonds") activity of Santa Cruz City Schools (the "District"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Measure B General Obligation Bonds activity, of Santa Cruz City Schools, as of June 30, 2022, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards (Government Auditing Standards)*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Santa Cruz City Schools, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the financial activity and balances of the Measure B General Obligation Bonds activity and do not purport to, and do not, present fairly the financial position of Santa Cruz City Schools, as of June 30, 2022, or the changes in its financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

(Continued)

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Santa Cruz City Schools's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 14, 2022 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters for the Bonds activity. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance for the Bonds activity. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance for the Bonds activity.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of Santa Cruz City Schools (the "District") conform to accounting principles generally accepted in the United States of America as applicable to governments and to general practices within California school districts. The District accounts for its financial transactions in accordance with policies and procedures of the Department of Education's *California School Accounting Manual*. The activities of the Measure B Bonds are recorded along with other activities in the District's Building Fund. The accounting policies of the District conform to accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB). The following is a summary of the more significant accounting policies:

Financial Reporting Entity: The financial statements include the activity and balances of the Measure B General Obligation Bonds, only. The activities of the Measure B General Obligation Bonds are recorded along with other activities in the District's Building Fund. These financial statements are not intended to present the financial position and results of operations of Santa Cruz City Schools as a whole.

Basis of Accounting: Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of measurement made, regardless of the measurement focus applied.

The basic financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term liabilities, if any, is recognized when due.

Budgets and Budgetary Accounting: By State law, the District's Board of Education must adopt a final budget by July 1. A public hearing must be conducted to receive comments prior to adoption. The Board of Education complied with these requirements.

Restricted Fund Balance: Restricted fund balance includes resources which are legally or contractually restricted by external third parties. Fund balance is restricted for capital projects in accordance with the Bond Project List for Measure B General Obligation Bonds.

Interfund Activity: Transactions between funds of the District are recorded as interfund transfers. The unpaid balances at year end, as a result of such transactions, are shown as due to and due from other funds.

Accounting Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Accordingly, actual results may differ from those estimates.

Encumbrances: Encumbrance accounting is used in all budgeted funds to reserve portions of applicable appropriations for which commitments have been made. Encumbrances are recorded for purchase orders, contracts, and other commitments when they are written. Encumbrances are liquidated when the commitments are paid. All encumbrances are liquidated as of June 30.

MEASURE B GENERAL OBLIGATION BONDS
NOTES TO FINANCIAL STATEMENTS
June 30, 2022

NOTE 2 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents at June 30, 2022 consisted of \$20,847,396 held in the County Treasury investment pool.

Cash in County Treasury: In accordance with Education Code Section 41001, the District maintains substantially all of its cash in the interest-bearing Santa Cruz County Treasurer's Pooled Investment Fund. The District is considered to be an involuntary participant in an external investment pool. The fair value of the District's investment in the pool is reported in the financial statements at amounts based upon the District's pro-rata share of the fair value provided by the County Treasurer for the entire portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

Interest Rate Risk: The District does not have a formal investment policy that limits cash and investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At June 30, 2022, the District had no significant interest rate risk related to cash and investments held.

Credit Risk: The District does not have a formal investment policy that limits its investment choices other than the limitations of State law.

Concentration of Credit Risk: The District does not place limits on the amount it may invest in any one issuer. At June 30, 2022, the District had no concentration of credit risk.

NOTE 4 – FUND BALANCE CLASSIFICATION

Governmental Accounting Standards Board Codification Sections 1300 and 1800, *Fund Balance Reporting and Governmental Fund Type Definitions* (GASB Cod. Sec. 1300 and 1800) implements a five-tier fund balance classification hierarchy that depicts the extent to which a government is bound by spending constraints imposed on the use of its resources. The five classifications are nonspendable, restricted, committed, assigned and unassigned. The fund balance of the Measure B General Obligation Bonds is restricted, as described below.

The restricted fund balance classification reflects amounts subject to externally imposed and legally enforceable constraints. Such constraints may be imposed by creditors, grantors, contributors, or laws or regulations of other governments, or may be imposed by law through constitutional provisions or enabling legislation.

NOTE 5 – PURPOSE OF BOND ISSUANCE

Bond Authorization: By approval of this proposition by at least 55% of the registered voters voting on the proposition, the Santa Cruz City Schools shall be authorized to issue and sell bonds of up to \$68,000,000 in aggregate principal amount.

Purpose of Bonds: The proceeds of the Bonds may be used:

"To repair/upgrade neighborhood elementary school classrooms and facilities, including deteriorated roofs, plumbing, and electrical systems; remove hazardous materials; renovate, construct/equip, acquire classrooms, facilities and technology infrastructure to support programs in reading, math, science, arts and technology; improve school safety/security; and replace outdated portables with modern classrooms"

As required by the California Constitution, the proceeds from the sale of bonds will be used only for the construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

NOTE 6 – GENERAL OBLIGATION BOND ISSUANCES

The bonds are general obligations of the District, and Santa Cruz County is obligated to levy ad valorem taxes for the payment of and interest on, the principal of the bonds. The Bond Interest and Redemption Fund is maintained by the County Treasurer and is used to account for both the accumulation of resources from ad valorem tax levies and the payment of interest and redemption of principal of the bonds issued by the District.

Measure B: In February 2017, the District issued General Obligation Bonds, Election 2016, Series A, in the amount of \$27,200,000. Repayment of the bonds is made from the ad valorem taxes to be levied annually upon all property subject to taxation by the District. The Bonds bear interest at rates ranging from 3.0% to 5.0% and are scheduled to mature through August 2042.

In July 2019, the District issued General Obligation Bonds, Election 2016, Series B, in the amount of \$20,400,000. Repayment of the bonds is made from the ad valorem taxes to be levied annually upon all property subject to taxation by the District. The Bonds bear interest at rates ranging from 3.0% to 5.0% and are scheduled to mature through August 1, 2045.

In November 2021, Santa Cruz City Elementary School District issued General Obligation Bonds, Election 2016, Series C, in the amount of \$20,400,000. Repayment of the bonds is made from the ad valorem taxes to be levied annually upon all property subject to taxation by the District. The Bonds bear interest at rates ranging from 2.0% to 3.0% and are scheduled to mature through August 1, 2036.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Measure B General Obligation Bonds (the "Bonds") activity of Santa Cruz City Schools (the "District") as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the District's Measure B General Obligation Bonds activity financial statements, and have issued our report thereon dated December 14, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Santa Cruz City Schools's internal control over Measure B General Obligation Bonds activity financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Santa Cruz City Schools's internal control. Accordingly, we do not express an opinion on the effectiveness of Santa Cruz City Schools's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a deficiency in internal control described in the accompanying Schedule of Audit Findings and Questioned Costs as Finding 2022-001 that we considered to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Santa Cruz City Schools's Measure B General Obligation Bonds activity financial statements are free from material misstatement, we performed tests of the District's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The District's Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on Santa Cruz City Schools' response to the findings identified in our audit and described in the accompanying *Schedule of Audit Findings and Questioned Costs*. Santa Cruz City Schools' response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MEASURE B GENERAL OBLIGATION BONDS
SCHEDULE OF AUDIT FINDINGS AND QUESTIONED COSTS
For the Year Ended June 30, 2022

2022-001 – MATERIAL WEAKNESS – INTERNAL CONTROLS OVER FINANCIAL REPORTING (30000)

Criteria:

Management is responsible for the preparation and fair presentation of their financial statements, as well as the design, implementation, and maintenance of relevant internal control to ensure their financial statements are free from material misstatement, whether due to fraud or error.

Condition:

The District did not record necessary journal entries to reflect the issuance of Election of 2016 Series 2016 C General Obligation bonds for Santa Cruz City Elementary School District. The aggregate amount of the omitted entry totaled \$20,400,000. The proceeds were deposited in the Santa Cruz County Treasury through the debt issuance, but the District's internal records were not updated to reflect the proceeds from issuance and corresponding Cash in County Treasury balance.

Effect:

The Measure B General Obligation Bonds financial statements contained a misstatement related to cash from the issuance of new debt, as well as the related inflows of resources from the proceeds of the new bond issuance. An audit adjustment was necessary to correctly present the Measure B General Obligation Bonds financial statements in accordance with Generally Accepted Accounting Principles.

Cause:

The District's internal controls over financial reporting did not function at a sufficient level of precision to identify the misstatement during the review process.

Recommendation:

The District should update their internal control procedures for reviewing Cash in County Treasury and other account reconciliations, as necessary, to ensure that accounting and financial reporting of bond issuance is reported, and is complete, accurate and appropriate.

Views of Responsible Officials and Planned Corrective Action:

The District's Assistant Superintendent of Business, the Finance Director and Finance Supervisor will review current cash and balancing every 16th of the month along with the learning loss reports. The District will review that all governmental and other district funds are included and that any outstanding items are addressed. The District has developed a closing schedule which includes reconciling Cash in County Treasury as of the fiscal year-end.

INDEPENDENT AUDITOR'S REPORT

Board of Education and Citizens' Bond Oversight Committee
Santa Cruz City Schools
Soquel, California

We have conducted a performance audit of the Santa Cruz City Schools (the "District") Measure B General Obligation Bond funds for the year ended June 30, 2022.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 3 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure B General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for Santa Cruz City Schools' compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of Santa Cruz City Schools to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal control.

The results of our procedures indicated that, in all significant respects, Santa Cruz City Schools expended Measure B General Obligation Bond funds for the year ended June 30, 2022 only for the specific projects developed by the District's Governing Board and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

SANTA CRUZ CITY SCHOOLS
MEASURE B GENERAL OBLIGATION BONDS
BACKGROUND INFORMATION

LEGISLATIVE HISTORY

On November 7, 2000, California voters approved Proposition 39, the Smaller Classes, Safer Schools and Financial Accountability Act. Proposition 39 amended portions of the California Constitution to provide for the issuance of general obligation bonds by school districts, "for the construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities", upon approval by 55% of the electorate.

Education Code Section 15278 provides additional accountability measures:

1. A requirement that the school district establish and appoint members to an independent citizens' oversight committee.
2. A requirement that the school district expend bond funds only for the purposes described in Section 1(b)(3) of Article XIII A of the California Constitution, and ensuring that no funds are used for any teacher or administrative salaries or other school operating expenses.
3. A requirement to conduct an annual independent performance audit required by Section 1(b)(3)C of Article XIII A of the California Constitution.
4. A requirement to conduct an annual independent financial audit required by Section 1(b)(3)D of Article XIII A of the California Constitution.

SANTA CRUZ CITY SCHOOLS MEASURE B GENERAL OBLIGATION BONDS

On November 8, 2016, the electorate of Santa Cruz City Schools' approved the \$68,000,000 Measure B General Obligation Bonds, with greater than 55% of the votes in favor. The summarized text of the ballot language was as follows:

"To repair/upgrade neighborhood elementary school classrooms and facilities, including deteriorated roofs, plumbing, and electrical systems; remove hazardous materials; renovate, construct/equip, acquire classrooms, facilities and technology infrastructure to support programs in reading, math, science, arts and technology; improve school safety/security; and replace outdated portables with modern classrooms"

All bond expenditures are subject to review by a Citizens' Oversight Committee which reports to the public, as provided in Education Code Section 15278 *et seq.*

The financial activity related to the Measure B General Obligation Bonds is recorded in the Fund 21 (Building Fund) in the District's audited financial statements.

In February 2017, the District issued General Obligation Bonds, Election 2016, Series A, in the amount of \$27,200,000. Repayment of the bonds is made from the ad valorem taxes to be levied annually upon all property subject to taxation by the District. The Bonds bear interest at rates ranging from 3.0% to 5.0% and are scheduled to mature through August 2042.

In July 2019, the District issued General Obligation Bonds, Election 2016, Series B, in the amount of \$20,400,000. Repayment of the bonds is made from the ad valorem taxes to be levied annually upon all property subject to taxation by the District. The Bonds bear interest at rates ranging from 3.0% to 5.0% and are scheduled to mature through August 2045.

In November 2021, Santa Cruz City Elementary School District issued General Obligation Bonds, Election 2016, Series C, in the amount of \$20,400,000. Repayment of the bonds is made from the ad valorem taxes to be levied annually upon all property subject to taxation by the District. The Bonds bear interest at rates ranging from 2.0% to 3.0% and are scheduled to mature through August 1, 2036.

OBJECTIVES, SCOPE, METHODOLOGY AND CONCLUSION
June 30, 2022

OBJECTIVES

The objective of our performance audit was to determine that the District expended Measure B General Obligation Bond funds for the year ended June 30, 2022 only for the purposes approved by the voters and only on the specific projects developed by the District's Board of Education, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution.

SCOPE

The District provided to us a list of all Measure B General Obligation Bond project expenditures for the year ended June 30, 2022 (the "List"). A total of \$3,248,769 in expenditures from July 1, 2021 through June 30, 2022 were identified.

METHODOLOGY

We performed the following procedures to the List of Measure B General Obligation Bond project expenditures for the year ended June 30, 2022:

- Verified the mathematical accuracy of the List.
- Reconciled the list to total bond expenditures as reported by the District in the District's audited Measure B General Obligation Bonds financial statements for the year ended June 30, 2022.
- Selected a sample of 27 expenditures totaling \$1,304,717. The sample was selected to provide a representation across specific construction projects, vendors and expenditure amounts. The sample represented approximately 40% of the total expenditure and transfers value, respectively. Verified that the funds were generally expended for the construction, renovation, furnishing, and equipping of school facilities constituting authorized bond projects. Verified that the funds which were used to pay for salaries of district employees were allowable per Opinion 04-110 issued on November 9, 2004 by the State of California Attorney General.

CONCLUSION

The results of our procedures indicated that, in all significant respects, Santa Cruz City Schools expended Measure B General Obligation Bond funds for the year ended June 30, 2022 only for the specific projects developed by the District's Board of Education and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

PUBLIC DISCLOSURE OF COLLECTIVE BARGAINING AGREEMENT

3547.5.

(a) Before a public school employer enters into a written agreement with an exclusive representative covering matters within the scope of representation, the major provisions of the agreement, including, but not limited to, the costs that would be incurred by the public school employer under the agreement for the current and subsequent fiscal years, shall be disclosed at a public meeting of the public school employer in a format established for this purpose by the Superintendent of Public Instruction.

(b) The superintendent of the school district and chief business official shall certify in writing that the costs incurred by the school district under the agreement can be met by the district during the term of the agreement. This certification shall be prepared in a format similar to that of the reports required pursuant to Sections 42130 and 42131 of the Education Code and shall itemize any budget revision necessary to meet the costs of the agreement in each year of its term.

(c) If a school district does not adopt all of the revisions to its budget needed in the current fiscal year to meet the costs of a collective bargaining agreement, the county superintendent of schools shall issue a qualified or negative certification for the district on the next interim report pursuant to Section 42131 of the Education Code.

(Amended by Stats. 2004, Ch. 52, Sec. 17. Effective June 21, 2004.)

COE NOTE:

NOTE: A Side letter – not ratified by union membership – does not require a public disclosure or to go to board, unless it has a fiscal impact.

Public Disclosure of Collective Bargaining Agreement (AB1200 Form)

This Excel form should be sent to the COE at least 10 calendar days prior to the District's Board meeting that will have a compensation settlement between the district and a bargaining unit as an agenda item.

Please email the form, TA and other supporting documentation to:

coe_business_help@santacruzcoe.org

For additional information concerning this document and process, please contact Jean Gardner, at (831) 466-5604 or by email at:

jgardner@santacruzcoe.org

The timing between union ratification and the AB1200 deadline is not as critical; just need to submit at least 10 days prior to the public meeting where the disclosure will be discussed.

Government Code 3547.5

This full packet must be included in board packet, and a PUBLIC meeting must be held. (not a public hearing)

The disclosure of major provisions and cost comes first, 2nd Item the board approves the agreement/ratification.

Probably advisable to post full disclosure with announcement of/posting of Agenda.

Include all costs in ALL FUNDS on page 1, even if they are already budgeted.
only complete the year 2 and year 3 column if the agreement in a multi-year agreement.
if it's a one year agreement, even if ongoing costs, do not include costs in those columns.
for HW increases, the year ends 9/30 so costs would be included in year 2.

		1.56%	0.00%	0.00%

9. What was the negotiated percentage increase approved? For example, if the increase in "Year 1" was for less than a full year, what is the annualized percentage of that increase for "Year 1"?

For 2022-23 the District and GSCFT agreed to an additional one-time off the salary schedule payment of \$1,500 for employees working a 0.51 FTE or above. A one-time off the salary schedule payment of \$750 for employees working 0.50 FTE and below. This will be applied to current employees as of February 1, 2023. Employees on full time leave for the 2022-23 school year will not be eligible for this one time payment.

10. Were any additional steps, columns, or ranges added to the schedules? (If yes, please explain.)

None

11. Please include comments and explanations as necessary.

None

12. Does this bargaining unit have a negotiated cap for Health and Welfare benefits? Yes No

If yes, please describe the cap amount.

B. Proposed Negotiated Changes in Noncompensation Items (i.e., class size adjustments, etc.)

None

C. What are the specific impacts on instructional and support programs to accommodate the settlement?

Please indicate the status of these changes: 1) planning stage, 2) in-progress, or 3) adopted. Include the impact of changes such as staff reductions or increases, program reductions or increases, elimination or expansion of other services or programs (i.e., counselors, librarians, custodial staff, etc.)

None

D. What contingency language is included in the proposed agreement? Include specific areas identified reopeners, applicable fiscal years, and specific contingency language.

None

E. Will this agreement create, increase or decrease deficit spending in the current or subsequent year(s)? "Deficit spending" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If yes, explain the amounts and justification for doing so.

Yes, this will increase the deficit spending and the district does have a reserve over the 3% minimum to cover these costs.

F. Describe other major provisions that do not directly affect the district's costs, such as binding arbitrations, grievance procedures, etc. Please disclose any other components of the agreement which may or may not affect the district's fund balance in future years.

None

G. Source of Funding for Proposed Agreement

1. Current Year

General Fund Unrestricted and Restricted Funds.

2. If this is a single year agreement, how will the on-going cost of the proposed agreement be funded in subsequent years (i.e., what will allow the district to afford this contract)?

This is a one-time bonus only for 2022-23.

3. If this is a multiyear agreement, what is the source of funding, including assumptions used, to fund these obligations in subsequent years? (Remember to include compounding effects in meeting obligations.)

SANTA CRUZ CITY SCHOOL DISTRICT

AGENDA ITEM: AB 1200 Public Disclosure on Tentative 2022-23 Collective Bargaining Agreement, between Santa Cruz City Schools and the Santa Cruz Council of Classified Employees (SCCCE)

MEETING DATE: January 11, 2023

FROM: Jim Monreal, Assistant Superintendent, Business Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve AB 1200 Public Disclosure on tentative bargaining agreement with Santa Cruz Council of Classified Employees for 2022-23.

BACKGROUND:

A tentative bargaining agreement for 2022-23 has been reached with the District's classified bargaining unit, the Santa Cruz Council of Classified Employees. The Board is required by AB 1200 to make this tentative agreement available to the public, to publicly disclose its costs.

A one-time off salary schedule payment of \$1,5000 for FTE .51 to 1.00 (+) FTE and \$750 for FTE of .50 or below for 2022-23.

FISCAL IMPACT:

\$642,785

Funding Sources: LCFF Base (Unrestricted), LCFF Supplemental (Restricted), Federal Categorical Programs (Restricted), State and Local Funds (Restricted and Unrestricted).

This work is in direct support of the following District goals and their corresponding metrics:

Goal #5: SCCS will maintain a balanced budget and efficient and effective management.

Goal #6: SCCS will maintain strong communication and partnership with its diverse community.

AGENDA ITEM: 8.5.2.5

Tentative Agreement SCCCE and SCCS

12.21.22

SCCS agrees to pay \$1,500 as a one-time off salary schedule payment to full-time permanent (post probationary) classified employees who work more than 4 hours, not including EWRs. SCCS agrees to pay \$750 as a one-time off salary schedule payment to permanent (post probationary) part-time classified employees working four hours or less, not including EWRs. This agreement applies to employees that are permanent as of February 1, 2023. Employees on a full time leave for the 2022-23 school year will not be eligible for this one time payment.

PUBLIC DISCLOSURE OF COLLECTIVE BARGAINING AGREEMENT

3547.5.

(a) Before a public school employer enters into a written agreement with an exclusive representative covering matters within the scope of representation, the major provisions of the agreement, including, but not limited to, the costs that would be incurred by the public school employer under the agreement for the current and subsequent fiscal years, shall be disclosed at a public meeting of the public school employer in a format established for this purpose by the Superintendent of Public Instruction.

(b) The superintendent of the school district and chief business official shall certify in writing that the costs incurred by the school district under the agreement can be met by the district during the term of the agreement. This certification shall be prepared in a format similar to that of the reports required pursuant to Sections 42130 and 42131 of the Education Code and shall itemize any budget revision necessary to meet the costs of the agreement in each year of its term.

(c) If a school district does not adopt all of the revisions to its budget needed in the current fiscal year to meet the costs of a collective bargaining agreement, the county superintendent of schools shall issue a qualified or negative certification for the district on the next interim report pursuant to Section 42131 of the Education Code.

(Amended by Stats. 2004, Ch. 52, Sec. 17. Effective June 21, 2004.)

COE NOTE:

NOTE: A Side letter – not ratified by union membership – does not require a public disclosure or to go to board, unless it has a fiscal impact.

Public Disclosure of Collective Bargaining Agreement (AB1200 Form)

This Excel form should be sent to the COE at least 10 calendar days prior to the District's Board meeting that will have a compensation settlement between the district and a bargaining unit as an agenda item.

Please email the form, TA and other supporting documentation to:

coe_business_help@santacruzcoe.org

For additional information concerning this document and process, please contact Jean Gardner, at (831) 466-5604 or by email at:

jgardner@santacruzcoe.org

The timing between union ratification and the AB1200 deadline is not as critical; just need to submit at least 10 days prior to the public meeting where the disclosure will be discussed.

Government Code 3547.5

This full packet must be included in board packet, and a PUBLIC meeting must be held. (not a public hearing)

The disclosure of major provisions and cost comes first, 2nd Item the board approves the agreement/ratification.

Probably advisable to post full disclosure with announcement of/posting of Agenda.

Include all costs in ALL FUNDS on page 1, even if they are already budgeted.
only complete the year 2 and year 3 column if the agreement in a multi-year agreement.
if it's a one year agreement, even if ongoing costs, do not include costs in those columns.
for HW increases, the year ends 9/30 so costs would be included in year 2.

A. Proposed Change in Compensation

Compensation	Annual Cost Prior to Proposed Agreement FY 2022-23	Fiscal Impact of Proposed Agreement		
		Year 1 Increase/(Decrease) FY 2022-23	Year 2 Increase/(Decrease) FY	Year 3 Increase/(Decrease) FY
1 Salary Schedule Increase (Decrease)	\$15,561,971			
		0.00%	0.00%	0.00%
2 Step and Column - Increase (Decrease) Due to movement plus any changes due to settlement				
		0.00%	0.00%	0.00%
3 Other Compensation - Increase (Decrease)(Stipends, Bonuses, Longevity, Overtime, etc.) **Included in base above		\$484,500		
Description of other compensation				
4 Statutory Benefits - STRS, PERS, FICA, WC, UI, Medicate etc.	\$4,541,369	\$158,285		
		3.49%	0.00%	0.00%
5 Health/Welfare Plans	\$5,774,584			
		0.00%	0.00%	0.00%
6 Total Compensation - Increase (Decrease) (Total Lines 1-5)	\$25,877,924	\$642,785	\$0	\$0
7 Total Number of Represented Employees (Use FTEs if appropriate)	301.97			
8 Total Compensation Average Cost per Employee	\$ 85,697.00	\$ 2,128.64	\$ -	\$ -
		2.48%	0.00%	0.00%

9. What was the negotiated percentage increase approved? For example, if the increase in "Year 1" was for less than a full year, what is the annualized percentage of that increase for "Year 1"?

For 2022-23 the District and SCCCE agreed to an additional one-time off the salary schedule payment of \$1,500 to permanent employees working a 0.51 FTE or above (post probationary). A one-time off the salary schedule payment of \$750 to permanent employees working 0.50 FTE and below (post probationary). This will be applied to permanent employees as of February 1, 2023. Employees on full time leave for the 2022-23 school year will not be eligible for this one time payment.

10. Were any additional steps, columns, or ranges added to the schedules? (If yes, please explain.)

None

11. Please include comments and explanations as necessary.

This does not include EWR's.

12. Does this bargaining unit have a negotiated cap for Health and Welfare benefits? Yes No

If yes, please describe the cap amount.

Classified BU has a hard cap at Blue Shield HMO \$25 Office/\$500 Hospital plan rates, district picks up 70% of increases and employee picks up 30%. All other classified plans is 100% employee portion if the premium cost is more than the cap.

- B. Proposed Negotiated Changes in Noncompensation Items** (i.e., class size adjustments, etc.)

None

- C. What are the specific impacts on instructional and support programs to accommodate the settlement?**

Please indicate the status of these changes: 1) planning stage, 2) in-progress, or 3) adopted. Include the impact of changes such as staff reductions or increases, program reductions or increases, elimination or expansion of other services or programs (i.e., counselors, librarians, custodial staff, etc.)

None

D. What contingency language is included in the proposed agreement? Include specific areas identified reopeners, applicable fiscal years, and specific contingency language.

None

E. Will this agreement create, increase or decrease deficit spending in the current or subsequent year(s)? "Deficit spending" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If yes, explain the amounts and justification for doing so.

Yes, this will increase the deficit spending and the district does have a reserve over the 3% minimum to cover these costs.

F. Describe other major provisions that do not directly affect the district's costs, such as binding arbitrations, grievance procedures, etc. Please disclose any other components of the agreement which may or may not affect the district's fund balance in future years.

None

G. Source of Funding for Proposed Agreement

1. Current Year

General Fund Unrestricted, Restricted Funds, Food Service and Bond Funds.

2. If this is a single year agreement, how will the on-going cost of the proposed agreement be funded in subsequent years (i.e., what will allow the district to afford this contract)?

This is a one-time bonus only for 2022-23.

3. If this is a multiyear agreement, what is the source of funding, including assumptions used, to fund these obligations in subsequent years? (Remember to include compounding effects in meeting obligations.)

SANTA CRUZ CITY SCHOOL DISTRICT

AGENDA ITEM: Resolution 24-22-23 Consideration of Resolution Confirming Certification of Election Results (Elementary School District Measure L) And Entry Upon Minutes of Favorable Vote

MEETING DATE: January 11, 2023

FROM: Jim Monreal, Assistant Superintendent of Business Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Adopt Resolution 24-22-23 providing for the certification of election results of the November 8, 2022 election in which Measure L was passed.

BACKGROUND:

The District submitted to the voters Measure “L” on the November 8, 2022 ballot, which authorized its general obligation bond proposal in the amount of \$122,000,000. The voters approved the passage of Measure “L” with at least a 55% vote. Pursuant to California Education Code Section 15274, the District has received the election results from the Elections Officials of Santa Cruz County, which this Board is to incorporate in its official minutes and which it shall certify to the Board of Supervisors of Santa Cruz County.

Adoption of the resolution confirms the election results from the Elections Officials of Santa Cruz County. The resolution confirms that at least 55% of the votes cast on the proposition of issuing the Bonds were in favor of issuing the Bonds and that the proposition has been approved.

The resolution further certifies to the Board of Supervisors of Santa Cruz County that all proceedings relating to the calling of the election, and the approval by the electorate, were properly conducted as to all actions performed by the District.

Upon adoption of the resolution, a copy of the resolution will be forwarded to the Santa Cruz County Superintendent of Schools who must send a copy to the Santa Cruz County Board of Supervisors and to the County Clerk of Santa Cruz County.

Within sixty (60) days of the Board adopting the resolution it must establish an independent citizens’ oversight committee, by resolution, to review and report on the expenditure of bond funds. The committee must consist of at least seven (7) members who serve for a term of two (2) years without compensation and for no more than three consecutive terms. The committee must include all of the following:

AGENDA ITEM: 8.5.2.4

- one member who is active in a business organization representing the business community located within the District;
- one member active in a senior citizens' organization;
- one member who is the parent or guardian of a child enrolled in the District;
- one member who is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization; and
- one member who is active in a bona fide taxpayers' organization.

The committee may not include any employee or official of the District or a vendor, contractor, or consultant of the District.

Staff will bring forward an agenda item to establish the Bond Oversight Committee for Measure L at a future meeting.

FISCAL IMPACT:

none

This work is in direct support of the following District goals and their corresponding metrics:

Goal #5: SCCS will maintain a balanced budget and efficient and effective management.

BEFORE THE BOARD OF EDUCATION OF THE
SANTA CRUZ CITY ELEMENTARY SCHOOL DISTRICT

RESOLUTION NO. 24-22-23

RESOLUTION CONFIRMING CERTIFICATION OF ELECTION
RESULTS AND ENTRY UPON MINUTES OF FAVORABLE VOTE

WHEREAS, the Santa Cruz City Elementary School District (the "District"), through this Board of Education, submitted to the electors of the District pursuant to Article XIII A, section 1(b) of the California Constitution and Chapter 1.5 of Part 10 of Title 1 (commencing with section 15264) of the California Education Code, its general obligation bond proposal in the amount of One Hundred Twenty-Two Million Dollars (\$122,000,000) for the election that was held on November 8, 2022; and

WHEREAS, the electors of the District approved, by at least a 55% vote, general obligation bonds (the "Bonds") as Measure "L" in the amount of One Hundred Twenty-Two Million Dollars (\$122,000,000), all as set forth in the bond proposition submitted to the electors of the District; and

WHEREAS, pursuant to Education Code section 15274, the District has received the election results from the Elections Official of Santa Cruz County, which the Board of Education is to incorporate in its official minutes and which it shall certify to the Board of Supervisors of Santa Cruz County.

NOW, THEREFORE, THE BOARD OF EDUCATION OF THE SANTA CRUZ CITY ELEMENTARY SCHOOL DISTRICT HEREBY RESOLVES, DETERMINES, AND ORDERS AS FOLLOWS:

Section 1. The foregoing recitals are true and correct.

Section 2. The certificate of election results from the Election Officials of the County of Santa Cruz is hereby confirmed and the Board confirms, pursuant to said certificate, that at least 55% of the votes cast on the proposition of issuing the Bonds as described above were in favor of issuing the bonds and the proposition has been approved.

Section 3. The Board orders, by this resolution, entry upon the official minutes of the District the fact that at least 55% of the votes cast on the proposition issuing the Bonds in the above-stated amount were in favor of issuing said Bonds and so the proposition has been approved.

Section 4. Hereby certifies to the Board of Supervisors of Santa Cruz County that all proceedings relating to the calling of the election and the approval by the electorate, by at least a

55% vote of issuing the Bonds were properly conducted as to all actions performed by the District.

Section 5. It is requested that the Santa Cruz County Superintendent of Schools send a copy of the certificate of election results to the Board of Supervisors of Santa Cruz County.

Section 6. A copy of this resolution shall be forwarded to the Santa Cruz County Superintendent of Schools with a copy to the Santa Cruz County Board of Supervisors and to the County Clerk of Santa Cruz County.

Section 7. This Resolution shall take effect immediately upon its adoption.

Appendix 6 – Canvass Activity Summaries

Canvass Activities Summary

November 8, 2022 Statewide General Election

Auditing of the Voting Locations

Each location is responsible to complete a variety of forms at the close of the location each day of the voting period. Elections staff then audits those forms to account for all ballots issued and returned. For the November 8, 2022 election, there were 21 voting locations available for voters to access for in-person voting or receive a replacement ballot. Below is a list of the voting locations with the days and hours of availability. All locations were audited and where the paperwork reflected discrepancies, those discrepancies were thoroughly researched and resolved. In all cases these were poll worker errors such as transcription errors or recording information in the wrong places. The primary error was not getting the complete information needed for the Voter Information Sheet if the printer was not working. This is important for verifying Voter Participation History was given to the correct voter.

1% Manual Tally

Per Elections Code Section 15360, 1% of precincts must be hand tallied to determine that the voting system is reading and tabulating votes correctly. For November 7, 2022, there were 115 voting precincts, which meant that only 2 precincts needed to be counted. Elections Code Section 15360 also states that all contests on the ballot need to be hand tallied. Because all of our ballots (vote by mail and in-person) were tabulated in batches, Santa Cruz County Elections Department determined that a minimum of 4 batches per tabulator would be drawn from the Election Night results and another 26 batches would be drawn after all vote by mail, same day registration and provisional ballots had been added to the count prior to certification. After making those selections, we would verify that all

precincts were accounted for in those batches. If not, more batches would be drawn to fulfil the requirements.

The picking of the batches was broadcasted through a live stream with observers present. Batches were randomly selected by those present. All batches are randomly selected by pulling a slip from a bowl. All contests on the ballot would be tallied. All votes cast in those batches were tallied including preprinted paper ballots and votes cast on the tablets. Blank ballots that were encountered (in any media) were tallied as undervotes for each contest. Spoiled, cancelled, and otherwise invalidated ballots were not tallied as they are not valid ballots.

Vote-by-mail and paper ballots used at the voting locations were tallied by audit teams of 3 auditors. Duties were divided among team members with one-member reading from the ballot, and the other two members keeping independent, simultaneous tallies. Once all the ballots for that batch had been read, then the totals on the tally sheets were compared against each other. The results were later compared to the central tally count and if the totals did not match, then the hand tally began again.

Materials used to complete the tallies were minimal, but included specialized tally sheets, pencils and the central count reports. In total, 48 batches (4,646 ballots) were reviewed. On the following page are the batches that were drawn for the 1% tally (VBM = Vote by mail and IP = in-person).

Due to public health guidelines, not many observers were present during the canvass. However, we installed cameras in our office and in the rooms where we were conducting canvass activities that observers could utilize to observe our activities. Our office always welcome observers and fielded many calls about the status of the activities. Because the audit was conducted at central elections, no additional security measures were required above and beyond normal security precautions in place.

The 1% was conducted by new staff using our new voting system which had new printed ballots and new tabulation methods, so it took some time for the teams to get into a good rhythm and the initial contest was often recounted. In the end, all contests matched the results tallied except for four instances of voter intent (not marking the ballot correctly) where the ballot was corrected, and the results updated.

Escalated Manual Tally

Two contests on the ballot were particularly close and it was decided to tally 100% of the ballots cast in that contest. Between the two contests, 6,686 ballots in 330 batches were tallied in the same manner as the other batches in the 1%. All hand tallies matched the machine results except for one instance of voter intent (not marking the ballot correctly) where the ballot was corrected, and the results updated.

In the end, the results from the manual tally matched the machine results with 100% accuracy.

Search for Live Ballots

After searching through all the supplies and equipment that were returned from the voting locations, no live ballots were found.

Equipment Incidents

There were two incidents with the voting equipment for the November 8, 2022 election. Both were paper jams in two different tablet printers. Election officers at the voting locations cleared the jam and voting resumed. Both affected voters reviewed their ballots when printing resumed and deposited the ballot into the ballot box.

SANTA CRUZ CITY SCHOOL DISTRICT

AGENDA ITEM: Resolution 25-22-23 Consideration of Resolution confirming certification of election results (High School District Bond Measure K) and Entry Upon Minutes of Favorable Vote

MEETING DATE: January 11, 2023

FROM: Jim Monreal, Assistant Superintendent of Business Services

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Adopt Resolution 25-22-23 providing for the certification of election results of the November 8, 2022 election of which Measure K was passed.

BACKGROUND:

The District submitted to the voters Measure “K” on the November 8, 2022 ballot, which authorized its general obligation bond proposal in the amount of \$249,000,000. The voters approved the passage of Measure “K” with at least a 55% vote. Pursuant to California Education Code Section 15274, the District has received the election results from the Elections Officials of Santa Cruz County, which this Board is to incorporate in its official minutes and which it shall certify to the Board of Supervisors of Santa Cruz County.

Adoption of the resolution confirms the election results from the Elections Officials of Santa Cruz County. The resolution confirms that at least 55% of the votes cast on the proposition of issuing the Bonds were in favor of issuing the Bonds and that the proposition has been approved.

The resolution further certifies to the Board of Supervisors of Santa Cruz County that all proceedings relating to the calling of the election, and the approval by the electorate, were properly conducted as to all actions performed by the District.

Upon adoption of the resolution, a copy of the resolution will be forwarded to the Santa Cruz County Superintendent of Schools who must send a copy to the Santa Cruz County Board of Supervisors and to the County Clerk of Santa Cruz County.

Within sixty (60) days of the Board adopting the resolution it must establish an independent citizens’ oversight committee, by resolution, to review and report on the expenditure of bond funds. The committee must consist of at least seven (7) members who serve for a term of two (2) years without compensation and for no more than three consecutive terms. The committee must include all of the following:

AGENDA ITEM: 8.5.2.5

- one member who is active in a business organization representing the business community located within the District;
- one member active in a senior citizens' organization;
- one member who is the parent or guardian of a child enrolled in the District;
- one member who is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization; and
- one member who is active in a bona fide taxpayers' organization.

The committee may not include any employee or official of the District or a vendor, contractor, or consultant of the District.

Staff will bring forward an agenda item to establish the Bond Oversight Committee for Measure K at a future meeting.

FISCAL IMPACT:

none

This work is in direct support of the following District goals and their corresponding metrics:

Goal #5: SCCS will maintain a balanced budget and efficient and effective management.

BEFORE THE BOARD OF EDUCATION OF THE
SANTA CRUZ CITY HIGH SCHOOL DISTRICT

RESOLUTION NO. 25-22-23

RESOLUTION CONFIRMING CERTIFICATION OF ELECTION
RESULTS AND ENTRY UPON MINUTES OF FAVORABLE VOTE

WHEREAS, the Santa Cruz City High School District (the "District"), through this Board of Education, submitted to the electors of the District pursuant to Article XIII A, section 1(b) of the California Constitution and Chapter 1.5 of Part 10 of Title 1 (commencing with section 15264) of the California Education Code, its general obligation bond proposal in the amount of Two Hundred Forty-Nine Million Dollars (\$249,000,000) for the election that was held on November 8, 2022; and

WHEREAS, the electors of the District approved, by at least a 55% vote, general obligation bonds (the "Bonds") as Measure "K" in the amount of Two Hundred Forty-Nine Million Dollars (\$249,000,000), all as set forth in the bond proposition submitted to the electors of the District; and

WHEREAS, pursuant to Education Code section 15274, the District has received the election results from the Elections Official of Santa Cruz County, which the Board of Education is to incorporate in its official minutes and which it shall certify to the Board of Supervisors of Santa Cruz County.

NOW, THEREFORE, THE BOARD OF EDUCATION OF THE SANTA CRUZ CITY HIGH SCHOOL DISTRICT HEREBY RESOLVES, DETERMINES, AND ORDERS AS FOLLOWS:

Section 1. The foregoing recitals are true and correct.

Section 2. The certificate of election results from the Election Officials of the County of Santa Cruz is hereby confirmed and the Board confirms, pursuant to said certificate, that at least 55% of the votes cast on the proposition of issuing the Bonds as described above were in favor of issuing the bonds and the proposition has been approved.

Section 3. The Board orders, by this resolution, entry upon the official minutes of the District the fact that at least 55% of the votes cast on the proposition issuing the Bonds in the above-stated amount were in favor of issuing said Bonds and so the proposition has been approved.

Section 4. Hereby certifies to the Board of Supervisors of Santa Cruz County that all proceedings relating to the calling of the election and the approval by the electorate, by at least a

55% vote of issuing the Bonds were properly conducted as to all actions performed by the District.

Section 5. It is requested that the Santa Cruz County Superintendent of Schools send a copy of the certificate of election results to the Board of Supervisors of Santa Cruz County.

Section 6. A copy of this resolution shall be forwarded to the Santa Cruz County Superintendent of Schools with a copy to the Santa Cruz County Board of Supervisors and to the County Clerk of Santa Cruz County.

Section 7. This Resolution shall take effect immediately upon its adoption.

Appendix 6 – Canvass Activity Summaries

Canvass Activities Summary

November 8, 2022 Statewide General Election

Auditing of the Voting Locations

Each location is responsible to complete a variety of forms at the close of the location each day of the voting period. Elections staff then audits those forms to account for all ballots issued and returned. For the November 8, 2022 election, there were 21 voting locations available for voters to access for in-person voting or receive a replacement ballot. Below is a list of the voting locations with the days and hours of availability. All locations were audited and where the paperwork reflected discrepancies, those discrepancies were thoroughly researched and resolved. In all cases these were poll worker errors such as transcription errors or recording information in the wrong places. The primary error was not getting the complete information needed for the Voter Information Sheet if the printer was not working. This is important for verifying Voter Participation History was given to the correct voter.

1% Manual Tally

Per Elections Code Section 15360, 1% of precincts must be hand tallied to determine that the voting system is reading and tabulating votes correctly. For November 7, 2022, there were 115 voting precincts, which meant that only 2 precincts needed to be counted. Elections Code Section 15360 also states that all contests on the ballot need to be hand tallied. Because all of our ballots (vote by mail and in-person) were tabulated in batches, Santa Cruz County Elections Department determined that a minimum of 4 batches per tabulator would be drawn from the Election Night results and another 26 batches would be drawn after all vote by mail, same day registration and provisional ballots had been added to the count prior to certification. After making those selections, we would verify that all

precincts were accounted for in those batches. If not, more batches would be drawn to fulfil the requirements.

The picking of the batches was broadcasted through a live stream with observers present. Batches were randomly selected by those present. All batches are randomly selected by pulling a slip from a bowl. All contests on the ballot would be tallied. All votes cast in those batches were tallied including preprinted paper ballots and votes cast on the tablets. Blank ballots that were encountered (in any media) were tallied as undervotes for each contest. Spoiled, cancelled, and otherwise invalidated ballots were not tallied as they are not valid ballots.

Vote-by-mail and paper ballots used at the voting locations were tallied by audit teams of 3 auditors. Duties were divided among team members with one-member reading from the ballot, and the other two members keeping independent, simultaneous tallies. Once all the ballots for that batch had been read, then the totals on the tally sheets were compared against each other. The results were later compared to the central tally count and if the totals did not match, then the hand tally began again.

Materials used to complete the tallies were minimal, but included specialized tally sheets, pencils and the central count reports. In total, 48 batches (4,646 ballots) were reviewed. On the following page are the batches that were drawn for the 1% tally (VBM = Vote by mail and IP = in-person).

Due to public health guidelines, not many observers were present during the canvass. However, we installed cameras in our office and in the rooms where we were conducting canvass activities that observers could utilize to observe our activities. Our office always welcome observers and fielded many calls about the status of the activities. Because the audit was conducted at central elections, no additional security measures were required above and beyond normal security precautions in place.

The 1% was conducted by new staff using our new voting system which had new printed ballots and new tabulation methods, so it took some time for the teams to get into a good rhythm and the initial contest was often recounted. In the end, all contests matched the results tallied except for four instances of voter intent (not marking the ballot correctly) where the ballot was corrected, and the results updated.

Escalated Manual Tally

Two contests on the ballot were particularly close and it was decided to tally 100% of the ballots cast in that contest. Between the two contests, 6,686 ballots in 330 batches were tallied in the same manner as the other batches in the 1%. All hand tallies matched the machine results except for one instance of voter intent (not marking the ballot correctly) where the ballot was corrected, and the results updated.

In the end, the results from the manual tally matched the machine results with 100% accuracy.

Search for Live Ballots

After searching through all the supplies and equipment that were returned from the voting locations, no live ballots were found.

Equipment Incidents

There were two incidents with the voting equipment for the November 8, 2022 election. Both were paper jams in two different tablet printers. Election officers at the voting locations cleared the jam and voting resumed. Both affected voters reviewed their ballots when printing resumed and deposited the ballot into the ballot box.

SANTA CRUZ CITY SCHOOLS DISTRICT

AGENDA ITEM: Employee Supervision and Evaluation: Probationary 2 Process

MEETING DATE: January 11, 2023

FROM: Molly Parks, Assistant Superintendent, Human Resources

THROUGH: Kris Munro, Superintendent

BACKGROUND:

Under California's Education Code [44660-44665], teacher evaluations must occur on a regular basis. Teachers with probationary status must be evaluated at least once every school year. Permanent employees may be evaluated every other year, or less. Permanent teachers who have been employed at least 10 years in the same district and whose previous evaluation was at least satisfactory may be evaluated once every five years. Any teacher who receives an unsatisfactory evaluation must be evaluated annually until a satisfactory evaluation is achieved or dismissal occurs.

The Education Code also requires that evaluations include recommendations for improvement as needed. And the state's Government Code [3543-3543.8] says districts and unions must bargain over procedures to be used to evaluate employees.

Article XIV of the Certificated Bargaining Agreement outlines our agreements about procedures for employee evaluation. This process was developed collaboratively with a team of certificated staff and administrators.

After new certificated employees complete a two-year probationary period, they become eligible for tenure. Tenure is a status granted after a two-year probationary period that gives protection from dismissal except for serious cause determined by formal proceedings. Santa Cruz City Schools implements a Probationary 2 Round Table process to determine if certificated staff should advance to the third year and obtain tenure. This process includes formal observations, informal observations, and review of student achievement data and other relevant information. Principals, Assistant Principals, Educational Services Directors and Cabinet collaborate together on the Probationary 2 Round Table process to make thoughtful decisions about granting tenure.

Employee Supervision and Evaluation & The Probationary 2 Process

January 11, 2023

Certificated Employee Evaluation & Education Code

Under California's Education Code [44660-44665], teacher evaluations must occur on a regular basis. Teachers with probationary status must be evaluated at least once every school year. Permanent employees may be evaluated every other year, or less. Permanent teachers who have been employed at least 10 years in the same district and whose previous evaluation was at least satisfactory may be evaluated once every five years. Any teacher who receives an unsatisfactory evaluation must be evaluated annually until a satisfactory evaluation is achieved or dismissal occurs.

The Education Code also requires that evaluations include recommendations for improvement as needed. And the state's Government Code [3543-3543.8] says districts and unions must bargain over procedures to be used to evaluate employees.

Contractual Evaluation Process

Article XIV of the Certificated Contract

- Until earning tenure - certificated staff evaluated annually
- After tenure up to 10 years of service, certificated staff evaluated every two years
- With 10 years of service & beyond, certificated staff evaluated every four years
- Three evaluation methods based on California Standards for the Teaching Profession
 - Administrative Evaluation
 - Project-Based Evaluation
 - Peer-Based Evaluation

Administrative Evaluation

- Staff set **goals** aligned with district/school goals & personal performance goals
- Supervisor conducts at least **2 formal observations**
- Supervisor makes informal walkthrough observations
- Supervisor writes a **Summative Evaluation**, a formal summary of performance reflecting *commendations and recommendations for growth*

“For teachers, as for students, the most effective evaluation comes from someone who sits beside us and helps us grow.”

- Carol Ann Tomlinson

“A great observation results in a conversation that creates a positive change in teacher performance.”

- PJ Caposey

Project-Based Evaluation

- With administrative approval - *option for every other four year cycle for permanent employees* with proficient or distinguished ratings in previous evaluation
- Employee prepares project proposal related to improving their practice grounded in professional standards

Peer-Based Evaluation

- With administrative approval - *option for every other four year cycle for permanent employees* with proficient or distinguished ratings in previous evaluation
- Employee works with a peer, conducting peer observations and providing one another feedback on instructional practice

What is Tenure?

The status granted after a two year probationary period to a teacher that gives protection from dismissal except for serious cause determined by formal proceedings

Tenure Process - Year 1

- Year One: Most Certificated Staff given a **Probationary 1 Contract**
 - Administrative Evaluation Process:
 - Goal Setting
 - Two lesson observations
 - Quick Visits
 - Summative Feedback with commendations and recommendations
 - Staff brought back for a second year, released or resign
- If replacing someone on leave, new certificated staff are on a **Temporary Contract**
 - Follows Administrative Evaluation Process
 - All temporary staff are released annually
 - When no longer replacing someone on leave, temporary staff are given Probationary 2 status

Process - Year 2

- Year Two: Most certificated employees given **Probationary 2 Contract**.
- Administrative Evaluation Process:
 - Goal Setting
 - Two lesson observations
 - Quick Visits
 - Summative Feedback with commendations and recommendations
 - ***Administrator brings recommendation regarding tenure to Probationary 2 Roundtable***

Probationary 2 Roundtable

- Composed of employee's Principal or Assistant Principal supervisor, Educational Services Directors and Cabinet
- Reviews academic data, attendance reports, grade reports, evaluations and other pertinent information
- Makes decision to grant **tenure or release** employee

Prob 2 Data

Year	Number of Probationary 2 Employees	Number of Probationary 2 Employees Released or Resigned in Lieu of being released
2021-22	38	6
2020-21	23	3
2019-20	39	7

“In the high-stakes world of teacher evaluation, we must remind ourselves that the most important aim of observation and evaluation is not rating teachers, but **strengthening teaching and learning.**” - Laurie McCullough

AGENDA ITEM: Resolution 22-22-23: Transitional Kindergarten Teacher Requirement

MEETING DATE: January 11, 2023

FROM: Molly Parks, Assistant Superintendent, Human Resources

THROUGH: Kris Munro, Superintendent

RECOMMENDATION:

Approve Resolution 22-22-23 Transitional Kindergarten Teacher Requirement

BACKGROUND:

In addition to possessing a Multiple Subject Teaching Credential, CA Education Code 48000 requires transitional kindergarten teachers to have twenty-four (24) semester units of early childhood education or hold a Child Development Teacher Permit, or an Early Childhood Education Specialist Credential, issued by the CA Commission on Teacher Credentialing. Education Code Section 48000 also permits the Governing Board to determine professional teaching experience in a preschool setting comparable to the twenty-four (24) semester units. Determining one year of professional teaching experience in a preschool setting equivalent to twelve (12) semester units will allow the district to certify all our transitional kindergarten teachers, and future teachers, meet the requirements for transitional kindergarten.

This work is in direct support of the following District goals and their corresponding metrics:

Goal #1: All SCCS students will be prepared to successfully access post-secondary college and career opportunities.

Goal #2: SCCS will create positive, engaging school environments that promote the development of cognitive skills and the social emotional well-being of all students.

Goal #3: We will eliminate the achievement gaps that currently exist between demographic groups within the SCCS student community.

Goal #4: We will develop a highly collaborative, professional culture focused on supporting effective teaching.

RESOLUTION # 22-22-23

TRANSITIONAL KINDERGARTEN TEACHER REQUIREMENT

WHEREAS, California Education Code Section 48000 requires credentialed teachers who are first assigned to a transitional kindergarten classroom after July 1, 2015, have, by August 1, 2023, one of the following:

1. At least 24 semester units in early childhood education, or child development, or both.
2. A child development teacher permit, or an early childhood education specialist credential, issued by the CA Commission on Teacher Credentialing.

WHEREAS, California Education Code Section 48000 permits the Governing Board to determine professional teaching experience in a preschool classroom setting is equivalent to a specified amount of semester units of early childhood and/or childhood development.

NOW THEREFORE, BE IT RESOLVED:

1. That one year of professional teaching experience in a preschool classroom setting is equivalent to 12 semester units of early childhood and/or childhood development.
2. That the transitional kindergarten teacher provide the district with documentation of professional teaching experience in a preschool classroom setting.
3. That the Superintendent or designee will certify the transitional kindergarten teacher has met the credentialing and CA Education Code 48000 requirements.

SANTA CRUZ CITY SCHOOLS
RESOLUTION # 23-22-23
Proclaiming February as Black History Month

WHEREAS, the origin of Black History Month began in 1915, half a century after the Thirteenth Amendment abolished slavery in the United States; and

WHEREAS, with the Civil Rights Movement and a growing awareness of black identity, Black History Month or National African American History Month evolved to an annual celebration of achievements by black Americans and a time for recognizing the central role of African Americans in U.S. history; and

WHEREAS, the contributions of African Americans from all walks of life and their endeavors to learn and thrive throughout history and make unforgettable marks in our Nation as artists, scientists, educators, business people, influential thinkers, members of the faith community, athletes, and political and governmental leaders, reflects the greatness of the United States; and

WHEREAS, Santa Cruz City Schools again affirms its commitment to appreciating, celebrating and valuing its African American students, and recognizes the importance of acknowledging the history, culture and struggles of our African American community; and

WHEREAS, Santa Cruz City Schools recognizes and celebrates the history and contributions of African American citizens who have been consistently overlooked and undervalued in the curriculum of public education institutions; and

WHEREAS, the struggle against racism continues here in Santa Cruz as well as the rest of the world, Santa Cruz City Schools has demonstrated a commitment to promoting education and community conversation on racial injustice, and

WHEREAS, remaining hopeful and confident about the path ahead, and a time to acknowledge the courageous fight for the rights, liberties, and freedoms for all Americans, the Santa Cruz City Schools Board of Education observes and honors Black History Month and encourages educators, students, and families to learn about the heritage and achievements of African-Americans through appropriate programs and activities:

NOW, THEREFORE, BE IT RESOLVED that Santa Cruz City Schools Board of Education does hereby adopt this resolution to honor Black History Month and recognize the tremendous contributions made by African-Americans.
